

Planning Disclaimer

Every member of the public has the right to comment on an application that affects them. However, only comments that are related to planning issues will be taken into account in assessing an application. You can make a comment on that application by sending your written representation to Harrow Planning or submitting it electronically at www.harrow.gov.uk/planningsearch

Comments can only be submitted against 'live' applications. You should clearly state the reasons why you are supporting or objecting to the development proposal, and these reasons should relate to planning issues only.

Please note that when commenting on Planning applications, our policy is to publish private property addresses, but not email addresses, telephone numbers or signatures. Your reply will be available for inspection by the applicant and the public both at the council's offices and on the internet.

The published information on the website will remain, but paper copies will be destroyed after the planning appeal period has expired, six months after the decision.
