Dear Allotment Society

**HARROW COUNCIL -
SPORT, RECREATION AND OPEN SPACE STUDY**

Strategic Leisure Limited, a Leisure Management consultancy, is currently working with Harrow Council to undertake an audit and assessment of sport, recreation and open space provision within the borough.

A detailed 'audit' of all types of outdoor recreation provision is being undertaken, in partnership with key organisations and associations. This will play an important role in establishing the nature and use of current provision and help the Council in its future planning of related services.

As part of this audit we are contacting Allotment Societies, throughout the Borough, as **key consultees**, to ask about the facilities on the site that you manage. We would be very grateful if you could spend a few moments of your time completing the attached questionnaire to provide information about your site. **The information you can provide is critical to the development of a future strategy for the Borough and will influence decisions on future facilities.** Ultimately the findings will be of benefit to your club, other organisations and the local community.

Once completed please return the questionnaire in the freepost envelope provided, no later than 30th November. Alternatively if it is more convenient you can fax through the completed questionnaire on **0161 776 1928** (please mark it for the attention of Steven Coupe).

I would like to take this opportunity to thank you on behalf of Harrow Council your help with this project. If you would like to discuss the study in more detail, then please do not hesitate to contact me on 0161 776 4363.

Yours sincerely

Rachel Fowler
