Improving Sleep and Managing Anxiety
Guest Speaker- Zara McCambridge, behaviour analyst.

The Children’s Sensory Team (CST) are inviting you to an open morning to give you an opportunity to learn about supporting your child (0-25 years old).
• to have improved sleep
• to manage anxiety more effectively

Come and find out what the team can offer you and your child.
Tell us what you would like for future events!

Join us at:
The Pinner Centre, Chapel Lane, Pinner HA5 1AA
On the following date: 27th March 2019 from 9:30-11:30am

For further information please contact:
Children’s Sensory Team on 020 8051 8370
