Harrow’s
Children’s Sensory Team (CST)
Working with children and young people with Hearing Impairment and Vision Impairment from birth…

Early Years leaflet

We are here to support you and your child.
What we do to help you...

We will:

- offer you support and advice from specialist teachers
- offer to accompany you to hearing or vision hospital appointments
- help clarify the meaning of hospital letters
- support you with the understanding of your child’s eye condition or hearing difficulty
- support your child with equipment if appropriate
- refer your child to other professionals if needed e.g. Speech and Language therapists, Portage, CST’s Habilitation worker and CST’s sign and communication tutor

- be able to put you in touch with pre-school sensory groups and local parent and toddlers groups, where you can meet other parents and your child can mix with other children
- offer you strategies to support your child.
- give you a programme of activities that you can do with your child at home
- support you and your child during their transition to pre-school groups, nursery or school
- provide you with information about national and local organisations.
