| ST. BERNADETTE'S CATHOLIC PRIMARY SCHOOL ADMISSION POLICY 2019/2020 |
|--|

St. Bernadette's Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. As a Catholic school, we aim to provide a Catholic education for all our pupils.

Practising Catholic Applicants for places should be supported by a Certificate of Catholic Practice from their Parish Priest or from a Priest known to them. As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. All applicants are therefore expected to give their full, unreserved and positive support for the aims and ethos of the school. Applications are invited for September 2019 from families whose child attains 4 years of age between 1st September 2014 and 31st August 2015. THE GOVERNORS received 100 applications for the Published Admission number (PAN) sixty places last year and intend to admit up to sixty children to the Reception Year in each school year.

Oversubscription Criteria:

Where there are more applications for places than the 60 available, applicants will be placed in the following categories, listed in order of priority:

1. Catholic 'looked-after' children and Catholic children who have been adopted or made subject to child arrangements orders or special guardianship orders immediately after having been looked after.
2. Baptised Catholic children of staff who can provide a Certificate of Catholic Practice where the member of staff has been a permanent employee of the school for at least two years at the time of application.
3. Baptised Catholic children from Catholic families with a Certificate of Catholic Practice living in All Saints' Parish, Kenton. For a map of the parish please visit www.rcdow.org.uk/virtual.
4. Other baptised Catholic children from Catholic families with a Certificate of Catholic Practice living in neighbouring parishes without a Catholic School attached:- St William of York, St Erconwald's and St Anthony's. (Parish maps are available from the school or respective parishes)
5. Baptised Catholic children with a Certificate of Catholic Practice
6. Other baptised Catholic children.
7. Other Local Authority 'looked-after' children and children who have been adopted or made subject to child arrangements orders or special guardianship orders, immediately after having been looked after.
8. Children of Catechumens and Christians of other denominations whose application is supported by their Minister/faith leader confirming membership of the faith community.
9. Any other applicants who can provide written evidence from a religious leader of membership of their faith.
10. Any other applicants

Where offering places to all applicants in any category would lead to oversubscription priority will be given as follows:

1. Exceptional Circumstances: Governors will give top priority within each criterion to applications where professional evidence, supplied at the time of application, indicates that the applicant has a compelling need to attend St Bernadette's Catholic Primary School. Such evidence must be supplied by such as a doctor, social worker or priest.
2. Siblings of pupils who will be in attendance at the school at the start date of the new entrant. Siblings are defined as a brother or sister, adopted and half - brothers/sisters living at the same address, not including cousins or other extended family members who reside in the household, but will include step brothers and foster children who are part of the Catholic family.
3. The proximity of the address point for the home address to the centre point of the school measured by a straight line on the Ordnance Survey map, using Harrow Admissions computerised mapping system (www.harrow.gov.uk/distancetool), in cases where applicants' live equal distance from the school and places cannot be offered to both children, a random allocation i.e. lottery, will take place in the presence of an independent witness.
4. Multiple births: Governors will take the opportunity to admit twins/triplets siblings applying for the same academic year, where one child has been offered a place and the other(s) have not. This will most commonly be by admitting a second twin and going over the infant class size limit.

Applications must be submitted by January 15th 2019 the date specified for the return of the LA's CAF and letters to Parents offering a place will be sent on behalf of the Governors on the 16th April 2019.

Making an Application

1. In accordance with the Local Authority (LA), applicants must complete the LA 'e-admissions form' from their own LA. The Paper copy is also obtainable from Harrow LA Admissions Service on request. The e-admission service allows you to nominate up to six schools in order of preference. You should submit only one e-admission by the specified date of return. If you submit more than one the last e-admission received will withdraw an earlier submitted one.

2. Applicants should complete and return the School's own Supplementary (SIF) form. The SIF is obtainable from the School Office/or website: www.st-bernadettes.co.uk, also the Certificate of Catholic Practice is available from the priest at the parish where the family normally worships. These should be handed in to the School when completed. The Diocesan Certificate of Catholic Practice is also available on the Diocesan website at: <http://www.rcdow.org.uk/education/default.asp?parent> and follow the link. Parents/carers should provide the stipulated documentation including the child's baptism certificate. The Supplementary Information Form (SIF) should be returned directly to the school office by the specified closing date. If any of the evidence in the SIF is found to be fraudulent or wrong in any way then the place may be withdrawn. Catholic families must supply a valid baptismal certificate and those wishing to be considered under oversubscription criteria 2, 3, 4 and 5 must also supply a Certificate of Catholic Practice.

3. **Certificate of Catholic Practice :** Applicants applying under criteria 2,3,4 and 5 must submit a Certificate of Catholic Practice (CCP) by the closing date. This certificate is available from the priest at the parish where the family normally worships or from the diocesan website. It is the parent's duty to ensure that the CCP is submitted to the school in good time. The priest will only sign this form if he knows you and agrees that you are a practising Catholic family.

4. If you are applying to another Catholic school you will be required to complete a set of supplementary papers for each Catholic school.

5. Education, Health and Care Plans (EHC) The admission of pupils with an Education, Health and Care Plan (EHC) is dealt with by a completely separate procedure. Details of this separate procedure are set out in the Special Educational Needs Code of Practice. If your child has an EHC plan you must contact your local authority SEN officer. Children with this school named in their EHC Plan will be admitted to the school.

6. If your application for a place at St Bernadette's Catholic Primary School is refused you will have the right of appeal to the Independent Appeal Panel.

7. Unsuccessful applicants will be invited to be placed on a Waiting List maintained for each year group. If a place becomes available this will be allocated in accordance with the School's Admissions Policy and Oversubscription Criteria. Places on our waiting list will be held open for a period until the end of Year 6 when the child would have left our school.

8. In-Year Admissions: applications for in-year admissions are made directly to the school using a Common Application Form. If a place is available and there is no waiting list the child will be admitted. If there is a waiting list, then applications will be ranked by the Governing Body in accordance with the oversubscription criteria. If a place cannot be offered at this time then you may ask us for the reasons and you will be informed of your right of appeal. You will be offered the opportunity of being placed on a waiting list. This waiting list will be maintained by the Governing Body in the order of the oversubscription criteria and not in the order in which the applications are received. When a place becomes available the Governing Body will re-rank the list so that an offer can be made.

9. Fair Access Protocols: The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admissions round the governing body is empowered to give absolute priority to a child where admission is requested under any local protocol that has been agreed by both the Diocese and the governing body for the current school year. The governing body has this power even when admitting the child would mean exceeding the published admission number.

10. Any application for a child to be educated out of his/her age group will be considered by governors on an individual basis and will only be granted in exceptional circumstances. Parents should write to the Chair of Governors during the autumn term in the (academic) year of application, giving reasons and providing compelling professional evidence. If governors give permission for the child to be educated out of his/her normal age group, parents must submit an application in the normal way for the year in which they wish their child to start school. This application will be treated in the same way as all other applications and there is no guarantee that an offer will be made.

Summer Born Children : If a parent wishes his/her summer born child to start school in Reception in the September following his/her 5th birthday i.e. a child born between 1st April – 31st August being admitted to Reception at 5 years of age, they should make the school aware of this by writing a letter to the Chair of Governors at the time of application. Parents must then submit an application in the normal way. This application will be treated in the same way as all other applications and there is no guarantee that an offer will be made.

11. Applicants may defer entry to school up until statutory school age i.e. the first day of term following the child's fifth birthday. Application is made in the usual way and then the deferral is requested. The place will then be held until the first day of the spring or summer term as applicable. Applicants may also request that their child attend part-time until statutory school age is reached. Entry may not be deferred beyond statutory school age or beyond the year of application, therefore applicants whose children have birthdays in the summer term may only defer until the 1st April 2020.

Interpretation of Terms used in the Admissions Policy and Over Subscription Criteria

Applicants: The parents and/or carers submitting an application for a place on behalf of a child.
Looked after has the same meaning as in S.22 of the Children Act 1989, and means any child in the care of a local authority or provided with accommodation by them (e.g. children with foster parents at the time of making an application to the school).

'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the laws of the Church.

'Certificate of Catholic Practice' means a certificate issued by the family's parish priest (or the priest in charge of the church where the family attends Mass) in the form laid down by the Bishops' Conference of England and Wales. It will be issued if the priest is satisfied that at least one Catholic parent or carer (along with the child, if he or she is over seven years old) have (except when it was impossible to do so) attended Mass on Sundays and holy days of obligation for at least five years (or, in the case of a child, since the age of seven, if shorter). It will also be issued when the practice has been continuous since being received into the Church if that occurred less than five years ago. It is expected that most Certificates will be issued on the basis of attendance. A Certificate may also be issued by the priest when attendance is interrupted by exceptional circumstances which excuse from the obligation to attend on that occasion or occasions. Further details of these circumstances can be found in the guidance issued to priests <http://rcdow.org.uk/education/governors/admissions/>

"Children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

"Children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 7 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.
