IMPORTANT - THIS COMMUNICATION AFFECTS YOUR HOME

Dear <Insert tenant name>,

Regeneration of the Grange Farm Estate

We have been working with residents since 2014 on our Grange Farm regeneration plans to give existing tenants new modern homes and great facilities.

We're dedicated to building a better Harrow, providing new homes and real communities that will make Harrow a great place to live, now and in the future. Hopefully you will have seen the plans at one of our many events and have been following the progress through our newsletters.

In addition to inviting tenants to consultation events, we are required to send you a formal notice setting out our proposals. This notice is attached and gives you a right to make written comments letting us know your views about the proposals. It also gives more information on our proposals and what will happen to make sure the regeneration can start.

It is important that you read and understand this notice – if you need help understanding what this notice means or you want to find out more information, please follow the contact details in the notice.

You can also come along to one of the two drop in sessions we are holding at the Community Centre on Osmond Close where you can ask any questions you may have:

Wednesday 28 June, 10am to 12pm and Thursday 29 June, 6pm to 8pm.

Or you can come and speak to us at the Grange Farm Summer fun day on Saturday 15 July, 1pm to 4pm.

Yours sincerely

Director of Housing
