Harrow Schools Open Check

Some Harrow Schools are updating their Open Status using an automated service so that informationcan be made available easily and consistently across a number of parental access points.

If the school you are interested in is not taking part, you will be told that it is not participating,but this could change in time.

The responsibility for updating the information is with the school.

Parents can check on the Open Status of schools by:

- using a web site (type the address into a browser, or click the link)

  For all London
  address   http://map.lgfl.org.uk/opencheck

  For Harrow
  address   http://map.lgfl.org.uk/opencheck/default.aspx?la=310

- using a telephone line
  (Why not make a note of the details? You will then not require Internet access)
