**General Data Protection Regulation**

In accordance with the General Data Protection Regulation (2018), the London Borough of Harrow will use the data gathered through the statutory assessment solely for the purpose of assessing the named child for an Education Health and Care Plan. The information will be shared with partner agencies in order to make appropriate provision to meet the child or identified special needs.

In some cases, the London Borough of Harrow may use the information for other purposes if it has a legal duty to do so, to provide a complete service to the, to prevent and detect fraud or if there is a risk of serious harm or a threat to life.

The London Borough of Harrow may also use and disclose information, that does not identify individuals, for research and strategic development purposes.
