He looked around and saw a male behind him. There wasn't any other person behind him at the time. He did not challenge the male as he believed he was caught in the crossfire in his own words. Shortly afterwards he feels a warmth behind his thigh and releases he has been cut by an implement. When he became aware that he has a cut he called the ambulance for treatment. PROTECTIVE MARKING

CR 2012821/17 15th October 2017 03.17 hours. Grievously Bodily Harm (GBH)

Victim had been inside the Club KTM during the evening and when he left the venue with his friend. He and his friend were agitated. This information was given to police by doorman who was outside at the time.

A vehicle has driven by and the victim, victim made some remark towards the driver. The driver turned his vehicle around and drove towards victim striking him with the vehicle. A loud bang could be heard. The victim is known to police for various offences. Victim would not engage with police or ambulance staff who attended him outside Club KTM. CRIS 200052/18 Affray Outside Club KTM at 03.01 Hours

With reference to the incident on 15th October and numerous CCTV cameras were being scanned by police to identify the vehicle involved. CCTV from Club KTM captures a male throwing a bottle at the door of the venue Two males can be seen having some form of disagreement. Suspect chase victim, throws bottle at him near the entrance to Club KTM. Function advertised on the Tuesday December 26th 2017 from 10.00pm - 04.00am on Wednesday 27th December 2017 on web site called SHOBS.

The premises licence holder has breached his conditions by staying open and operating beyond his licensed opening hours. The premises has a licence to open from 1200-0000 from 0000-0230 hours. During this period the premises can carry out licensing activities. These activities must stop 30 minutes prior to closing. There is evidence that the event on the 26th December 2017 breached his licence conditions. I have attached promotion advert taken from SHOBS Web Site Exhibit PAM/01.

The event on the 1st January 2018 also was outside the premises licensable activities at the premises condition Monday 1200-0000 Tuesday 000-0230am hours for licensing activities, stopping 30 minutes before closing time. This was a further breach of conditions.

Harrow Police and Harrow Licensing Authority have had meetings with Mr Prakash PRADHAN (Premise Licence Holder) to discuss the activities within the premises. Police and Harrow licensing have given the Premises licence holder advice on how to reduce crime and disorder. The premises have taken some of the advice on board and implemented steps to reduce the risk of harm to persons attending the venue. The venue agreed to use metal detectors to scan all people entering to ensure illegal weapons were not brought inside the venue. But clearly the incident on the 1st January 2018 where a victim was slashed with a knife inside the premises has shown there was a failing with the process adopted on the night.

Police had pointed out to Mr Pradhan at the meeting that his venue was in an area known for gang culture, drugs and he would have to be quite robust on how the premise operate. Police would not tolerate serious crime emitting from the premises at any time.

Police have also been made aware of reports made by resident that noise emitted from the venue is causing problems for them and the noise of cars etc. is not acceptable.

Please provide as much information as possible to support the application: (please read guidance note 3)

PROTECTIVE MARKING

I would be looking for the opening hours for the venue to be reduced, hopefully this will reduce reduction in reported crime. The licence holdre has breached his licence conditions when the opening and closing times are very clear on the premises licence that was issued to him.

With this venue being situated in an area where there has been high level of serious assaults and area with gang and drug culture. I do not wish to see this premises contributing to further deaths where knives have been used to kill victims. Where only in the last four days the Metropolitan Police have reported four deaths caused by sharp implements namely knives.

The premise licence holder Mr Prakash PRADHAN has not made any contact with me concerning the incident on the 1st january 2018.

Have you made an application for review relating to this premises before?
