If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

VARIATION

Do you want the proposed
variation to have effect as
soon as possible?

Yes

No

Do you want the proposed variation to have effect in relation to the
introduction of the late night levy?

Yes

No

You do not have to pay a fee if the only
purpose of the variation for which you are
applying is to avoid becoming liable to the
late night levy.

If your proposed variation
would mean that 5,000 or
more people are expected to
attend the premises at any
one time, state the number
expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

Proposed variation relates to change of hours that premises are open to the public and the sale of alcohol times. New timings are: Mon-Sun, start 09.00hrs end 21.00hrs. The sale of alcohol will only be for consumption off the premises. The type of premises - grocery shop selling food products. The shop is located on the High Street and provides quality food products for local community. In our opinion, the proposed variation will not compromise all four licensing objectives, as all steps listed in our application for a premises license, will be followed in extended opening times.
