Tesco is a large national operator with a range of head office and local support. The company has devised policies, procedures, systems and training to ensure that they sell alcohol in a responsible manner.

There is a detailed training programme which ensures that comprehensive training is provided to employees having regard to their role and the responsibilities and such training is regularly reviewed and appropriate records kept.

**b) The prevention of crime and disorder**

The premises will have digital CCTV system that covers many areas of the shop floor, including the main area which will be used for display of alcohol, Images will be retained for a minimum of 21 days  
A member of the Management team will ordinarily be on the premises all the time the store is open and person will have responsibility for the premises whilst the premises are open.

**c) Public safety**

The premises licence holder is fully aware of its responsibilities under a range of health and safety related legislation and has appropriate policies and procedures in place to be confident of complying with the relevant obligations which arise.

**d) The prevention of public nuisance**

The company has a "good neighbour" policy which seeks to ensure that the premises play an active part in the local community.

**e) The protection of children from harm**

The premises will operate a Think 25 policy. The checkouts will be programmed to prompt the checkout assistant when an alcohol product is scanned at the till to follow the Think 25 policy.
