**a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)**

**b) The prevention of crime and disorder**

1. The Premises Licence Holder and/or Designated Premises Supervisor will ensure all staff employed at the venue are aware of the law and their responsibilities under the Licensing Act. Staff must undertake online training in licensing law, such as the BIIAB Award in Responsible Alcohol Retailing or any other recognised training courses. All new staff must receive this training within 4 weeks of commencing employment at the premises. Refresher training must be given every 12 months.
2. An online record shall be retained of all such training, and shall include details of the date the training was given, the date that refresher training is next due, and the type of training provided. All staff receiving this training will sign the training record to confirm the training has been completed and provided. Such record will be produced for inspection by the Police or other authorised officers of the licensing authority upon request.
3. A digital colour CCTV system must be installed and maintained to a satisfactory standard at the premises.
4. The system must run and record continuously for 24 hours a day, 7 days per week and recorded footage must be stored for a minimum of 28 days.
5. The system must provide a clear head and shoulders on every entry/exit route and within any other vulnerable areas as identified by the police.
6. Recorded footage must be provided to a representative of any responsible authority on request.
7. Such footage must be provided in an immediately viewable format and must include any software etc which is required to view the footage. Any discs, portable drives or other storage media onto which footage is transferred must be provided by the premises.
8. A member of staff who is trained to operate the system and supply footage must be present at the premises at all times when licensable activities are taking place.
9. The Designated Premises Supervisor must ensure that the CCTV system is checked at least once every week by a suitably trained member of staff. This check must include the operation of the cameras, the recording facilities, the facilities for providing footage and the accuracy of the time and date. A written record of these checks must be kept, including a signature of the person carrying out the check. This written record must be kept on the premises at all times and made available to a representative of any responsible authority on request.

**c) Public safety**

**d) The prevention of public nuisance**

1. Late night staff and drivers are kept to a bare minimum to decrease any noise.
2. Notices will be displayed reminding customers to leave quietly and to respect the local residential amenity.

**e) The protection of children from harm**

2. The forms of acceptable ID shall include a photo style driving licence, a passport, an identification card which bears the PASS logo in a hologram format, and military ID.
3. All orders for alcohol made via the internet must be made along side food for the minimum order of one pizza. The person responsible for the delivery of alcohol will ask for appropriate ID at the point of handover of the goods. If the person appears to be under 25 years and no appropriate ID is provided then the alcohol will not be delivered and will be returned to the shop.
