b) The prevention of crime and disorder

- **CCTV**
'officer' means police officer.
'authorised person' means the manager of the premises or any designated person or a such other persons so authorised to operate the CCTV system at the premises on behalf of the premises licence holder.
'the system' refers to the CCTV system installed at the premises.
(i) CCTV shall be in use at the premises. CCTV will cover the entrance and exit and service counter.
(ii) The CCTV equipment shall be maintained in good working order and continually record when licensable activity takes place or whenever the public are present at the premises, whichever is longer (except in the event of the system breaking down- see below).
(iii) The premises licence holder shall ensure images from the system are capable of being stored by the system for a minimum period of 31 days.
(iv) The correct time and date will be generated onto both the recording and the real time image screen.
(v) If the system is found to have broken down, an authorised person, or in his/her absence another responsible person, must verbally inform the police as soon as is reasonably practicable that this is the case. This information shall be contemporaneously recorded in writing and shall include the time, date and to whom the information was reported. System failures shall be repaired or replaced as soon as is reasonably practicable and without undue delay. The police shall be informed when the system is back working.
(vi) The premises Licence holder shall ensure that there is at least one trained member of staff available when the premises is open to the public to be able to call up CCTV images on the system for immediate viewing by an officer.
(vii) The system shall be capable of transferring CCTV images to a portable memory device. At the request of an officer requiring CCTV to actively investigate a criminal offence, such evidence as required shall be provided to that officer at a time agreed between the officer and authorised person.
(viii) There shall be clear signage indicating that CCTV equipment is in use and recording at the premises will be displayed at the public entrance to the premises.

In the event that there is a conflict, the premises licence holder or authorised person will inform the relevant parties requesting CCTV footage as to why CCTV or other data requested cannot be provided. Such information is to be provided in writing with an explanation as to why the request, in the opinion of the premises licence holder, breaches data protection legislation.

- A complaints log ('the log') will be maintained in either electronic or physical format and any complaints by residents in relation to noise or other potential public nuisance issues, such as odour from cooking etc, will be noted in the log. The document will be updated as and when required to ensure that it reflects best practice and any new version of the document will be disseminated to all drivers. All drivers will sign to say that they have read and understood the document. A copy of the document will be displayed in the internal area of the premises used by drivers whilst waiting for deliveries and/or in the staff room.
