LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

In order to achieve prevention of crime and disorder we have taken steps to make sure our stock is locked away and unaccessible in and out of trading hours. 24/7 recorded CCTV will be fitted in and out of the premises with alarm systems that will be physically visible to lower the risk of any antisocial behavior from any persons of the public. Full training will be provided for employees to ensure they are confident in handling any situation and for reaction time to be as fast as possible. Members of staff will be given designated areas on the premises to serve, to make sure customers feel safe and comfortable. There will be a strict policy on any glasses or beverages being taken outside while customers go out for a cigarette, notices will be visibly hanged. There will also be notices for noise pollution, customers will be made aware that once they are leaving the premises they need to do so quietly and if they do not abide by these rules they will be reminded politely by the members of staff.

Children will always need to be supervised by an adult while in the premises, they will not be allowed near the bar. They will not be permitted to be in the premises after a certain time and all refusals will be recorded in the refusal book.

b) The prevention of crime and disorder

The stock of alcohol and beverages always be locked up in and out of hours. Alarm and CCTV will be operating 24/7, recordings of CCTV will be kept for 31 days and a member of staff that is fully trained and qualified to use the CCTV system will be on the premises at all times. Full training to be given regarding staff resiliency, which a training book will be kept for all training to be recorded and be accessible for the licensing officer at any time . Staff will be practicing the challenge 25 policy, there will be physical evidence that the age verification policy is in place regarding the sale of alcohol. Staff trained to be alert and resilient at all times, three leaver dead locked fitted where necessary for prevention of theft. As for public disorder notices will be put out for customers to leave premises in a quiet manner, and notices will be physically visible that beverages are not permitted to be taken outside of the premises. If at any time there was an occasion that there was a disagreement or misunderstanding employees will be trained on how to defuse the situation and come to a quick resolution which then it will be recorded in the incident book which again will be accessible for the licensing officer at anytime.

c) Public safety

The cameras have been fitted (12 eye) all over the area step and uneven area been clearly marked the fire exit has been marked and visibly directed. The fire distinguisher has been fitted C0 CAPSSOL and water cane blanket for the area of cooking.

Trained fire person will be on site at all times, all staff be trained and educated as when emergency presents itself, all members of management will be trained in First Aid in case an incident occurs. Insurance and public liberalities are in force.

d) The prevention of public nuisance

Notices of zero tolerance will be clearly at sight visible and practicing for noise pollution. The customer will always be advised to keep with the guide line of not disturbing the peace as of entering and leaving the premises by the notices that will be all around the premises. Staff be trained to educate and prevent such incidents, they also will be trained to recognize and refuse to serve persons that are intoxicated and appear to be a safety risk or nuisance to the public.

e) The protection of children from harm

Children are not to enter the premises with out the supervision of an adult. They will be refused at the bar at any time and will not be able to stay or enter the premises after 10pm on weekends.
