LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

I will clearly display a notice visible to all the public stating the hours of operation and the hours where licensable activity can take place. Therefore I will state clearly alcohol will only be served after 11 am to the public up until closing time.

I will clearly state children under the age of 18 will not be authorized to purchase alcohol in any form and will require identification if the individual looks under 21. I will also display a notice of this on the shop front.

The maximum permitted persons allowed is the capacity of the seating within the restaurant only. We will not allow alcohol to be taken outside of the premises for consumption in any form.

As stated on application alcohol will only be permitted and sold by the authorised licensee and no one else.

The premises consists of CCTV for the safety and security of every individual that enters the premises. Footage can be visible upon request if needed.

Alcohol will not be permitted to leave the premises in any form as the intention behind the sale of alcohol is with meals to be consumed within the premises.

We will commit to all current legislation to cover all four objectives and abide by its law and requirements.

b) The prevention of crime and disorder

There is CCTV in the premises for the prevention of crime and disorder for the safety of the public. We will provide notices to state there is CCTV on site.

The premises is not a place where other entertainment is provided such as sporting or live music.

General reviews will be made to identify if different security measures will be required, around every 3 months. The premises will not be permitted to become overcrowded for the prevention of theft and anti social behavior.

The premises will not be holding any events to accommodate any number of a large or a small group. the sole purpose is to enjoy a meal such as breakfast , lunch or dinner.

Continued from previous page...

We will keep a zero tolerance policy against the use of drugs or carrying any weaponry. Any act identified will be reported to the police and identified for future reference.

We will never promote excessive drinking. In any case of suspected bingeing or an individual clearly have consumed too much alcohol we will not serve further alcohol and take responsible steps to ensure customer gets home safely such as calling a taxi. (Exercising duty of care)

c) Public safety

Our premises being a restaurant already does comply with food safety regulations, in every shape and form. From correct surfacing to hygiene, to ensure the publics safety when consuming our food.

Our premises as you can see on drawn plan, complies and is equipped for fire safety through out. We currently have regulated fire extinguisher of various sorts and a fire blanket. Equipment is placed on both ends of the premises to ensure that they are able to be reached in case of a fire.

Our staff are very well trained too accommodate customers with a disability. Whether its an individual in a wheel chair, visually impaired or cannot hear. We will take highly exceptional steps to make them comfortable within our premises such as, reading a menu assistance in moving around etc.

We take health and safety very seriously as a whole in our restaurant. We ensure everything is safe within our premises for our customers and if anything arises any concern we will get on its case immediately and take control of the situation. We have standard measures such as hygiene facilities in toilets and keep floors clean and non slippery at all times.

d) The prevention of public nuisance

For the prevention of public nuisance we will take certain measures that is in our power and operation.

The consumption of alcohol is assumed to be at a low level regardless of the fact we will take all the care we can.

- We will keep the front door closed to prevent the smell of alcohol spreading outside.
- We will be open no later than 11 pm as a business.
- Keep bins and refuse at the rear of the premises away from the public.
- We will be open to our local communities concerns and welcome meetings if necessary.
- Aim to keep noise to a minimum regardless of the time. The nature of the current business is quiet as it is.

If noise and pollution becomes a problem we will take further action to tackle these immediately.

e) The protection of children from harm

We do not believe restricting access to our premises will play a part in putting children at risk as the sole purpose of the premises is not to just sell alcohol, its just an extra with food. As we do get families here most of the time a child will be accompanied by an adult and regardless we will exercise the challenge 21 to prevent the sale of alcohol to an underage minor. We will clearly notify under any circumstance alcohol will not be provided for a child. Request adequate ID such as Passport, Driving license or Citizen Card to prove age.

Any anti-social behavior will be reported to the police or if we suspect abuse to a child whether its because of alcohol or not.
