OPERATING SCHEDULE

When do you want the premises licence to start? / /

If you wish the licence to be valid only for a limited period, when do you want it to end / /

Provide a general description of the premises

For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off- supplies you must include a description of where the place will be and its proximity to the premises.

The premises is currently licensed for Late Night Refreshment and has previously benefited from a licence to sell alcohol until that licence lapsed in 2017 following the previous owners company becoming insolvent.

Owing to problems with the previous owners and premises licence holder, LKL Harrow LTD, and their inadequate management skills. The decision was taken by the new owners to distance themselves completely from the previous

Continued from previous page...

owners, change the name of the premises, re brand it, and apply for a completely new licence, rather than vary the existing one.

The new owners Eastcote99LTD have employed a manager who has worked at numerous similar establishments, holds a personal licence, and will be the DPS in day to day control of the premises.

The premises is a 120 cover restaurant with options for private dining and pre-booked functions. The business plan for the premises is primarily an Indian food led restaurant with a facility for persons to purchase and consume alcohol if they do not wish to eat. There is no intention for the premises to operate differently from this and reasonable and proportionate conditions have been volunteered to fully promote the 4 licensing objectives. For example: "the premises will be set out at all times with sufficient tables and chairs to seat 120 people"

This application seeks to add sale of alcohol, regulated entertainment and extend the current hours for late night refreshment.

Late night refreshment has been sought until the time the premises closes to the public, the reason for this is to allow hot drinks including tea and coffee to be sold. The last orders for food will ordinarily take place an hour before the premises closes to the public and the applicant is aware of the issues that could be caused by allowing takeaway and delivery services late at night.

An area to the front of the premises, and wholly within the curtilage of the property, is also to be used for the consumption of alcohol and food. No licensable activity will take place here and the area has been marked out in green hatch on the attached plan.

The area will be covered by CCTV and regularly supervised by members of staff. This area will also be used by customers wishing to smoke.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Due regard has been given to the Licensing Act 2003, the revised guidance set out at section 182 (LA2003) Harrow Councils Licensing Policy, and general best practice and guidance from the industry and government.

For ease of reference conditions applicable to sections b - e have all been shown in this section:

1. All staff involved in the sale or supply of alcohol shall receive regular training on current "Best Practice" and their responsibilities under the Licensing Act 2003. Records of the training will be kept in a retrievable format and made available for inspection without undue delay to the Police and authorised officers of the London Borough of Harrow.
2. All windows and doors will be kept closed (except for entry and exit) at all times when regulated entertainment takes place.
3. As per the Mandatory Conditions - The Licensing Act 2003 (Mandatory Licensing Conditions) (Amendment) Order 2014. The age verification policy adopted by the premises will be in line with the current "best practice" recommended by the Police and Licensing Authority.
4. Prominent, clear and legible notices shall be displayed at the entrance/exit requesting patrons to respect the needs of local residents by leaving the premises and the local area without causing any undue disturbance.
5. All bookings for pre booked functions will recorded in either a hard copy written format or electronically and be readily available for inspection without undue delay, following any reasonable request made by the Police or authorised officers from the London Borough of Harrow. The record must contain the full name, date of birth, home address, and contact telephone number of the person booking the event, the nature of the event/celebration and the number of people attending.
6. The premises will be set out with sufficient tables and chairs to seat 120 people at all times, with the exception of pre booked functions. Note: The maximum capacity for the premises is covered by the fire regulatory reforms act and contained within the fire risk assessment document.
7. When SIA door staff are deployed their full name, SIA badge number and the name of the company they are employed by will be recorded in a specific log together with the date and hours they are working. This will be produced by the premises licence holder or their agent, without undue delay, following any reasonable request made by the Police or authorised officers from the London Borough of Harrow
8. All Door Supervisors employed at the entrance/exit of the premises will wear high visibility clothing
9. An incident and refusals log will be kept at the premises and fully maintained to record adequate information detailing any significant incidents and persons refused alcohol. This will include time and date, brief details of the incident, people involved and action taken. This will be signed by the person making the entry and the logs will regularly be checked and countersigned by the Designated Premises Supervisor.
10. Any external smoking area provided for customers will be monitored and controlled by the staff to ensure that the licensing objectives are fully promoted
11. After 22:00hrs all persons under 16 years of age must be accompanied by an adult of 18 years of age or over
12. A digital recording CCTV system will be installed and fully maintained to comply with the following:
 - a) All cameras will be capable of recording images of a quality sufficiently high to identify individuals
