

**LICENSING KEY**  
Licenseable activities

**NOTES:**  
Items shown on this plan which are not part of the statutory requirements are shown for indicative purposes only. This would include loose or fixed furniture in certain circumstances, the position of toilet cubicles, CCTV cameras and fire safety equipment not specified in the Regulations. These are shown upon the plans for illustrative purposes only and may be moved at the discretion of the license holder.

The current location of fire safety equipment and other safety equipment is shown. These may be subject to variation in the future as necessary and where applicable in liaison with the Fire Officer.

**NOTE:**

The Contractor is to check and verify all building and site dimensions, levels and sewer invert levels at connection points before work starts.

This drawing must be read with and checked against any structural or other specialist drawings provided.

The Contractor is to comply in all respects with the current Building Regulations whether or not specifically stated on these drawings.

This drawing is not intended to show details of foundation or ground conditions. Each area of ground relied upon to support the structure depicted must be investigated by the Contractor and suitable methods of foundation be provided.

This drawing is to be read in conjunction with all other standard Mitchells & Butlers specifications and documentation.
