VARIATION

Continued from previous page...

Do you want the proposed variation to have effect as soon as possible?

Yes No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

The premises is a Restaurant with Take away. This has been a restaurant since the onset of the Licensing Act 2003. Recently the premises has been bought by the current licensee and internally they have been altered to relocate the cooking facilities to the front of the shop to suite their current operation. However, this has resulted in a slight increase in number of covers, hence the necessity for a full variation. There are no other changes to the operation at the premises. This is a simply a new layout application with no adverse impact on the Licensing Objectives.

Conditions 1, 2 &3 under the Sale of Alcohol, remain.

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The premises have been operating as a restaurant under the Licensing Act 1964 and was issued a licence under the Licensing Act 2003 under the Grandfather rights. The conditions were assessed at that time by the Transitional provisions as adequate and it is our assessment that the very slight increase in the capacity does not in any way changes those assessments.

Further, as this is a variation for a change in layout, other matters cannot be considered as relevant. Currently the premises licence has no stipulated conditions in Annex 2 or 3.

b) The prevention of crime and disorder

The change in layout does not make any impact on this objective

c) Public safety

The change in layout does not make any impact on this objective

d) The prevention of public nuisance

The change in layout does not make any impact on this objective

e) The protection of children from harm

The change in layout does not make any impact on this objective
