OPERATING SCHEDULE

When do you want the premises licence to start? / /
dd mm yyyy

If you wish the licence to be valid only for a limited period, when do you want it to end / /
dd mm yyyy

Provide a general description of the premises

For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off- supplies you must include a description of where the place will be and its proximity to the premises.

The premises are a existing Turkish style restaurant located at 302 Uxbridge Road. This part of the premises already benefits from an existing premises licence LN/000000819/2015/6 which permits a number of licensable activities. A pre application enquiry with the licensing authority has determined that although there is an existing premises licence for number 302 this proposal will necessitate a new application due to the extensive area for a new restaurant at 298 that is proposed to be created.

Continued from previous page...

The proposal is to extend this part of the premises to incorporate the adjacent premises numbered as 298 to create a double fronted premises that is to be known as Izgara Restaurant. A general arrangement ground floor plan reference S/18/170 REF: 01 is enclosed with this application.

This application provides the following documents:

- (a) a operating schedule,
- (b) a plan of the premises to which the application relates, in the prescribed form, and
- (c) a form of consent in the prescribed form given by the individual specified in the premises licence as the proposed premises supervisor.

This application for a new premises licence seeks the following:

The Retail sale of alcohol (on and off) Mondays to Sundays inclusive, 10:00-00:00,
Regulated entertainment for Live and Recorded Music and Late Night Refreshment Mondays to Sundays inclusive 23:00-00:00.

This application proposes (i) a closing time 15 minutes after licensable activities have ceased, (ii) a seasonal variation to permit all licensable activities from the terminal hour to 02:00 on the morning of New Years Day.

The applicant via his agent and in conjunction with the Secretary of States Revised Guidance April 2018 issued under section 182 of the Licensing Act 2003 have developed a risk assessment in conjunction with the relevant Harrow Council Statement of Licensing Policy to help identify, minimize and where possible mitigate risks associated with crime and disorder, public nuisance and public safety. The applicant has also in line with the Home Office Guidance at section 8.38 sought pre application views and the advice and guidance of the Metropolitan Police Service (Harrow division) as a responsible authority in order to assess advice on local issues relevant to the licensing objectives concerned with crime and disorder and public nuisance.

The findings of the risk assessment and pre application enquiry with the named responsible authorities have been applied to formulate a set of specific and pertinent licensing conditions as part of the proposed operating schedule as set out in section 18 of this application in order to promote the 4 licensing objectives.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
