

St. John Fisher Catholic Primary School

Growing and Learning Together with Christ

ADMISSIONS POLICY Academic Year 2019/20

St. John Fisher Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education is fully supported by all families in the school. All applicants are therefore expected to give their full, unreserved and positive support for the aims and ethos of the school.

The published Admission Number (PAN) for September 2019 is 90. Applications are invited from families whose child was born between 1st September 2014 and 31st August 2015.

The admission of pupils with an Education, Health and Care Plan and Care Plan (EHC) is dealt with by a completely separate procedure. This procedure is integral to making and maintaining EHC Plans by the pupil's home Local Authority. Details of this separate procedure are set out in the Special Educational Needs Code of Practice. Children with this school named in their EHC Plan will be admitted to the school.

Reception Class Application:

Application for admission to Reception Class must be made online on your local authority website. You can apply to schools in other boroughs by naming them on your application form but you must complete only one form which should be from the borough you live in.

Additionally, to enable the correct oversubscription criteria to be applied, all applicants should also complete the school's Supplementary Information Form (SIF). This is available to download from the school website, www.stjohnfisherschool.co.uk or from the Harrow Council website. The Certificate of Catholic Practice should be completed for those applying under criteria 2, 3, 4 and 5. The Certificate can be obtained from the priest at the parish where the family normally worships and is also available from the diocesan website (follow school, parents). The Certificate should be returned to the school with the SIF. It is the responsibility of the applicant to ensure that these forms are submitted to the school by 15th January

The Supplementary Information Forms with the completed Certificate of Catholic Practice (where applicable) should be returned to St. John Fisher School by the closing date.

The closing date for all applications is 15th January 2019. Offer notification letters will be sent out by the Local Authority on 16th April 2019.

In the event of submitting false information, the governors reserve the right to withdraw the place.

In-Year Admissions:

In-year applications are made directly to the school, using a Common Application Form, Supplementary Information Form and Certificate of Catholic Practice (if applicable). If a place is available and there is no waiting list then the governing body will make an offer. Alternatively, if there is a waiting list, applications will be ranked in accordance with the oversubscription criteria.

If a place cannot be offered at this time then you may ask us for the reasons and you will be informed of your right of appeal. You will be offered the opportunity of being placed on a waiting list. This waiting list will be maintained by the governing body in the order of the oversubscription criteria and not in the order in which the applications are received. When a place becomes available the governing body will make an offer to the applicant at the top of the waiting list.

Fair Access Protocols

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admissions round the governing body is empowered to give absolute priority to a child where admission is requested under any local protocol that has been agreed by both the Diocese and the governing body for the current school year. The governing body has this power even when admitting the child would mean exceeding the published admission number.

ADMISSIONS AND OVERSUBSCRIPTION CRITERIA

If the year group is oversubscribed places will be allocated according to the following criteria:

1. Catholic looked after children and Catholic children who have been adopted, or made subject to child arrangements orders or special guardianship orders, immediately after having looked after.
2. Baptised Catholic children with a Certificate of Catholic Practice who have a sibling at the school at the time of admission.
3. Baptised Catholic children with a Certificate of Catholic Practice resident in the parish of St. John Fisher Church.
4. Baptised Catholic children with a Certificate of Catholic Practice resident in the parish of St. Luke's Church.
5. Baptised Catholic children with a Certificate of Catholic Practice resident in any other parish.
6. Any other Baptised Catholic child, with priority given to Catholic siblings.
7. Other 'looked after' children and other children who have been adopted or made subject to child arrangements orders, immediately after having been looked after.
8. Non-Catholic children who have a sibling at the school at the time of admission.
9. Children of other Christian denominations whose application is supported either by a certificate of baptism or a letter from their minister confirming membership of that faith community.
10. Any other child.

Certificate of Catholic Practice: Means a certificate given by the family's parish priest (or the priest in charge of the church where the family practices) in the form laid down by the Bishops' Conference of England and Wales.

Exceptional Need: The Governing Body will give top priority, within a criterion, to an application where compelling professional written evidence, from a medical consultant or senior social worker, is produced at the time of application of a social or medical need of the child or family which can only be met at this school.

Non-Catholic Siblings: Parents of children within criteria 7, 9, and 10 must be aware that younger siblings will not qualify under criterion 2, as priority will be given to Catholic children. Non-Catholic sibling applicants will be placed in criterion 8.

Tie Breaker: Where the offer of places to all the applicants in any of the sub-categories listed above would lead to oversubscription, the places up to the admission number will be offered to those living nearest to the school. Where two or more families live equidistant from the school places will be offered by random allocation i.e. lottery in the presence of an independent witness.

Parish Boundaries: For the purposes of this policy parish boundary maps are available on the school website, www.stjohnfisherschool.co.uk or from the school. If you require further clarification please contact the Parish Priest.

Twins and Multiple Births: In cases where multiple siblings tie for the last available space, all will be offered a place, even if this exceeds the planned admission number. Where multiple births are concerned and one child has a statement of SEN that names St John Fisher School, the other siblings will be treated as having a sibling link for that academic year.

Reception Year Deferred Entry: Applicants may defer entry to school up until statutory school age i.e. the first day of term following the child's fifth birthday. Application is made in the usual way and then the deferral is requested. The place will then be held until the first day of the spring or summer term as applicable. Applicants may also request that their child attend part-time until statutory school age is reached. Entry may not be deferred beyond statutory school age or beyond the year of application, therefore applicants whose children have birthdays in the summer term may only defer until the 1st April 2020.

Summer Born Children: Parents may apply for children born between 1st April – 31st August 2015 to start Reception in the summer following their fifth birthday. The request should be submitted in writing to the Chair of Governors by 15th January 2019 and an application made in the usual way. The application will be ranked with all other applications and there is no guarantee that an offer will be made.

Admission of Children Outside their Normal Age Group (except summer born applications for Reception):

Any application for a child to be educated out of his/her age group will be considered by governors on an individual basis and will only be granted in exceptional circumstances. Parents should write to the Chair of Governors during the autumn term in the (academic) year of application, giving reasons and providing compelling professional evidence. If governors give permission for the child to be educated out of his/her normal age group, parents must submit an application in the normal way. This application will be treated in the same way as all other applications and there is no guarantee that an offer will be made.

Parents have a statutory right to appeal against the refusal of a place at the school. This right does not apply if they are offered a place at the school but it is not in their preferred age group.

In addition to their right of appeal, unsuccessful candidates will be offered the opportunity to be placed on a waiting list. This list will be maintained in order of the oversubscription criteria set out in the policy and not in the order in which applications are received or added to the list. The waiting list will be updated every two years at the end of the school year. You will be contacted by letter asking you to confirm whether or not you wish to remain on the list.

Interpretation of Terms used in the Admission Policy and Oversubscription Criteria.

1. **Catholic** means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a priest's reference demonstrates that the child would have been baptized or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family). To confirm your Church is in communion with the See of Rome please see table below.
2. **Looked after child** has the same meaning as in S.22 of the Children's Act 1989, and means any child in the care of a local authority or provided with accommodation by them (e.g. children with foster parents at the time of making an application to the school).
3. **Adopted:** Adopted means a child who has been adopted from care and whose parents can give proof of this status.
4. **Child Arrangements Order:** A Child Arrangements Order is an order settling the arrangements to be made as to the person with whom the child is to live.
5. **Special Guardianship Order:** A special guardianship order is an order under the terms of the Children Act 1989 s.14A which defines it as an order appointing one or more individuals to be a child's special guardian(s).
6. **'Certificate of Catholic Practice'** means a certificate issued by the family's parish priest (or the priest in charge of the church where the family attends Mass) in the form laid down by the Bishops' Conference of England and Wales. It will be issued if the priest is satisfied that at least one Catholic parent or carer (along with the child, if he or she is over seven years old) have (except when it was impossible to do so) attended Mass on Sundays and holy days of obligation for at least five years (or, in the case of a child, since the age of seven, if shorter). It will also be issued when the practice has been continuous since being received into the Church if that occurred less than five years ago. It is expected that most Certificates will be issued on the basis of attendance. A Certificate may also be issued by the priest when attendance is interrupted by exceptional circumstances which excuse from the obligation to attend on that occasion or occasions. Further details of these circumstances can be found in the guidance issued to priests
<http://rcdow.org.uk/education/governors/admissions/>

7. **“Children of other Christian denominations”** means children who belong to other churches and ecclesial communities which, acknowledge God’s revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God’s will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

8. **Sibling** means a child’s brother or sister living at the same address. The sibling priority does not include cousins or other extended family members who live in the same household, but will include half siblings, step siblings and foster children.
9. **Distance** is measured by the local authority in a straight line from home to the centre point of the school site using a computerised mapping system based on ordinance survey data.
10. **Home Address:** Where the child resides for more than 50% of the school week.
