All Pre-schools, Playgroups and Nurseries are registered and inspected by Ofsted (Office for Standards in Education, Children's Services and Skills) under the Childcare Act 2006; either as full or sessional daycare, or as part of an independent school with a nursery. They have to meet the welfare, learning and development requirements of the Early Years Foundation Stage (EYFS). The EYFS is a statutory framework that sets standards to enable early years providers to deliver individualised learning, development and care that enhances the development of the children in their care, and gives those children the best possible start in life. The EYFS is divided into four themes: a unique child, positive relationships, enabling environments and learning and development.

You can discuss this framework further with the provider to find out how it works within the setting. Each setting will operate differently so look around for one that suits both.

### **Ofsted reports**

Inspections are carried out with little or no notice to evaluate the quality and standards of the provision and to check that the group is continuing to meet their registration requirements and any conditions imposed. Inspection reports are available to view at the group or can be found on the Ofsted website [www.ofsted.gov.uk](http://www.ofsted.gov.uk).

Ofsted will inspect a random selection of all those on the Childcare Register and will always inspect if a complaint is received that relates to the requirements of registration.

### **Quality indicators**

When you visit a possible Pre-school group or Day Nursery, look for these quality pointers. Try to give yourself enough time to visit several groups to get a good idea of what may suit your child. Don't forget you know your child best, so trust your feelings.

#### **The childcare setting**

- ❖ what is the staff/child ratio?
- ❖ what checks are taken on the staff to ensure they are suitable to care for children?
- ❖ is there a member of staff qualified in first aid staff present at all times?
- ❖ how many staff appropriate childcare qualifications?
- ❖ do you have any references from parents with children at the nursery?
- ❖ is the Ofsted registration certificate displayed?
- ❖ what procedures are in place to allow my child to settle in?
- ❖ are the children safe, calm and happy?
- ❖ are the children's paintings and other work displayed on the walls at children's height?

#### **The staff**

- ❖ how long have you been working with children?
- ❖ are staff listening to children and answering them carefully?
- ❖ how will I be informed of my child's progress?
- ❖ are the staff welcoming, joining in with what the children are doing, and are the children encouraged to ask questions of their own??

#### **Activities and services**

- ❖ is there a garden that is safe for the children to play in?
- ❖ if there is no outside play area, where do children play in the fresh air?
- ❖ where will my child rest?
- ❖ what kind of food and drink will you provide?
- ❖ are you able to meet our dietary needs?
- ❖ what will my child do all day?
- ❖ what toys and books are available?
- ❖ are there lots of activities planned to help children learn through play?

- ❖ can children initiate some of these activities themselves?
- ❖ which festivals and special occasions do you celebrate and how do you celebrate them?

### **Discipline**

- ❖ what do you consider to be unacceptable behaviour?
- ❖ how would you handle this behaviour?
- ❖ have you, or would you, ever smack a child in your care?
- ❖ Is there a written policy available, if so ask to see it?

### **Safety**

- ❖ are the premises clean, well kept and safe for children?
- ❖ what would you do in the event of an accident or emergency either to you or my child?
- ❖ what safety features are there, for example, stair gates, socket covers, finger guards on doors?
- ❖ do you have visitor control systems in use?

### **Pay and conditions**

- ❖ ask about opening hours, age of children?
- ❖ do you offer part time care?
- ❖ what are your charges for hourly, daily or weekly care?
- ❖ do you offer a reduction for two or more children from the same family?
- ❖ what would happen if I signed the contract and my circumstance changed, meaning that I no longer required childcare?
- ❖ do you need a deposit if care is not needed immediately, how much would it be?
- ❖ what do I do if I know I'm going to be late, is there a charge?

### **What to look for when choosing a daycare?**

Visit the setting to get a feel for the day-to-day routine, and take your child with you to see whether he/she will like it; and if possible, make a return visit so you can see the setting at different times during the day and week. Look around the building inside and outside, ask as many questions as you need to and don't feel guilty about revisiting or taking someone with you. Don't forget you know your child best, so trust your feelings.

It's important your child is offered a number of creative and stimulating experiences throughout the day, within a friendly environment.

Always take up references. You could ask for names of other parents/carers to talk to about your chosen childcare.

Ask about terms and conditions i.e. what is included in the fees, whether a deposit is required and whether it is returnable or used to offset fees, notice period, holiday and sickness pay, retainer fees, contract review periods etc. before signing anything.

Once you have found your childcare, your child will need to become familiar with a new routine. A good provider will always offer a settling in period which should be included as part of your contract. Prepare your child for the changes and reassure them. No matter how old your child is, it can be difficult to leave them and it will take time to adjust.

## **Types of Daycare**

**Day Nurseries:** provide full or part time childcare, in a setting. Many take babies from three months up to five years all year round; sessions usually start from 8am to 6pm. They could be run by local authorities, voluntary organisations, private companies, individuals or by employers. The day is usually structured and busy, interspersed with nap times and quiet times. Generally the cost is more expensive than a childminder but cheaper than a nanny.

**Pre-school Playgroups / Nursery Schools:** provide part time childcare for children between two and a half and five years old. Most offer half-day sessions. Not all are open all day or for the whole week but some do provide longer hours.

**Nursery Classes/Schools:** provide early education and childcare on the school premises. They are generally for three and four year olds. They are staffed by teachers and assistants and offer full and half days, usually between 9am to 3.30pm during the school year. Nursery classes attached to state-run schools are free. Most parents will choose a nursery attached to their school of choice although this does not guarantee entry into the reception class the following year. A morning or afternoon session is usually three hours. Nursery classes attached to independent schools are not free.

**Montessori:** provide full or part time education and childcare. The day normally consists of structured uninterrupted learning. Children are given the time, space and encouragement to become fully absorbed in an activity, sometimes referred to as “work”.

Listen to your child and find out more if s/he seems unhappy. Always trust your own feelings about your childcare – you know your child best.

If there are any other issues that you’d like to discuss, do not be afraid to ask. Any good childcare setting will welcome such questions, and staff should be willing and able to answer them.

Not every setting will match your child’s personality, so be prepared to look around. Don’t get disheartened – there’s a suitable childcare setting out there for you and your child and **most operate a waiting list**. A deposit/retainer fee may be required.

**Remember to sign an agreed contract prior to your child/children starting; and it is legally binding.** If you do not have a signed contract you will have nothing to support you if you feel that the arrangement is not turning out as you expected.
