# Targeted Block Inclusion Funding

## The Harrow Early Years Targeted Block Inclusion Fund Spring 2020

LB Harrow supports the overarching principles of the SEND Code of Practice (2015) through an integrated strategy: the Inclusion Fund is part of that strategy. Through early identification of need and high quality, targeted intervention we deliver better outcomes for children with emerging SEND.

The purpose of this Targeted Block Inclusion Fund is to support and improve the progress and attainment of all 3 & 4 year old children with SEND in Literacy and Numeracy.

Childminders, private, voluntary and independent nurseries, and school nurseries are invited to apply for this targeted funding for children on their HEY SEND register who are 3 or 4 years of age and in receipt of universal funding.

Application is by the completion and submission of this form together with a copy of your HEY SEN register.

You will be required to submit impact statement within specified time scale of the progress the child makes due to the intervention.

### What you have already done...

You already provide a stimulus-rich and inclusive learning environment that meets the needs of most children with additional needs, by differentiating the learning activities and experiences.

Even with this quality first teaching, the child with emerging SEND will be unable to learn and develop without significant support.

This child will not be making the expected progress in one of the areas of learning and development-

Personal, Social and Emotional Development  
Physical Development  
Communication and Language  
Literacy  
Numeracy  
Understanding the World  
Expressive Arts and Design

You will have contacted the Early Years Team for SEND support already.

You will have had a discussion with the parent/carers of the child about the difficulties s/he is experiencing and also his or her strengths.

You will have co-produced with colleagues and parents, a high quality, evidence based intervention in Numeracy/Maths, Literacy, Communication & Language support plan.

The parent/carers will have given their permission for their child to be added to your SEND register.

# Targeted Block Inclusion Funding

## Now...

Download the Targeted Block Inclusion Funding form & HEY SEND register form from Harrow Early Years Website.

Complete and send both forms to [Inclusionfunding@harrow.gov.uk](mailto:Inclusionfunding@harrow.gov.uk) using Egress to make the email secure.

Send the application form by the due date of **12<sup>th</sup> February 2020**

Monitor the child's progress in whatever system you currently use, and assess the impact of the funded intervention.

You will be required to submit an impact statement of the child's progress **within 3 months** of you receiving the funds to show impact/outcomes of the intervention/resources. If not received within the specified time period it will affect any future funding.

## Then...

Applications will be reviewed by Harrow Early Years panel on **24<sup>th</sup> February 2020**.

The child's details will be added to the Area SENCo's SEN register, if the child has not previously been on the register.

If this child has not previously been on the register, you will be contacted, visited and invited to a 'SENCO Surgery' in your ward to discuss the child's support plan and interventions.

Applications which address children's specific needs, are costed, time-framed and evidence-based will be approved **for this academic year (2019/2020)**.

The funding is targeted to those named children, and if it is not spent while those children are in your settings, we will take action to redeem the funds.

Harrow Early Years panel will meet on **24<sup>th</sup> February 2020** to review the applications.

Applicants will be informed of decisions by **2<sup>nd</sup> March 2020**.

Successful applications will then be sent for payment and payments will be made on **13<sup>th</sup> March 2020**.
