OPERATING SCHEDULE

When do you want the premises licence to start? / /
dd mm yyyy

If you wish the licence to be valid only for a limited period, when do you want it to end / /
dd mm yyyy

Provide a general description of the premises

For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.

The premises are to be known as Two Peas food delivery and collection kitchen located within a parade of commercial premises on Streatfield Road within the London Borough of Harrow. The premise comprises of a double storey building spread over a ground floor area of 64.3m² with a retail zone and to the rear an external yard area.

The premises previously traded as Chai Naasto a restaurant with on sales of alcohol and a limited takeaway service. The

Continued from previous page...

previous licence holder went into voluntary liquidation and the previous licence lapsed.

This application is for a new concept that seeks the following licensable activities:

- (i) Retail sale of alcohol (off the premises)
- (ii) Provision of late night refreshment

This application differs from the previous traditional concept of a restaurant as it is a food delivery and collection kitchen. This concept means that the premises does not operate as a restaurant with no eat in customers and only provides food (main meals and desserts) and at present non-alcoholic beverages from the Two Peas website (<https://www.two-peas.co.uk/>) or via one of the delivery service platforms such as Uber Eats, Just Eat, Deliveroo or the applicants own delivery service.

Details of the premises layout and design are illustrated by the general arrangement plan drawing number 11001100 dated 24 June 2020 deposited with this application. The rear areas shall be for the exclusive operation of the kitchen and preparation storage. The front area shall be designated for orders and collection.

As a delivery and collection only service the applicant seeks to provide for off sales of alcohol to its food menu Monday to Sundays inclusive between the hours of 10:00 - 05:00 and for the provision of hot food and beverages - note that the applicant may elect not to use these timings. The applicant has determined that they would like the flexibility as a delivery and collection only service to be able to retail alcohol for off sales without it being ancillary to a meal.

The applicant via his agent and in conjunction with the Home Office Revised Guidance April 2018 issued under section 182 of the Licensing Act 2003 has sought advice and guidance from the Metropolitan Police Service as experts on matters of crime and disorder and Harrow Council about control measures as licensing conditions to help identify, minimize and where possible mitigate risks associated with crime and disorder, public nuisance, and promote public safety and protection of children from harm. The pre application enquiries have helped to formulate a set of licensing conditions as part of the operating schedule as set out in section 18 of this application in order to try and promote the 4 licensing objectives and the licensing authority's statement of licensing policy.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
