

Estate Inspection Dates Table - April 21 - March 22

The Council carries out formal inspections of each housing estate. A list of inspection dates are shown below.

These inspections cover all aspects of communal repairs and estate-based services such as internal block clearing, caretaking and grounds maintenance.

Until July 2021 these inspections will be carried out by Housing Officers alone, without Councillors or residents, in line with government guidelines. However, it is anticipated that after July 2021, residents and Councillors can once again join the Housing Officers on these Inspections.

In the meantime, if you wish to report anything on your estate needing action, you can do this by emailing us on:

housing.residentservices@harrow.gov.uk

Thank you for helping us keep the estates in a clean and tidy state

WARNING Please always keep a 2-metre distance from front line staff, wear a mask (unless exempt) and avoid gathering in Communal Areas – help keep everyone safe!

Housing Estate(s)	Roads and blocks	HOUSING OFFICER	1st Round 2020/21	2nd Round 2020/21	Time	Meeting Place
