**THE LONDON BOROUGH OF HARROW (GRANGE FARM ESTATE REGENERATION PHASES 2 AND 3)
COMPULSORY PURCHASE ORDER 2020**

This letter constitutes an objection on behalf of Cadent Gas Limited (Cadent) to the above proposed Order.

Cadent wishes to submit a holding objection in respect of existing gas apparatus and land interests located within the Order limits for which Cadent will require appropriate protection including compliance with the relevant standards for works proposed within close proximity of its apparatus to ensure the continued safe operation of the gas network.

Cadent infrastructure within or in close proximity to the proposed CPO Limits:

- Low pressure gas mains, services and associated above and below ground apparatus

Where the Promoter intends to acquire land, utilise land temporarily, extinguish rights, or interfere with any of Cadent's apparatus, Cadent will require appropriate protection and further discussion with the Promoters to fully understand the impact to apparatus and rights.

Cadent therefore wishes to protect its position in light of existing infrastructure which is within the proposed CPO boundary until an Asset Protection Agreement is in place. Cadent's rights to retain its apparatus in situ and rights of access to inspect, maintain, renew and repair such apparatus located within or in order limits should be maintained at all times and access to inspect such apparatus must not be restricted

Yours Faithfully
