Dear Sir

Re: The London Borough of Harrow (Grange Farm Estate Regeneration Phases 2 and 3) Compulsory Purchase Order 2020

We have been instructed by The Reserve Forces' and Cadets' Association for Greater London (RFCA for Greater London) in connection with The London Borough of Harrow (Grange Farm Estate Regeneration Phases 2 and 3) Compulsory Purchase Order 2020 (the Order) and, in particular, in respect of the land comprised in the parcels or areas numbered 75 and 76 on the order map.

Statutory Background and Ownership

The Order purports to authorise the compulsory purchase of all interests in those areas or parcels numbered 75 and 76 on the order map except those owned by The Secretary of State for Defence.

The Order is purportedly made under and for the purposes of section 226(1)(a) of the Town and Country Planning Act 1990 (TCPA 1990). However, as you are doubtless aware it is expressly provided by section 226(2A) that the Secretary of State must not authorise the acquisition of any interest in Crown land unless (a) it is an interest which is for the time being held otherwise than by or on behalf of the Crown and (b) the appropriate authority consents to the acquisition. It is provided by section 226(9) that Crown land must be construed in accordance with Part 13, TCPA 1990 which also defines the term "the appropriate authority". We apprehend that it is precisely because of section 226(2A) that the Order excludes the interests in the areas or parcels 75 and 76 of the order map owned by The Secretary of State for Defence.

Parcel or area 75 on the order map is registered land. The freehold land is registered under title number MX259129. The proprietor of the registered freehold land is The Secretary of State for Defence. It, therefore, follows, as you must concede, that the Order does not by its express terms apply to the freehold interest in area or parcel 75 on the order map and, indeed, it could not do so. Since we assume that the Council is aware that the freehold interest in area or parcel 75 is owned by The Secretary of State for Defence we request that you explain forthwith why the Council has purported to include area or parcel 75 in the Order at all.

gunnercooke llp is a limited liability partnership registered in England and Wales with registered number OC355375. It is authorised and regulated by the Solicitors Regulation Authority ID 546420. A list of the members of the llp is displayed at the registered office: 1 Cornhill, London EC3V 3ND, together with a list of those non-members who are designated as partners. Any reference to a partner means a member of the llp or an employee or consultant of equivalent standing and qualifications.

We shall refer to the position of our client, RFCA for Greater London, below but before doing so we refer to the position concerning area or parcel 76. It appears that area or parcel 76 is unregistered land although we shall further investigate its ownership and status. We are instructed that the parcels 75 and 76 comprise part of a larger area of land, being a substantial part of what is now known as Grange Farm Estate, which belonged to the Ministry of Defence and which was sold to the Council in or about 1973 or 1974. Prior to that sale the whole of the land in question was a Territorial Army site. Upon selling the greater part of the former Territorial Army site to the Council the Ministry of Defence retained the freehold land comprised in parcels 75 and 76 in order that the land so retained could continue to be used by the Air Cadets. Although, as we have stated, we shall further investigate both the ownership and status of area or parcel 76 it appears to be almost inevitable, having regard to our instructions as to the history, that the freehold interest in area or parcel 76 is also owned by The Secretary of State for Defence.

RFCA for Greater London

RFCA for Greater London manages both parcels 75 and 76 as a single unit of occupation as an Air Cadet Centre for the benefit of the local Air Cadets, Squadron (Harrow) 1454.

All of the RFCAs are established by the Reserve Forces Act 1996, each with its own scheme of association drawn up by the Defence Council under that Act. Each of the RFCAs, including our client, is a statutory service arm of the Ministry of Defence regulated by and under the command of the Defence Council. It is, therefore, a central government body with Crown status. The subordinate interest of the RFCA for Greater London in both of the parcels of land 75 and 76 is a statutory interest and also, therefore, a Crown interest as defined by section 293(1), TCPA 1990. Accordingly, by virtue of section 226(2A) and (9), TCPA 1990 the Secretary of State must not authorise the compulsory acquisition of any such subordinate interest either.

Even if the RFCA for Greater London were not a statutory body with Crown status, though clearly it is, it manages and occupies parcels 75 and 76 as a Cadet Centre on behalf of the Crown so that proviso (a) in section 226(2A) is not satisfied. As for (b), even were it relevant (which it is not because (a) is not satisfied), we see absolutely no prospect whatsoever of The Secretary of State for Defence consenting to the acquisition of the subordinate interests under section 226(2A). The Secretary of State for Defence holds the freehold interest for the very purpose of providing land and accommodation for the Air Cadet Centre in this location. Cadet Centres are an important and valuable resource for the country, the community, for youth and the armed forces. By contrast, the Council proposes to demolish the local Cadet Centre in order merely to widen the existing footpath (which is also described as adopted highway) and add some landscaping.

Further, and entirely and strictly without prejudice to all that we have set out above, but as appears above, we consider that the Council has not made out any case, still less a compelling case, for the compulsory acquisition of parcels 75 and 76. Even if you disagree with that assertion, we cannot see what case the Council can possibly make for the compulsory acquisition of parcel 76 without parcel 75 (even if, which is denied, that could be authorised) or for the compulsory acquisition of our client's subordinate interests in either parcel or area (even if, which is denied, that could be authorised) when the Council cannot acquire the freehold interest in the land because it is owned by The Secretary of State for Defence.

What we have set out above includes the land in parcel 96 insofar as our client has an interest therein and all of the rights, including but not limited to rights of way, listed in Table 2 of the Order as regards parcels 69 and 96 on the order map and all other rights listed in Table 2 as are for the benefit of the land in parcels 75 and 76 or either of them, as the case may be, or for the benefit of 84 Northolt Road (the Rights).

Request for Confirmation of Exclusion of Areas/Parcels 75 and 76 and 96 and the Rights from the Order

For all of the above mentioned reasons, it ought to be clear to the Council that all of the interests in areas or parcels 75 and 75 on the order map comprise Crown land and the Council is not able to proceed compulsorily to acquire that land by virtue of the provisions of section 226(2A) and (9) and Part 13, TCPA 1990. The same applies to the interests of the Secretary of State for Defence and the RFCA for Greater London in parcel 96 and in and the benefit of the Rights. Therefore, we call upon the Council to confirm unconditionally and irrevocably that all interests in areas or

parcels 75 and 76 on the order map are excluded from the Order together with all interests of the Secretary of State for Defence and the RFCA for Greater London in parcel 96 and in and the benefit of the Rights , that the Council shall forthwith take all necessary steps to exclude those areas or parcels and those interests and benefits of the Rights from the Order and that the Council will not seek the confirmation of the Order insofar as concerns areas or parcels 75 and 76 and all interests of the Secretary of State for Defence and the RFCA for Greater London in parcel 96 and in and the benefit of the Rights. We require that written confirmation by 4.30pm, this Friday 30 October 2020.

Even with that confirmation it may be necessary for our client to give notice of objection but it can be shortened by reference to such confirmation. However, we should make it clear that in the absence of such confirmation notice of objection will certainly be given and at or in relation to the ensuing public inquiry we shall seek a full order of costs against the Council in favour of our client.

Without Prejudice to the above – Plot 7

Strictly and entirely without prejudice to all that we have set out above, for the purpose of the notice of objection, we require additional information in relation to Plot 7 which is where, according to the Statement of Reasons, the Council has attempted to make provision, albeit wholly inadequate and inappropriate, for the Air Cadets. First, if you have any up to date plan or plans of the proposed building within Plot 7 please provide us with copies forthwith. In any event, please let us have the following information:

- how many storeys is it envisaged the building at Plot 7 will comprise;
- on which floor or floors is the proposed accommodation for the Air Cadets to be located;
- precisely where in the building is the accommodation for the Air Cadets to be located (if, as hitherto, it is to be at the end of the building please confirm and specify which end);
- precisely what other accommodation, including any residential accommodation, is to be included in the building at Plot 7;
- has any parking provision been proposed for the Air Cadets and, if so, what and for what type of vehicles.

We await your full reply.

Yours faithfully

Dear Sirs

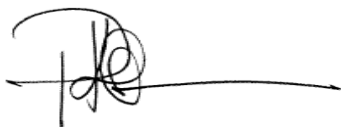

**THE LONDON BOROUGH OF HARROW (GRANGE FARM ESTATE REGENERATION PHASES 2 AND 3)
COMPULSORY PURCHASE ORDER 2020 ("the Order")**

We act for the London Borough of Harrow (the **Council**) being the acquiring authority for the purposes of the Order.

Thank you for your letter dated 27 October 2020 addressed to the Director of Legal and Governance Services in relation to the Order. We note your request for confirmation of certain matters set out in your letter by 4:30 pm on Friday of this week, 30 October. While our client and their advisors are already investigating the issues you have raised, our client will not be in a position to provide a substantive response in such a short period of time. In the event of the Council not being able to provide a full response to your letter during the week commencing 2 November, we will provide you with an update.

Please note that this will not prejudice your client's position in relation to being entitled to submit an objection to the Secretary of State as the Council has extended the period for submission of objections to the Secretary of State by a further three weeks, i.e. from 5 November until **26 November 2020**. This extension will be confirmed to your client, amongst others, in the coming days in writing but, for the avoidance of doubt, please treat this letter as confirmation of the extension.

Yours faithfully

Dear Sir

Re: The London Borough of Harrow (Grange Farm Estate Regeneration Phases 2 and 3) Compulsory Purchase Order 2020 ("the Order")

We acknowledge receipt and thank you for your letter dated yesterday in reply to our letter dated 27 October 2020 in connection with the Order.

We note what you have written by way of interim response and, in particular, we note the extension of time to 26 November 2020 for notices of objection to the Order to be submitted to the Secretary of State. We rely and shall continue to rely upon the extension of time which you have confirmed.

We take this to constitute an amendment to the notice served by the Council on our client in respect of the Order pursuant to section 12 of the Acquisition of Land Act 1981. We so state because we are not aware of any other procedure to extend the time specified in such a notice other than by way of amendment of the notice itself.

We also observe that you will either provide us with a full response to our letter during the course of next week or, if not, you will provide us with an update next week.

Yours faithfully

Dear Sir or Madam

CORRECTION

NOTICE OF MAKING OF THE LONDON BOROUGH OF HARROW (GRANGE FARM ESTATE REGENERATION PHASES 2 AND 3) COMPULSORY PURCHASE ORDER 2020

We refer to our letter to you dated 24th September 2020 and its enclosures in relation to the above-named Order.

It has come to my attention that the letter and the enclosed statutory notice (informing you of the making of the Order) contained an error, i.e. both documents provided an incorrect email address for submitting objections to the Secretary of State for Housing, Communities and Local Government.

Please note that:

- (i) the correct email address for submitting objections to the Secretary of State for Housing, Communities and Local Government at the **National Planning Casework Unit, 5 St Philips Place, Colmore Row, Birmingham, B3 2PW** is pcu@communities.gov.uk
- (ii) the deadline for submitting objections has been extended until **26 November 2020**.

If you have already submitted an objection by email prior to receiving this letter please re-send it to the Secretary of State for Housing, Communities and Local Government at the **National Planning Casework Unit, 5 St Philips Place, Colmore Row, Birmingham, B3 2PW** via pcu@communities.gov.uk by no later than **26 November 2020**.

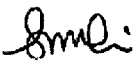

The statutory notice (see **enclosed**) has been amended accordingly.

Please accept our sincere apologies for this error.

If you would like to discuss the Order or anything mentioned in this letter, please contact me, Gail Sargvon, or my colleague, Salome Irungu, by email to grangefarmregen@harrow.gov.uk or by telephone on 020 84247654.

COMPULSORY PURCHASE ORDER 2020**

**Section 226(1)(a) of the Town and Country Planning Act 1990
The Acquisition of Land Act 1981**

THIS NOTICE CORRECTS A PREVIOUS NOTICE AS DESCRIBED HEREIN

1. The London Borough of Harrow made on the 17 September 2020 the London Borough of Harrow (Grange Farm Estate Regeneration Phases 2 and 3) Compulsory Purchase Order 2020 ("Order") under section 226(1)(a) of the Town and Country Planning Act 1990 and the Acquisition of Land Act 1981. It is about to submit this Order to the Secretary of State for Housing, Communities and Local Government for confirmation, and if confirmed, the Order will authorise the London Borough of Harrow to purchase compulsorily the land described below for the purpose of facilitating the carrying out of development, redevelopment or improvement of Grange Farm Estate to provide new dwellings and community facilities.
2. A copy of the Order, the schedule and the accompanying map have been deposited and may be viewed:
 - (i) on the Council's website at <https://www.harrow.gov.uk/grangefarm>
 - (ii) during normal working hours at **Main Reception, Harrow Council, Civic Centre, Station Road, Harrow, HA1 2XY**
3. If no relevant objection as defined in section 13(6) of the Acquisition of Land Act 1981 is made, or if all such objections made are withdrawn, or if the confirming authority is satisfied that every objection made relates exclusively to matters of compensation which can be dealt with by the Upper Tribunal (Lands Chamber), the confirming authority may confirm the Order with or without modifications.
4. In any other case where a relevant objection has been made which is not withdrawn or disregarded, the confirming authority is required, before confirming the Order either:
 - (i) to cause a public local inquiry to be held; or
 - (ii) to afford to the objector an opportunity of appearing before and being heard by a person appointed by the confirming authority for the purpose; or
 - (iii) with the consent of the objector to follow a written representations procedure.
5. The confirming authority may then, after considering the objection(s) and the report of the person who held the inquiry or hearing or considered the written representations, confirm the Order with or without modifications. In the event that there is no objection, whether by a qualifying person or otherwise, the confirming authority may in certain circumstances permit the acquiring authority to determine confirmation of the Order.

6. Any objection to the Order must be made in writing to the Secretary of State for Housing, Communities and Local Government at the National Planning Casework Unit, 5 St Philips Place, Colmore Row, Birmingham, B3 2PW (pcu@communities.gov.uk) no later than 26 November 2020 and should state the title of the Order, the grounds of objection and the objector's address and interests in the land.

Correction: In its notice previously sent to you relating to the Order the Council provided an incorrect email address for submitting objections to the National Planning Casework Unit. This notice confirms that the correct email address is pcu@communities.gov.uk and extends the deadline for submission of objections until 26 November 2020. If any objections have already been submitted by email to the National Planning Casework Unit prior to the date of receipt of this notice such objections should be re-sent to the National Planning Casework Unit via pcu@communities.gov.uk by no later than 26 November 2020.

Dear Sir

Re: The London Borough of Harrow (Grange Farm Estate Regeneration Phases 2 and 3) Compulsory Purchase Order 2020 ("the Order")

We thank you for your letter dated 6 November 2020.

We appreciate that the Acquiring Authority has extended the time for submission of objections to the confirmation of the Order until 26 November 2020 and we continue to rely upon that extension of time. Nonetheless, you will appreciate that we do not want to find that the greater part of the extended period is taken up with our awaiting a substantive reply from you to the letter which we wrote to the Acquiring Authority on 27 October 2020. In this context, we remind you that it is the duty of an Acquiring Authority to ascertain and consider all material facts before deciding whether to make the Order and before making it. The principle established in *Secretary of State for Education v Tameside MBC* [1977] AC 1014 that public authorities should not take decisions in ignorance of material facts applies as much to the making of a Compulsory Purchase Order as any other administrative decision and, indeed, arguably more so. Therefore, the investigation of the matters which you state the Council and its advisors are continuing to make are matters which it most certainly should have investigated before making the Order.

In all the circumstances, it is both appropriate and reasonable that we set a new deadline and we do so. We require the Council's full and complete substantive reply to our letter to it dated 27 October 2020 by no later than 5.30pm this Friday, 13 November 2020. By then, the Council will have had 13 working days to provide such a reply. If such reply is not received by that date and time then the consequences set out in our said letter to the Council will apply.

Further, without prejudice to the above and also to what we wrote in the earlier sections of our letter dated 27 October 2020, the additional information which we requested in that letter under the sub-heading, "Without Prejudice to the above - Plot 7" should require no investigation whatsoever. It should, and we believe must be, information which the Council has and has readily to hand. Accordingly, we require the Council to supply that information forthwith.

Yours faithfully

Re: The London Borough of Harrow (Grange Farm Estate Regeneration Phases 2 and 3) Compulsory Purchase Order 2020 ("the Order")

We act on behalf of the Reserve Forces' and Cadets' Association for Greater London (RFCA for Greater London) and on its behalf we hereby send you their Notice of Objection to the confirmation of the Order to the extent referred to in the Notice of Objection and on the grounds set out in the Notice of Objection.

On 28 October 2020 the Acquiring Authority extended the time specified in the notice served by it pursuant to section 12 of the Acquisition of Land Act 1981 for notices of objection to the Order to be submitted to the Secretary of State to 26 November 2020. We are submitting the Notice of Objection on behalf of RFCA for Greater London within that extended time period.

RFCA for Greater London does not consent to the written representations procedure.

As appears from the Notice of Objection, for the reasons set out in Ground 1 it is asserted that RFCA for Greater London is a governmental body with Crown status, that its interest in the relevant part of the Order land is a Crown interest with the consequence that it is Crown land and there is no power under the enabling statute relied upon by the Acquiring Authority, namely, section 226(1)(a) of the Town and Country Planning Act 1990 to confirm the Order as regards the part of the Order land occupied by our client for statutory purposes in the provision of an RAF Air Cadets Centre at this location. In the event that Ground 1 is upheld we shall seek an order of costs against the Acquiring Authority on the ground of unreasonable conduct on its part.

The other Grounds are expressly stated to be without prejudice to Ground 1. In the event that any of those other Grounds are upheld we reserve the right to seek an award of costs against the Acquiring Authority to the extent that they too exhibit unreasonable conduct on the part of the Acquiring Authority.

Dear Sir

Re: The London Borough of Harrow (Grange Farm Estate Regeneration Phases 2 and 3) Compulsory Purchase Order 2020 ("the Order")

We refer to our letter dated 19 November 2020 by which we informed you that we act in this matter for the Reserve Forces' and Cadets' Association for Greater London (RFCA for Greater London). With our said letter we submitted the Notice of Objection of RFCA for Greater London to the confirmation of the Order to the extent referred to in the Notice of Objection and on the grounds set out in the Notice of Objection. As appears from the Notice of Objection there is an RAF Air Cadets Centre being the headquarters of 1454 (Harrow) Squadron located at parcels 75 and 76 on the order map comprising the property known as 84 Northolt Road, Harrow.

We are instructed that RFCA for Greater London represents the Ministry of Defence and the Secretary of State for Defence in respect of the estate comprising all of the Cadres Centres in Greater London pursuant to the Reserve Forces Act 1996 and the Regulations made by the Defence Council under that Act as described in paragraphs 5 to 9 of the Notice of Objection. **THE LONDON BOROUGH OF HARROW (GRANGE FARM ESTATE REGENERATION PHASES 2 AND 3)
COMPULSORY PURCHASE ORDER 2020 MADE 17 SEPTEMBER 2020 ("the Order")**

We refer to the Notice of Objection dated 19 November 2020 and grounds contained therein to the confirmation of the above Order submitted to the Secretary of State for Housing, Communities and Local Government ("SSHCLG") on behalf of the Reserve Forces' Cadets' Association for Greater London ("RFCA").

1. The Council, as acquiring authority, accepts that the interests of the RFCA within the Order land are Crown interests and, in doing so, agrees to exclude those interests held by the RFCA from the Order, namely:
 - 1.1. the interests in the parcels of land numbered 75, 76 and 96 in the Order; and
 - 1.2. as specified in Table 2 of the Order: -
 - 1.2.1. all rights relating to parcels numbered 69 and 96 in the Order; and
 - 1.2.2. all rights for the benefit of parcels numbered 75 and 76 and/or for the benefit for 84 Northolt Road.
2. The Council agrees to exclude the interest held by the Secretary of State for Defence in the parcel of land numbered 96 in the Order.

-
3. The Council will amend the Order to reflect the commitments given in paras 1 and 2 of this letter.
4. In view the commitments given by the Council in this letter, we look forward to receiving your confirmation that your client's Notice of Objection will be withdrawn and that you will inform the SSHCLG accordingly within 7 days of the date of this letter. If to withdraw your Objection you require our commitment in a particular form, such as a formal exchange of correspondence or a letter to PINS setting out the position, please let us know.

Dear Sir

Re: The London Borough of Harrow (Grange Farm Estate Regeneration Phases 2 and 3) Compulsory Purchase Order 2020 ("the Order")

We refer to your letter dated 1 April 2021 which we have now had the opportunity of considering carefully and upon which we have also taken Counsel's advice.

Although, with respect, it has taken the Council, as Acquiring Authority, considerably longer than we believe it should have done to accept that the interests of the RFCA for Greater London are Crown interests, your letter conveying that acceptance and setting out certain proposals does mark a significant step forward. Nonetheless, it is not yet a fully satisfactory basis upon which the RFCA for Greater London would or should be willing to withdraw the Notices of Objection submitted respectively in its own behalf and on behalf of the Secretary of State for Defence. We set out below the basis upon which the RFCA for Greater London would be prepared to withdraw the said Notices of Objection. In doing so, we adopt your numbering sequence.

1. We note, generally, that the Council as Acquiring Authority, agrees to exclude interests held by the RFCA for Greater London from the Order but what is then set out in sub-paragraphs 1.1 and 1.2 requires a degree of expansion and further particularisation, as follows:
 - 1.1. As regards the parcels of land numbered 75 and 76 in the Order, as you are aware, the interests held by the Secretary of State for Defence are already excluded and the Council now agrees to exclude also those interests owned by the RFCA for Greater London. There are no other interests in the parcels of land numbered 75 and 76, as appears from Table 1 of the Order. Consequently, we stipulate that the parcels of land numbered 75 and 76 be excluded from the Order completely.
 - 1.2. With regard to Table 2 of the Order, we note the rights which the Council offers to exclude. However, the interests held by the RFCA for Greater London in those rights are held by the Secretary of State for Defence for the benefit of the RFCA for Greater London. That is reflected in Table 2 itself which identifies those rights as vested in the Secretary of State for Defence. Accordingly, as regards the rights referred to in paragraphs 1.2.1 and 1.2.2 of your letter and the

Any reference to a partner means a member of the llp or an employee or consultant of equivalent standing and qualifications.

Council's agreement to exclude those rights it should be clarified that the rights so to be excluded are those held by the Secretary of State for Defence.

2. Noted and agreed.
3. This is lacking in specificity and also lacks a timeline. We wish to see please a draft of the revised Table 1 excluding all of the land comprised in parcels 75 and 76 from the Order and excluding the interests of both the Secretary of State for Defence and the RFCA for Greater London in parcel 96, a revised order map excluding all of the land comprised in parcels 75 and 76 from the order map and from within the red line on the order map and a revised Table 2 excluding the interest held by the Secretary of State for Defence in all of the rights to which you have referred in sub-paragraphs 1.2.1 and 1.2.2 of your letter. Provided that the revised Tables 1 and 2 and the revised order map meet that specification we set out below in paragraph 4 the basis upon which the Notices of Objections would then be withdrawn.
4. We stipulate that the Council, as Acquiring Authority, should give an undertaking to the RFCA for Greater London that, in consideration of the RFCA for Greater London withdrawing the said Notices of Objection and informing both the SSHCLG and PINS of such withdrawal, it will amend the Order in the form of the draft revised Tables 1 and 2 and the draft revised order map referred to in paragraph 3 and will serve on us a copy of the Order as so amended by no later than Friday, 7 May 2021. That is a reasonable period of time to be included in the requested undertaking having regard to the revised direction that the Council should serve its Statement of Case by 14 May and the Inquiry being set to be held on 29 June 2021. Lastly, in accordance with the Guidance the RFCA for Greater London seeks an award of its costs as a successful remaining objector and we would hope that you would agree in correspondence on behalf of the Council that it will pay such costs to the RFCA for Greater London. We will let you have details of them once this negotiation has otherwise been concluded.

Yours faithfully

Dear Sirs

**THE LONDON BOROUGH OF HARROW (GRANGE FARM ESTATE REGENERATION PHASES 2 AND 3)
COMPULSORY PURCHASE ORDER 2020 MADE 17 SEPTEMBER 2020 ("the Order")**

Thank for your letter of 16 April 2021. We have considered with our client the amendments to the Order which your client has requested (as well the other matters mentioned your letter) and, with a minor but justified exception (see para 1.1.2 below), the amendments are accepted by the Council. Accordingly, we enclose with this letter the revised Order schedule (in draft) with the amendments shown in green.

The Order has been amended to reflect the Council's position as described below. For ease of reference, we address the points in the order made in your letter and, to some extent, following the numbering adopted in our recent correspondence. Similarly, we adopt the abbreviation "RFCA" for the "Reserve Forces' Cadets' Association for Greater London" and references to "Table 1" and "Table 2" are to the tables so numbered in the Order schedule.

1. Plots 75 and 76

In relation to your request that plots 75 and 76 be excluded "completely" from the Order, the Council's view is that both plots 75 and 76 should remain within the (overall) Order on the following basis:

1.1. Table 1

1.1.1. The details entered in Table 1 in respect of plot 75 already expressly excluded the interests held by the Secretary of State for Defence. The enclosed draft Order amends Table 1 to exclude the interests held by the RFCA in plot 75 also. Given that the interests in plot 75 will be expressly excluded, the Council agrees to remove plot 75 from Table 1 of the Order.

1.1.2. The details entered in Table 1 in respect of plot 76 already expressly excluded the interests held by Secretary of State for Defence. The enclosed draft Order amends Table 1 to exclude the interests held by the RFCA in plot 76 also. As noted in your letter of 27 October 2020 and Notice of Objection dated 19 November 2020, plot 76 is unregistered land. The entry details for plot 76 in Table 1 refer to an “unknown” interest and, given the absence of complete information regarding ownership and interests affecting this land, it is both prudent and reasonable for the Council to retain plot 76 in Table 1 while expressly excluding the interests of the Secretary of State and the RFCA.

1.1.3. On a related point, we would be grateful if you would provide us with an update on the results of your further investigations on the issue of ownership of plot 76, as mentioned in your previous correspondence.

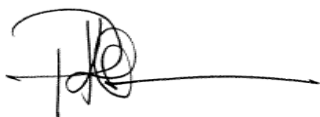

1.2. Table 2

The Council has added words to Table 2 so that it is clear that the rights held by the Secretary of State for Defence are expressly excluded.

2. We would be grateful if you would confirm that the enclosed amended Order is acceptable to your client. On receipt of such confirmation, we will formally serve on your client the amended Order. We will endeavour to do this as quickly as we can.
3. The Council agrees to pay your client’s reasonable and properly incurred costs.

In light of the impending deadlines set by the Inspectorate, we would be grateful if your client would provide us with confirmation that the amended Order is agreed at the earliest.

Yours faithfully

Dear Sir

Re: The London Borough of Harrow (Grange Farm Estate Regeneration Phases 2 and 3) Compulsory Purchase Order 2020 ("the Order")

We thank you for your letter dated 7 May 2021 and enclosed revised Order Schedule in draft which we have now had the opportunity of considering. We adopt the same abbreviations as hitherto.

With regard to the revised draft Order Schedule we have two observations and two consequential observations:

1. You have agreed to exclude entirely from Table 1 the parcel of land numbered 75 but not that numbered 76. This is on the basis that in the case of the parcel of land numbered 76 the Table refers to an unknown interest. We do not believe that there is any such unknown interest in that parcel. We note that the nature of this interest is not even specified nor is it asserted how any such interest has allegedly arisen. As stated in the Notice of Objection the RAF Air Cadets have been in occupation of the land within those parcels for decades, since 1996 through the interests and possession of the RFCA for Greater London. We are able to send you a copy of a Certificate dated 7 November 1980 given by the Secretary of State for Defence which certifies (conclusively) under section 8(2) of the Military Lands Act 1892 that the whole of the land coloured pink on the plan attached to the Certificate vested in the Secretary of State for Defence by virtue of section 8(1) of that Act. We consider that the land coloured pink on the plan comprises the whole of the parcels numbered 75 and 76 on the order map. As the interests held by the Secretary of State for Defence in both parcels are already excluded and the Council agrees to exclude also those interests owned by the RFCA for Greater London, we again stipulate that the parcels of land numbered 75 and 76 be excluded from the Order completely.
2. We believe that it is inadvertent but the interests held by the Secretary of State for Defence and those interests owned by the RFCA for Greater London in parcel 96 in Table 1 have not been excluded from Table 1 notwithstanding that it was agreed that they would be.
3. Having regard to what is written in paragraph 1 above please supply, as previously requested, a revised order map excluding all of the land comprised in parcels 75 and 76 from the order map and from within the red line on the order map.

4. We will, naturally, want to have a specific date by which you undertake to serve on us, SSLGC and PINS the Order as so amended. This must, of course, be well in advance of confirmation of the Order.

We look forward to hearing from you further in the matter.

Dear Sir

Re: The London Borough of Harrow (Grange Farm Estate Regeneration Phases 2 and 3) Compulsory Purchase Order 2020 ("the Order")

We refer to our letter dated 11 May 2021 to which we have not had the courtesy of a reply. Instead, the Acquiring Authority has chosen to make certain observations in paragraphs 14.4 to 14.7 of its Statement of Case which you sent us under cover of your letter dated 14 May 2021. Those observations do not fully address the submissions and evidence which we have put to you and, moreover, for the reasons set out below are incapable of supporting the retention of parcels 75 and 76 within the Order and the pink shading and red line of the order map.

Parcel 76

1. We enclosed with our letter of 11 May a copy of a Certificate dated 7 November 1980 given by the Secretary of State for Defence which certifies conclusively under section 8(2) of the Military Lands Act 1892 that the whole of the land coloured pink on the plan attached to the Certificate vested in the Secretary of State for Defence by virtue of section 8(1) of that Act. As we informed you, we consider that the land coloured pink on the plan attached to that Certificate comprises the whole of parcels numbered 75 and 76 on the order map.
2. The Acquiring Authority refers to that Certificate in paragraph 14.6 of its Statement of Case but in doing so it has, first, erroneously conflated section 8(1) and section 8(2) of the 1892 Act and has, secondly, failed to have regard to the effect of section 8(2) which is that such Certificate shall be and, therefore, is conclusive evidence of the fact certified.
3. We reminded you that, as stated in the Notice of Objection of the RFCA for Greater London dated 19 November 2020, the RAF Air Cadets have been in occupation of the land within both parcels 75 and 76 for decades; since 1996 pursuant to the statutory interests of the RFCA for Greater London. Those interests are explained in detail in paragraphs 3 to 22 inclusive of the Notice of Objection.

1 Cornhill, London EC3V 3ND Tel: 03330 143 401 web: gunnercooke.com

gunnercooke llp is a limited liability partnership registered in England and Wales with registered number OC355375. It is authorised and regulated by the Solicitors Regulation Authority ID 546420. A list of the members of the llp is displayed at the registered office: 1 Cornhill, London EC3V 3ND, together with a list of those non-members who are designated as partners. Any reference to a partner means a member of the llp or an employee or consultant of equivalent standing and qualifications.

4. Prior to 1996 the use and occupation of the land comprised in parcels 75 and 76 by the RAF Air Cadets was facilitated by the possession of the predecessor to the RFCA for Greater London, namely, the Territorial Auxiliary and Volunteer Reserve Association for Greater London.
5. We would add that such possession of the land comprised within parcels 75 and 76 for the use and occupation of the land by the RAF Air Cadets over a period of decades has been to the exclusion of any third parties (other than on relatively rare occasions invitees of the RAF Air Cadets).
6. In those circumstances, as regards parcel 76 it necessarily follows that apart from the freehold ownership of the Secretary of State for Defence which is excluded from the Order and the interests to be excluded from the Order of the RFCA for Greater London there is no other interest.
7. Since that which the Acquiring Authority purports to rely upon is referred to as an “unknown” interest it necessarily follows, by definition, that the Acquiring Authority is unable even to identify the nature of the alleged interest, when and in what circumstances it was allegedly created and how it could possibly subsist contrary to the conclusive Certificate issued by the Secretary of State for Defence and the statutory interests held under the Secretary of State for Defence by the RFCA for Greater London. Still less, can the Acquiring Authority even begin to establish that any such other alleged interest exists or could exist. Even if, which is not accepted, there was ever any justification for including the alleged “unknown” interest in parcel 76 within Table 1 to the Order, no justification whatsoever for retaining, still less relying upon, such alleged interest remains, or could possibly remain after the Acquiring Authority’s receipt of the conclusive Certificate of the Secretary of State for Defence and the full elaboration of the interests of the RFCA for Greater London as set out in the above-mentioned paragraphs of its Notice of Objection.
8. In addition, the Acquiring Authority’s Statement of Case does not set out any case for the acquisition of an alleged “unknown” interest in the above-mentioned circumstances. There is, and can be, no compelling case in the public interest for the Acquiring Authority to acquire compulsorily an “unknown” interest in the land (the existence of which is denied) where that land is not going to be capable of being used for the CPO scheme due to the fact that the freehold in the land is vested in the Secretary of State for Defence and it is used exclusively by the RAF Air Cadets by virtue of the statutory interests of the RFCA for Greater London.

Parcel 75

9. Table 2 within the Schedule to the Order does not identify land that is to be compulsorily acquired. Consequently, there is no sensible basis upon which the retention of reference to unknown restrictive covenants (insofar as they subsist which is not admitted) in respect of parcel 75 in Table 2 could or should result in parcel 75 remaining within the red line and pink shading of the order map. The introduction to the Order explains that the land to be acquired is shaded pink on the order map. This explanation also appears from the Key to the shading on the order map itself. It necessarily follows that the deletion of parcel 75 from Table 1 has the effect that parcel 75 cannot remain within the land shaded pink on the order map or, for the same reason, within the red line.
10. The inclusion of parcel 75 in Table 2 simply identifies that the Secretary of State for Defence and/or the RFCA for Greater London may have a right to claim compensation for injurious affection to parcel 75 as a consequence of the execution of the works through the CPO Scheme under section 10 of the Compulsory Purchase Act 1965. A claim under s. 10 arises where there has been no land take of the claimant’s land. and the potential entitlement to make a claim under section 10 will exist as a matter of principle regardless of whether or not it is included in Table 2 of the Order. Further, it has no bearing at all on the red line or the shading of the order map.
11. In addition, should there be any subsisting restrictive covenant in respect of which parcel 75 is the servient land and some other land acquired under the Order is the dominant land any rights in

respect of such restrictive covenants will in principle exist regardless of whether or not they are referred to in Table 2 and, again, that has no bearing whatsoever on the extent of the pink shading or red line on the order map.

In the circumstances, we request that the Acquiring Authority swiftly reconsiders its position as set out in the above-mentioned paragraphs of its Statement of Case, and that it agrees to both parcels of land numbered 75 and 76 being excluded entirely from Table 1 and being excluded from the pink shading and red line of the order map. Without such agreement from the Acquiring Authority, the RFCA's objection to the CPO stands.

We request a response from the Acquiring Authority by Thursday, 27 May 2021. Any delay in response beyond 27 May 2021 will result in the RFCA for Greater London being required to incur costs in preparing evidence for the 8 June deadline as we will have to proceed upon the basis that our objection will remain unresolved at the inquiry. The Acquiring Authority's current stance serves only to increase the costs reasonably and necessarily incurred by the RFCA for Greater London for which the Acquiring Authority will be responsible.

Yours faithfully

Dear Sirs

**THE LONDON BOROUGH OF HARROW (GRANGE FARM ESTATE REGENERATION PHASES 2 AND 3)
COMPULSORY PURCHASE ORDER 2020 MADE 17 SEPTEMBER 2020 ("the Order")**

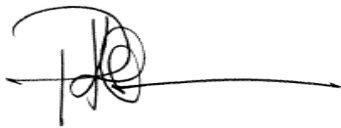

We refer to your letter of 11 May 2021 and its enclosure.

1. Notwithstanding the certificate under section 8(1) of the Military Lands Act 1892 which you have provided as evidence that the land is vested in the Secretary of State it remains the Council's firm view that it is not beyond a reasonable possibility that another interest may exist in the land numbered plot 76 in view of that land being unregistered. The reference to plot 76 is therefore retained in Table 1.
2. In respect of parcel 75, the "unknown" interest in Table 2 is a reference to the entry numbered 1 in the charges register of the official copy of the register of freehold title MX259129 which draws attention to restrictive covenant(s) which may still subsist. The Council considers, therefore, that it is entirely prudent and reasonable to retain the reference to the "unknown" right in Table 2.
3. In the event of the Council acquiring the land at plots 75 and 76 by agreement with the owners it is important that any subsisting interests which may exist in the land do not frustrate the Council's intentions for the land. Given the exclusion of their respective interests, the Secretary of State and the RFCA are not, in our view, prejudiced by retention of plots 75 and 76 overall.

-
4. The Order schedule has been amended to specifically exclude the interests of the Secretary of State for Defence and the RFCA from the parcel 96.
 5. For the reasons set out in this letter, the Order map red line will remain as drawn. We would be grateful if you confirm that the amended draft Order schedule (**enclosed** with this letter) is agreed so that the Council can, in turn, provide a date on which to serve on you the formally amended Order.

We await hearing from you at the earliest.

Yours faithfully

Dear Sir

Re: The London Borough of Harrow (Grange Farm Estate Regeneration Phases 2 and 3) Compulsory Purchase Order 2020 ("the Order")

We thank you for your letter dated 24 May 2021 and for your further letter of today's date.

In our letter dated 21 May 2021 we set out in quite some detail not only the position of the RFCA for Greater London but also the legal and factual basis for it. Regrettably, neither of your letters under reply addressed the detail of our earlier letter. Your letter dated 24 May, whilst being a prompt reply, did not, with respect, convey any impression that the detail of what we had previously written to you had been carefully considered at all.

We have, therefore, made the position of the RFCA for Greater London abundantly clear as regards parcels 75 and 76. It follows that the short answer to your two letters under reply is that the amended draft Order schedule is not agreed by our client. The reasons for that are precisely the reasons set out in our letter dated 21 May 2021, the detail of which, to repeat, remains without a correspondingly detailed response. Therefore, unless the Acquiring Authority changes its position so as to exclude parcels 75 and 76 entirely from the Order schedule and the pink shading and red line of the order map, our clients will be remaining objectors at the forthcoming Inquiry and will appear accordingly at the Inquiry to present their case to the Inspector.

To that end, we are preparing a proof of evidence.

Yours faithfully

Dear Sirs

**THE LONDON BOROUGH OF HARROW (GRANGE FARM ESTATE REGENERATION PHASES 2 AND 3)
COMPULSORY PURCHASE ORDER 2020 MADE 17 SEPTEMBER 2020 ("the Order")**

Thank you for your letter of 1 June 2021.

We wish to repeat our position, which we believe is reflected in the draft amendments to the CPO sent to you. Our position is that the interests of the RFCA and Crown that were in the original CPO as made will be removed from the CPO. We believe that the proposed changes to the CPO which we have sent to you make this clear. That is certainly our intention.

The upshot is that the CPO (as proposed to be amended) does not seek to acquire any of your client's interests in land.

Given this position, we are surprised by your response. We note your statement that you are preparing evidence and intending to appear as an objector despite the changes to the CPO that we have proposed.

We want to make sure we understand your position before proceeding further.

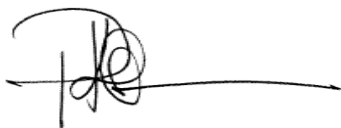

In the light of the above, please can you answer the following two questions as a matter of urgency:

- (a) What will the scope of your client's objection be, given that all the RFCA and Crown interests are to be removed from the CPO and so are no longer the subject of a proposed compulsory acquisition?
- (b) What reasonable grounds do you believe you have to pursue an objection to a CPO that does not seek to acquire any of your client's interests in land?

We look forward to hearing from you as a matter of urgency.

If in fact you believe that the proposed changes to the Order will still empower the Council to acquire your client's interests in land, please explain how this power would exist given the express exclusion of any interests of your client from those proposed to be acquired.

Yours faithfully

Dear Sir

Re: The London Borough of Harrow (Grange Farm Estate Regeneration Phases 2 and 3) Compulsory Purchase Order 2020 ("the Order")

We thank you for your letter dated yesterday, 7 June 2021.

As previously stated, we set out in quite some detail in our letter dated 21 May 2021 not only the position of the RFCA for Greater London but also the legal and factual basis for it. Nothing in this letter is intended to detract from that detail. Regrettably, your subsequent letters, including the questions you now pose in your letter under reply, fail to convey any impression that the detail of what we have previously written to you has been carefully considered or understood at all.

Whilst you write that the upshot is that the CPO (as proposed to be amended) does not seek to acquire any of our clients' interests in the land, it does, on a fair reading of paragraph 2 of the Order together with the pink shading and red line of order map, still seek to acquire our clients' land, i.e. parcels 75 and 76.

The scope of our clients' objection is that notwithstanding the proposed removal of all Crown interests from the CPO order schedule, the CPO map continues to include parcels 75 and 76 within the red line of the CPO and shaded pink on the order map (denoted expressly in the key as 'land to be acquired') and Table 1 of the order schedule continues to include parcel 76 and seeks to acquire an alleged 'unknown' interest in that parcel.

There is no justification for the continued inclusion of parcel 76 within Table 1 of the order schedule nor for the continued inclusion of parcels 75 and 76 within the red line and shading of the CPO map. The Council's proposed amendments to the schedule, read together with the order map, result, at least as regards parcel 75, in a mismatch between the land that is to be acquired as denoted in Table 1 of the order schedule and the land that is 'to be acquired' in the order map.

In this context we refer you to the CPO Guidance on order maps, which is at Tier 3, section 15, paragraph 223. It includes the following: *"There should be no discrepancy between the order schedule(s) and the map or maps, and no room for doubt on anyone's part as to the precise areas of land which are included in the order."*

There is now no interest in land proposed to be acquired by the Council in respect of parcel 75 and our clients' land, being the land comprised in parcel 75, ought to be deleted from the CPO map and thereby excluded altogether from the Order.

With regard to parcel 76, in accordance with our previous correspondence, our clients do not believe that any other interest exists apart from the Crown interests. Without limitation, our clients do not consider that there is any evidence to support the Council's allegation that there is an 'unknown' interest in parcel 76, nor that there is any justification for the compulsory acquisition of such an interest, even were it to exist (which is denied). It is our clients' position that parcel 76 ought to be removed from table 1 of the order schedule and, as with parcel 75, deleted from the order map. Our clients' land, being the land comprised in parcel 76, ought also, therefore, to be excluded altogether from the Order.

These are the reasonable grounds upon which the RFCA for Greater London pursues its objection to the CPO both in its own behalf and on behalf of the Secretary of State for Defence whom the RFCA for Greater London represents in respect of the estate comprising all of the Cadet Centres in Greater London pursuant to the Reserve Forces Act 1996 and the Regulations made by the Defence Council under that Act.

Given that the onus lies on the Acquiring Authority, it is your client that should be answering the pertinent questions. Please, therefore, answer the following questions:

- (1) As regards parcel 75, since Table 1 (not Table 2) of the Order schedule describes the land to be acquired together with the delineation on the order map and all interests in the land comprised in that parcel are proposed to be deleted in Table 1, why does the Acquiring Authority still refuse to make the consequential revision to the order map by excluding parcel 75 from it, thereby eliminating the discrepancy?
- (2) As regards parcel 76, since the Acquiring Authority has adduced no evidence that any alleged 'unknown' interest exists and all of the evidence is that the only interests which do exist are the Crown interests which are to be excluded, why does the Acquiring Authority still refuse to exclude parcel 76 from the Order by deleting it from the order schedule and from the order map?
- (3) Without prejudice to the above, why and/or for what purpose does the Acquiring Authority seek to acquire the 'unknown' interest which it alleges in parcel 76?

Yours faithfully
