11 February 2022

Dear Resident / Business Owner,

ADVANCE INFORMATION: High Street Fund - Tree planting and benches along Pinner Road, North Harrow

As part of the Council's High Street Fund project to improve North Harrow, I am writing to inform you that trees will be planted, and benches installed along Pinner Road from the junction of Station Road to Woodlands. Tree pits will be dug from week commencing 14th February 2022 and subject to weather conditions, this is expected to take 3 weeks. The trees and benches are then scheduled to be installed during March and April 2022. Trees and benches were strongly supported in the North Harrow High Street Fund consultation that took place in Summer 2021.

These works are being carried out as part of the Council's High Street Fund project. They aim to support local district centres by delivering improvements that will refresh the area, creating a vibrant, safer and more pleasant environment for all. If you would like to learn more about the project, including other planned improvements, please visit www.harrow.gov.uk/highstreetfund

We thank you in advance for your patience and cooperation during these essential works. If you have any issues linked to access during the construction works, please contact site contractors JB Riney on 020 8983 0077.

If you have any questions or comments about the scheme, please contact Edo@harrow.gov.uk

Kind regards,

Economic Development Team, Harrow Council
