Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

Considering the primary use of the premises is a cafeteria, and the small capacity (c.60 covers), we expect a quiet, friendly local clientele. Security and safety will be of utmost importance to the premises. We will constantly monitor our policies and procedures in place, to ensure we are adequately maintaining the standards. If not, additional staff & equipment will be brought in.

The premises license holder will ensure the following, first and foremost:

- the security system is in good working order
- Briefing the staff regularly on the security systems
- No nuisance is caused due to drunkenness
- Have a glass collection policy in place
- Have a zero tolerance towards drugs
- have a regular commercial waste collection process in place

The DPS will ensure that a written notice of authority is kept at the premises for all staff. The notice will be made available for inspection upon request of the police / licensing, and all staff selling alcohol will have identification to hand to enable them to verify their identity against this.

In addition to any other training, the premises license holder will ensure all staff are trained to prevent underage sales, to be aware of and prevent proxy sales, to maintain the refusals log, and monitor staff to ensure their training is put into practice. Documented records of training completed shall be kept for each member of staff. Training will be refreshed every 3-6 months.

b) The prevention of crime and disorder

Security will be of the utmost focus. A full digital, colour CCTV system will be installed, with both interior and exterior cameras fitted, to cover the entry and exit points. Cameras will cover both staff and customers. The CCTV cameras will continually record 24 hours a day and recordings will be kept available and unedited for a minimum of 28 days with the date and time stamping. All staff members will be conversant with the operation of the CCTV system, with at least one member of staff being present on the premises (when we are open to the public) who can download CCTV images upon request by police / licensing. The footage will be playable on a PC or mobile device.

An incident log will be kept at the premises for at least 6 months, and made available to the police / licensing, which will record the following incident details:

- (a) all crimes reported to the venue, or by the venue to the police
- (b) all ejections of patrons
- (c) any incidents of disorder
- (d) any faults in the CCTV system
- (e) any visit by a relevant authority or emergency service

c) Public safety

Staff will be encouraged to attend first aid training. Measures will be taken to prevent any accidents / injury to ensure physical safety, including well lit interiors and clear pathways. Regarding fire safety, full sprinkler systems are in place, and fire extinguishers will be on site. The layout of the premises and placement of the door allows for easy access for emergency services. We will sign up for local incident alerts, to ensure we are up to date with any incidents in the area, waste collection is managed in conjunction with the building. Taxi information will be available to customers to aid safe departure, and the area outside the bar is well lit by the very nature of the area.

d) The prevention of public nuisance

Given the nature of the venue, nuisance risk will be at a minimum, and it will be relatively easy to maintain given the limited capacity of customers.

Continued from previous page...

Staff will regularly check if any litter is left in the area surrounding the premises and dispose of immediately if found. Waste will be contained within the buildings interior bin rooms, and will not cause any unpleasant smells. There will be signage within the premises that encourages customers to leave the premises in a respectful manner to neighbors. Litter bins will be provided at the premises in sufficient capacity to ensure that customers can adequately dispose of any litter.

All windows and external doors shall be kept closed at all times except for the immediate access and egress of persons. Doors will be kept closed to keep noise to a minimum in the evening hours.

No noise will emanate from the premises nor vibration be transmitted through the structures of the premises that gives rise to a nuisance 22:00-08:00. No bottles, glasses or similar items will be disposed of in bins during these times either.

Staff shall monitor customers smoking outside the premises on a regular basis and ensure patrons do not cause a public nuisance. A documented smoking policy will be put implemented at the premises and a copy logged with the Licensing unit. Notices will be prominently displayed at any area used for smoking, requesting patrons to respect the needs of local residents and use the area quietly. Customers permitted to temporarily leave and re-enter the premises to smoke, shall not be permitted to take drinks or glass containers with them.

e) The protection of children from harm

We will enforce a number of robust procedures to help prevent underage sales of alcohol.

We will display prominent signage indicating at the point of sale & the entrance to the premises that it is an offence to buy, or attempt to buy, alcohol for a person under the age of 18. The Challenge 25 scheme will be firmly followed, and staff will be trained to ensure anyone who appears under the age of 25 shall provide documented proof that they are over 18 (either by showing their passport, photo card driving license, and HM Forces warrant card, or a PASS-hologram card).

Staff will be trained in all aspects of child protection within licensed premises, specifically including age identification and refusal of alcohol supply to minors. Documented records of this training will be regularly refreshed (every 3-6 months), and records made available for inspection by police or licensing. A refusals log will be maintained (showing date and time of refusal, and the member of staff's name), and made available to the police / licensing, and regularly checked by the DPS to ensure it is being used appropriately.

There is no adult entertainment in the premises - including film, performance or gambling, etc. Children will have to be accompanied by an adult at all times. This policy will be made clear to customers and staff. There is no close proximity to schools etc meaning there will not be a risk of children near the premises.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.

- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
