

# Gender Pay Gap (data from 31<sup>st</sup> March 2021)

The Equality Act 2010 (Specific Duties and Public Authorities) Regulations 2017 means that employers with 250 or more employees are required to publish statutory gender pay gap calculations every year.

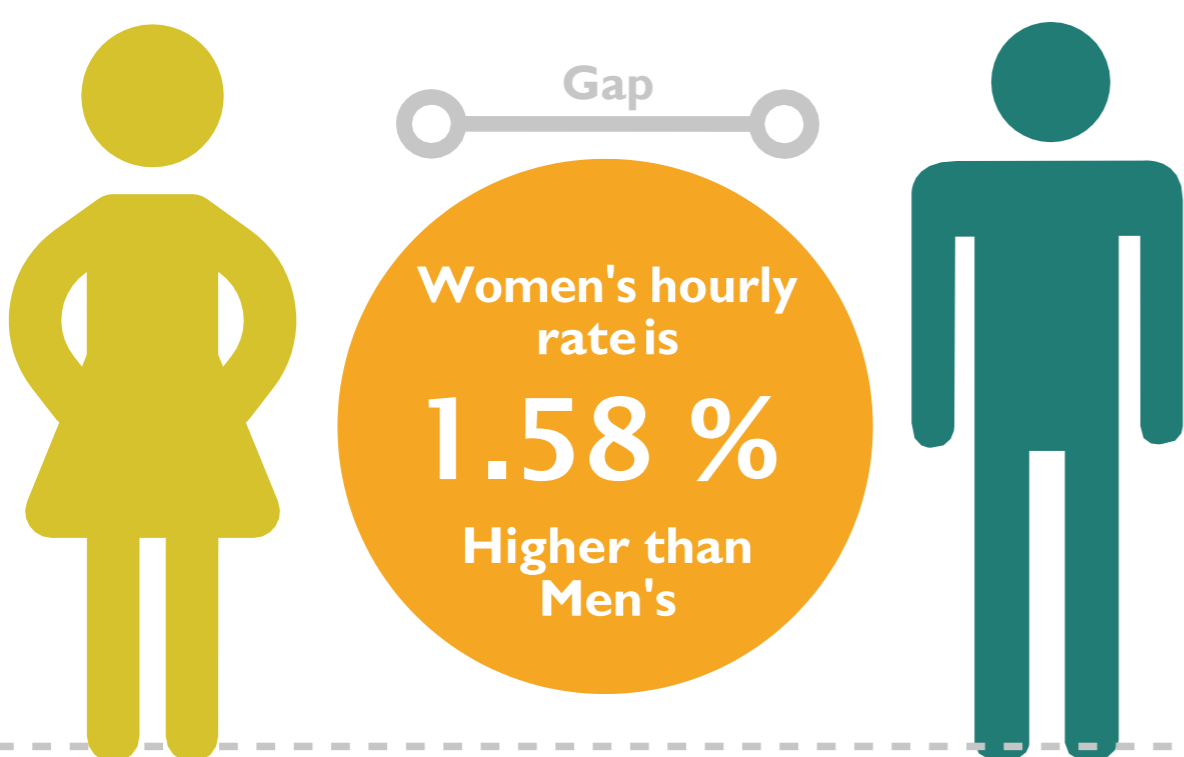

The presence of a gender pay gap does not imply that there is an Equal Pay issue within Harrow Council. Equal Pay is the right for men and women to be paid the same for the same, or equivalent, work or work of equal value.
