LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

Internal Capacity shall be limited to 15 tables to prevent overcrowding and possibly becoming aggressive through accidental jostling.

All staff shall receive training on crowd control & dispersal, conflict management and recording of incidents to contribute towards well management and running of the premises. The staff will also receive training on the 4 licensing objectives and what they can do to prevent them. They will be knowledgeable on the different steps to take to prevent crime and disorder, to ensure public safety, to prevent public nuisance and to protect children from harm. Management will make sure that all staff are aware of what is not acceptable and they will know the different ways they can report incidents.

(New covid-19 guidelines are in place where social distancing is adhered to).

b) The prevention of crime and disorder

The premises have not experienced any incidents related to crime or disorder over the last years and we are keen to ensure that this reputation is not tarnished in any way.

The CCTV system is in operation with cameras installed inside and outside. This is to ensure the area outside and inside the premises can be monitored at all times for any anti-social or noise nuisance behaviour.

The frontage is toughened clear glass which provides good visibility to counter staff to monitor customer activity inside and outside the premises. In case of any significant disturbance or emergency, the applicant will shut the front entrance door to maintain public and staff safety and protect the premises from any internal damage.

There will also be security guards who will keep an eye out for any incidents what will lead to crime and disorder. They are trained to handle such matters properly, without causing any harm to the staff and public.

Staff members will be trained to report any incident that seems suspicious or that could lead to crime and disorder. Such matters are not tolerated at the premises and they will be taken very seriously.

c) Public safety

All required regulatory Public Safety measures are in place at the premises. This includes:

Fire Safety measures - emergency lighting, smoke detectors, fire blanket, fire extinguishers, First Aid Box, and emergency evacuation plan. All staff made aware to keep fire escape routes free from any obstructions at all times. Smoking is only permitted in outdoor areas on the premises and signs to remind customers/staff is displayed. Documented Fire Risk assessment has been carried out along with Kitchen and Cooking risk assessments and they these are available for inspection on request.

Food Safety measures - food hygiene, allergen awareness, pest control, cleaning, and waste disposal are applied and adhered to by staff.

Health & Safety at Work measures for staff and patrons

Ducting for extraction of cooking smell, and grease meets the environmental safety standards. Regular disposal of Kitchen Waste and Cooking Oil is undertaken by approved contractor.

Management has adequate cover for Employers Liability and Public Liability.

(due to covid-19 guidelines provided by the government, public safety against coronavirus is controlled using face masks, extra cleaning measures, body temperatures checks and complying with social distancing).

We have always ensured to take the correct measures to ensure public safety and we will continue to do so. Our staff are well trained in the different aspects of public safety and they will make sure to follow all necessary guidelines.

d) The prevention of public nuisance

The premises will have enough staff members to cover the premises capacity. The management and staff are capable of monitoring the behaviour of patrons under this capacity while

they are on the premises, or in the immediate vicinity of the premises as they seek to enter or leave. Internal and External area of the premises are clearly visible from the counter area to detect any signs of public disorder or nuisance. This is fully supported by the CCTV system covering all internal and external areas at the front of the premises. Signage to notify customers that violent or aggressive behaviour will not be tolerated and if required shall be reported to the Police for

Continued from previous page...

further investigation shall be displayed.

The applicant shall remind patrons leaving his premises to respect the residential amenity and display the appropriate signage.

The applicant is aware on what is expected of him to ensure delivery staff also respect the privacy of local residents. He shall enforce strict disciplinary rules on anyone that does not give due regard to this policy. Any complaints from local residents shall also be dealt with in a professional and timely manner.

There will also be security guards who will make no aggressive behaviour takes place and they are well trained in handling such matters.

All premises deliveries, food waste and oil waste collection is carried out from the rear back alley before 18:00 hrs. General Waste is collected by Harrow Council from the front.

e) The protection of children from harm

No gaming machines are installed on site and there is no provision of adult entertainment, films, activities, other entertainment or matters ancillary to the use of the premises that can give rise to concern in respect of children.

Smoking shisha is permitted on the outdoor areas of the premises and only 18 and over individuals are allowed to enter, unless they are entering the restaurant area where smoking is not permitted.

Staff shall be made aware through training on what signs to look out for detecting any abuse or sexual exploitation of young children on the premises and what to do if they suspect anything.

All of our customers are over 18 years old and they are all asked for ID upon entry. In case children want to enter, they are ONLY allowed in the restaurant area where it is family friendly, no smoking and staff are always present there to supervise and make sure everything is in place.

In general, our premises is a friendly environment and do not tolerate any behaviour that causes harm to children.

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
