VARIATION

Do you want the proposed variation to have effect as soon as possible? Yes No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

This variation is to remove the existing condition relating to off sales of alcohol. The current condition restricts off sales to take-aways and partly consumed bottles of wine. We are seeking the removal of this condition. this would allow the customers to consume alcohol with meals at the front forecourt of the premises.

The condition 1 of Annex 3 also will be amended to read, off sales are either for consumption at the front forecourt or with a take-away meal.
