M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

We operate with a full event plan & risk assessment
As part of this we ensure that we have adequate stewards and marshals in place to ensure public safety is maintained and that any instances of anti social behaviour are recognised, and the individual is removed.
The event management team will be in constant contact at all times.
First aid points will be highlighted and signposted.

b) The prevention of crime and disorder

Stewards will be in place and easily identified throughout the duration of the event.
All stewards will be in constant contact via wireless radio communication.
We operate with a full attendee search and security wand control along with a full bag search policy, no search no entry.
No alcohol is allowed to be brought onto the grounds by attendees.
No admission to anyone who appears intoxicated or agitated.
All event stewards will be in constant contact via wireless communication.

c) Public safety

Potential pinch points will be carefully monitored to prevent overcrowding, no glass bottles, glasses or glass containers will be allowed for public use on the site.
All food offered on site will comply with food safety standards and regulations.
Adequate disabled access will be provided as required.
All statutory fire safety controls will be observed and complied with.
All potential trip hazards will be identified and eliminated where possible.

d) The prevention of public nuisance

Noise DB levels will be monitored to maintain acceptable A and C levels, all monitors will be pointed away from any local residences to take advantage of the attenuation of sound v distance effect.
Additionally, the event will go silent at 8.30pm before it finishes at 9pm.
Rubbish bins will be kept away from public access, all litter from the event will be disposed of in a responsible way by waste disposal.
The venue has a car park for approx. forty cars with another overflow carpark expected to come into use closer to the time of the event.
Details of the nearest public car park and general car parking options will be provided to patron prior to attending the event.
Notices will be put up advising patrons not to park in local resident driveways and not to block the highway generally.
Due to the location of the venue we expect this to be at a minimum.
Stewards will ensure that there is quick entry to the event and quick dispersal of attendees from the immediate area after the event ends.
Upon leaving the event patrons will be encouraged to leave in a quiet and responsible manner.

e) The protection of children from harm

As there is alcohol present at this event we advise any parents who attend with children to follow our guidelines and use the designated family areas.
We operate a proof of age policy and use the challenge 21 protocol to prevent alcohol sales to anyone who appears underage.
We have dedicated stewards for the family area.
In the event that a child is reported lost this will activate our lost child protocol.
