Dear Mr Torto,

I am writing on behalf of our client Sairam (Holdings) Ltd to advise you of the submission of a planning application to Harrow Council at the former Stanmore and Edgware Golf Centre, Brockley Hill, Stanmore, HA7 4LR for the following development:

"Demolition of existing golf club buildings (Use Class D2) and construction of a new banqueting facility (Use Class D2), widening of existing vehicular access from Brockley Hill, car and cycle parking, waste / recycling storage, landscape enhancements and associated works."

Part of the planning application site (the proposed amendments to the site entrance) is on Highways land under the jurisdiction of Barnet Council. Accordingly I attach Notice 1 served under Article 13 the Town and Country (Development Management Procedure) (England) Order 2015 providing details of the application and how to make representations on the proposals.

I understand that you have previously undertaken discussions with EAS in respect of traffic and highways matters. If you would like any further details please do not hesitate to contact me.

I would be grateful if you could confirm safe receipt of this email and Notice.

Kind regards

Jill Bell
