"Lauren and Victoria, a huge huge thank you for all your help with mine and Amit's wedding day. It all went to plan and everyone really seemed to enjoy themselves, and it honestly could not have happened without your help. From the first day we all spoke about the theme, you both really understood our vision for the day; allowing us to come in the day before to set up, to accommodating us throughout the year to come and see the venue itself, and the beautiful bridal suite for the two nights i was there, you both were the easiest to work with and really the most helpful."

With a fantastic variety of events spaces to support weddings of all shapes, sizes and budgets, Harrow Leisure Centre is a wonderful venue. With space for up to 800 seated guests in the **Byron Hall**, as well as smaller rooms, we can help organise all aspects of the day, from the reception and the party afterwards. We're experienced at organising a huge range of weddings, including African and Asian Weddings.

Naturally, we can help out with the catering to ensure your guests are well fed. Alternatively, as we understand the importance of making your wedding day entirely unique, we do allow external caterers and suppliers if preferred.

Harrow's location – just to the north and west of London – means it's easy to get to from all over the country and, indeed, the world. Harrow & Wealdstone rail and underground stations are just a few minutes away, while the M1, A40 and M25 are all within easy reach too. If you're expecting international visitors, then Heathrow is not far away either.

ASIAN WEDDINGS

We have a great deal of experience in organising a variety of weddings and, given our culturally-diverse location, there's no surprise that we frequently play host to Asian weddings. We have everything required to help ensure the celebration is a success and will work alongside you to make sure everything goes to plan. We can help with catering options and have a fully-licensed bar if needed, too.
