Attachments: Re: Coach Parking for Banqueting Facility

Dear Alison,

Further to Mr Henley's email below, please see further email correspondence attached. I should be grateful if you could make the inspector aware of this correspondence.

Kind Regards
Nicola

Alison

Good afternoon

I write in reference to the commentary at para 16 of the Appellant's Transport Rebuttal regarding Haberdashers School as an off-site overspill parking location. The Appellant has been in further discussion with the School and want to make it clear to the Inspector that Habs School is only one of a number of potential alternative sites for overspill parking for the proposed banqueting facility. At this time Habs School has not entered into any formal agreement with the Appellant as that would be the subject of further consideration by the Governing bodies of the School in the usual way. The locations and professional valet car parking management arrangements for the overspill parking will be a matter for submission to and approval by Harrow Council prior to the first event taking place and secured by planning condition in the event that the Appeal is allowed.

I should be grateful if you would make the Inspector aware of this correspondence ahead of the Inquiry.

Kind regards

Richard
