## LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The site has an integrated management system. A company representative will be the DPS with authority delegated to the site manager, who will also be a Personal Licence holder. A letter of authority will be signed by all parties. In addition the site will have experienced staff who can responsibly exercise control. All staff are required to sign a serving policy setting out whom they may serve, pointing out the licencing laws and reminding them of proof of age requirements such as Challenge 21 scheme.

Right of admission reserved.

## b) The prevention of crime and disorder

The last 30 minutes of music will be wind down music in nature in order to allow customers to leave the premises in a calm and orderly way along with signs to ask patrons to leave quietly.

Provision of free iced water to customers.

Provision of a well advertised range of soft drink alternatives to alcoholic drinks.

The DPS or premises licence holder shall seek where possible to maintain membership of the local Pub Watch organisation. There will be an established procedure for the confiscation of drugs agreed with the local police. Known troublemakers will be barred.

The tipping of bottles into receptacle external to the premises shall not take place between 21.00 and 09.00 hours.

Prior to commencement of trading, a digital CCTV system will be installed. It will be maintained in full operational order. Recordings will be retained for a minimum of 30 days with evidential quality copies made available to Police and the Licensing Authority, on request.

A log book will be maintained, recording all relevant Incidents and Alcohol Sales Refusals.

c) Public safety

It is our opinion that the nature of the operation will not lead to any increase in risk of public safety.

Our internal health and safety due diligence and incident reporting system will be implemented. Free drinking water is available to customers.

Floor staff conduct physical sweeps inside the premises to remove hazardous objects/waste.

Phone number of allocated taxi firm will be made available to customers.

A fire detection and warning system is in place along with the fire extinguishers.

The recording of fire drills, alarm and emergency lighting testing is kept on site.

All fire exits shall be maintained and unobstructed.

## d) The prevention of public nuisance

Emergency call procedures in place.

Prominent, clear and legible notices will be displayed at all exits requesting customers to respect the local residents by leaving the premises and the area quietly.

The tipping of bottles into receptacles external to the premises will not take place between 21:00 hours and 09:00 hours. A noise impact assessment will be carried out and implanted.

The licence holder will monitor to the best of our ability the number of smokers outside of the premises.

If customers persistently cause a nuisance they will be barred from the premises.

Managers shall be required to liaise with local neighbours to resolve any reasonable concerns.

Deliveries shall not be allowed to take place between the hours of 8pm – 8am.

The licence holder will not permit customers to take any receptacles outside. This will be accompanied by signage.

e) The protection of children from harm

We recognise the importance of protecting children from harm and this is supported by:

Our commitment to health and safety in the operation and maintenance of the premises.

Our approach to managing the risk of under age drinking. We will at all times observe the law and ensure that alcohol is not served to people who are under 18 years of age. The manager and staff are briefed in the importance of their responsibilities in ensuring customers are over 18.

No adult entertainment is permitted at these premises. Any children under 18 remain the responsibility of the accompanying adult when using the premises (and/or exterior area)

Persons who are 18 years or under shall only be permitted on the premises when accompanied by a responsible adult.

  - evidence of the applicant's own identity such as a passport,
  - evidence of their relationship with the European Economic Area family member e.g. a marriage certificate, civil partnership certificate or birth certificate, and
  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

(i) any page containing the holder's personal details including nationality;

(ii) any page containing the holder's photograph;

(iii) any page containing the holder's signature;

(iv) any page containing the date of expiry; and

(v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <a href="https://www.gov.uk/prove-right-to-work">https://www.gov.uk/prove-right-to-work</a>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
