Your application

Your application must be received by 31 October 2023

To avoid any last-minute problems, we strongly recommend you submit your application by 20 October 2023. This is the Friday before the half-term holiday

If your child does not live in Harrow, but you wish to apply for a Harrow school, please contact your child's local authority to make an application.

If your child lives in Harrow, and was born between 1 September 2012 and 31 August 2013, and is due to start secondary school in September 2024, the full timetable for applications is:

1 September 2023	Website opens, and you can apply online at http://www.eadmissions.org.uk
September / October 2023	Parents applying for a Voluntary Aided school must complete and return a supplementary information form direct to the school. These forms are available from the school or www.harrow.gov.uk/schooladmissions
20 October 2023	Last Friday before the half-term holiday. We strongly recommend that you submit your application by this date to avoid any delay.
31 October 2023	Closing date for applications. Parents applying for a Voluntary Aided school must complete and return a supplementary information form direct to the school.
1 March 2024	Emails sent to parents with the outcome of their application. Please wait until you have received the email before logging on to the e-Admissions website . In some cases, letters will be sent through the post
15 March 2024	Deadline for acceptance or decline of offer.
16 April 2024	Closing date for receipt of appeals.

If your child lives in Harrow, and is due to start secondary school in September 2024, but was not born between 1 September 2012 and 31 August 2013, please do not fill out an application form. Instead, email schooladmissions@harrow.gov.uk

How places were offered in 2023

This table shows how places were allocated to children starting at Harrow's secondary schools in September 2023.

It shows how many places were available, how many people applied for those places and how those places were then allocated.

These are the statistics for last year, and while this year's statistics may be similar, the level and pattern of demand for schools changes every year. This means that the distances cited

in the table below change from year to year. Please do not assume that because children in your area attend a particular school that your child will also be offered a place.

Harrow schools do not have catchment areas as part of their admission arrangements¹. Schools in Harrow use distance as part of their admission arrangements. All schools in Harrow measure distances from home to school in a straight line from the home address to the school.

Information for Salvatorian College and The Sacred Heart Language College can be obtained directly from the school

* Distance is measured in a straight line from the home address to the centre point of the school

¹ Catchment area for the purposes of admissions is a defined geographical area set out in the admission arrangements.

Total places available: This is the "PAN" or Published Admissions Number.

SEN: These are children with a statement of Special Educational Needs or an Educational, Health and Care Plan.

Random Allocation: These are places allocated by random computer selection from the applications received.

All applications inside this distance were accepted. Distance is measured in a straight line from the home address to the centre point of the school site as defined by the school using a computerised mapping system based on Ordnance Survey data.

Tables for previous years are available on [our website](#)

School open days

Harrow's secondary schools will be holding open events in September and October to help parents and children decide on their applications. Many schools begin their sessions with a short presentation. If you cannot make these dates and times, please contact schools for alternatives – all schools welcome visitors at other times.

Avanti House

Evening: **Wednesday 27 September 2023** 5pm-8.30pm;
Mornings: **Monday 25 September to Thursday 28 September 2023** 9.30am by appointment with the school.

Bentley Wood High School

Evening: **Thursday, 14 September 2023** 6.30pm-9pm; Mornings: **Friday, 15 September 2023** 11.15am-12.15pm. **Monday 18 September to Friday 22 September 2023** 9am-12 noon.

Canons High School

Open Evening: **Wednesday 4 October 2023** 6pm – 8.30pm;
Mornings: **Monday 9 October, Tuesday 10 October, and Wednesday 11 October 2023** 9am – 10am

Harrow High School

Evening: **Wednesday 20 September 2023** 6.30pm; Open Morning Tours from 10am on **Thursday 21 and Friday 22 September 2023** (by appointment – please contact the school)

Hatch End High School

Evening: **Tuesday 26 September 2023** 5.30pm – 8.30pm; Mornings: **Thursday 28 September and Friday 29 September 2023** 9.15am – 10.30am

Nower Hill High School

Open Mornings: All week **Monday 25 September to Friday 29 September 2023**. Information, presentations and tours for parents/carers and children to see the school in the normal working day commence at 9am and finish at 11am each day. Places for any of the five Open Mornings can be booked via the link on the school website from the start of September. Confirmation of your Open Morning booking will be emailed by return.

Park High School

Evening: **Thursday 21 September 2023** 6pm-8pm (last admission 7.30pm); Mornings: **Tuesday 26 September to Thursday 28 September 2023** 9am-10.15am (by appointment – please contact the school).

Rooks Heath College

Evening: **Tuesday 12 September 2023** 6.45pm.
Open Mornings available on request between 9.10am – 10.30am

Sacred Heart Language College

Evening: **Wednesday 13 September 2023** 6.30pm-8.30pm;
Evening: **Thursday 21 September 2023** 4pm-6pm

Salvatorian College

Open Evening: **Tuesday 3 October 2023** 5.30pm – 7.30pm
Mornings from **Monday 9 October 2023** 9am-10am by appointment

Pinner High School

Days & Evening: **Thursday 5 October 2023** 9am, 10am; 4.30pm, 6.30pm
Information, presentations and tours for parents/carers and children to see the school in the normal working day will take place at 9am and 10am.

The presentations in the evening at 4.30pm and 6.30pm are only for those who cannot come in the daytime and will only consist of a presentation and tour of the premises.

Whitefriars School

Evening: **Wednesday 4 October 2023** 3.30pm to 6pm; Open morning: **Thursday 5 October 2023** 9am-12.30pm (bookable tours at 9am, 10am and 11am)

Whitmore High School

Open Day/Evening: **Monday 18 September 2023** 3.30pm – 5.30pm & 6.30pm – 8.30pm

How to apply

Apply using our online form

Home

Map

Admissions

Apply now

We ask everyone to apply using the online form with the following exceptions:

1. If your child has a statement of Special Educational Needs or Educational, Health and Care Plan, please do not complete an application form.
2. If your child wishes to begin

secondary school in September 2023 but was not born between 1 September 2012 and 31 August 2013, please do not complete an application form. Please email schooladmissions@harrow.gov.uk to apply.

3. You cannot apply for private or independent schools through this process.

Frequently Asked Questions

Do I need to register?

Yes, you will first need to register your details with the website and will be sent a user name and password.

What is the deadline?

Your application must be complete and submitted by 31 October 2023. You can make changes to your application right up to the closing date.

What happens if I do not submit my application in time?

At the end of the process, you will be invited to “submit” the form. Failure to “submit” will mean that your application has not been sent to us, and will not be

considered. You will then have to enter the [late application process](#).

Do I have to complete the form all at once?

No – if you wish, you can complete part of the form, save your position and return later to review, complete or change it. Every time you change your application you will receive a confirmation email.

Are there any tools online to help me choose schools?

The online application system has a [search facility](#) to help you find schools in the local area and offers links to more information about the schools.

Can I apply for a Harrow school if I live outside the borough?

If you live outside Harrow and want to apply to a Harrow school you can list the school on the application you submit to your local authority.

I don't have the internet at home. Where can I apply?

Computers with internet access are available to use free of charge at any Harrow library.

I don't like using computers. Can I get a paper form instead?

No – paper forms will only be issued under exceptional circumstances, due to the extra administrative cost and complexity of processing them.

I need help! Can you help?

Yes – if you need help with your application please email schooladmissions@harrow.gov.uk

Can I apply to schools in other boroughs?

Yes – if you are a Harrow resident you can use the same online form to apply to schools in Harrow and also to schools maintained by other local authorities. You can apply for six schools; however, you may only apply to a maximum of four schools in Hertfordshire. Otherwise there is no restriction to the mix of schools on your application.

What to do if your details change

Tell us straight away if any of your details change after you have submitted your application.

If you move house and change your address; if your child changes primary school; or if any other factual details regarding your application change, please email us immediately at schooladmissions@harrow.gov.uk.

Failure to let us know about changes could invalidate your application or even lead to an offer being withdrawn.

Deciding which address to put on your application

The only acceptable address to put on your application is your child's permanent address and they must be living there at the closing date for receipt of applications.

Please do not list an address of someone who provides a temporary care arrangement for your child, a business address, childminder's address, a relative's address or any other address other than the child's permanent home address.

Home

Map

Admissions

Apply now

Where families have recently moved into an address prior to completing an application, we may require further information to ensure that the property has not been obtained solely for the purposes of obtaining a school place. If a family moves into a property temporarily to increase the chances of gaining a school place, the council will use the permanent residence for the purpose of the application.

All applications that are received will be verified.

For example, if the family own a property but are living at and apply from a different address, the council will assume that the second address is temporary and that the property that you own is where the child ordinarily lives. Where the owned property is being renovated, this will still be considered the family's permanent address.

Evidence will otherwise be required that the property is disposed of. If a family own more than one property, the council will request further evidence to demonstrate where the family normally live to determine the address the council will use for the child's application.

If a school place is offered on the basis of an incorrect address, the place will be withdrawn.

Providing false information or fraudulent documentation could lead also to legal action being brought against you, including a criminal prosecution.

Harrow Council reserves the right at any time to investigate and verify any address, information and/or documentation in order to ensure that it is allocating places appropriately and fairly. These investigations may extend to Council databases, home visits and background checks. We may also ask you for further proofs.

If we offer a place at a school and then discover that the offer was made on fraudulent or misleading information (for example, a false claim to living at an address) we will withdraw the place offered. This has happened in previous years. This will cause considerable distress, particularly for the child involved.

Where a place has been offered based on false information, we can withdraw the offer even after your child has started at school.

In some cases, a child may live permanently with parents with officially shared responsibility at more than one home address. Please note, this only applies to parents, not other carers or relatives. In these cases, the only acceptable address is the residence where the child spends the majority of the school week (Monday-Friday). On the rare occasions when a child's residence during the school week is split equally between parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school.

In all such cases, we require a joint declaration from the parents with officially shared responsibility stating

the pattern of residence. If no joint declaration is received by the closing date for applications, the home address will be taken as the address of the parent who receives child benefit.

In cases where parents are not eligible for child benefit the address will be that of the parent where the child is registered with the doctor.

How the application process works

Home

Map

Admissions

Apply now

On your application form you will be asked to list six schools, ranked in order of preference. You must name the schools that you wish to apply for, in the order you prefer them. You do not need to use all six preferences, however, we strongly advise that you do use all six preferences. There is no advantage in naming only one school. Once the closing date has passed on 31 October 2023, the admissions process will begin.

How the preference system works

All the applications we receive will be considered individually against the criteria published in this guide. Each school will then allocate its places to the children with highest priority under its own admissions criteria.

Each school you name on your application is considered separately. That means that if you have entered six preferences, your child could be eligible to be allocated as many as six places.

When children are allocated a place at more than one school, the system refers to the order of preference that you have listed on your application form.

It will then keep the offer at the school you have ranked highest, and take your child's name off the list for lower-ranked preferences. These places are then released and will be allocated to the children with next-highest priority under those schools' admissions criteria.

Children will only be offered one school place.

When children are not allocated a place at any of their schools of preference, they will be offered a place at the closest Harrow school to their home

address that still has vacancies once the admissions process is complete. Councils will not pass on details of where the school was ranked on your application to schools. No school will be told about other schools listed on your application.

Extremely important advice about the preference system

Harrow has many oversubscribed schools. Every year there are children in Harrow who are not allocated a place at any of their schools of preference. These children will receive an offer for a place, but it will be at a school which they did not choose. These places may be at a considerable distance from their home.

If you wish to have the best chance of avoiding this, and avoiding other common mistakes in the applications process, please consider the following advice when making your application:

- Use all six preferences available to you.
- Use one or more of your preferences on the school or schools nearest your home. The most common admissions tie-breaker for an oversubscribed school is distance from home to school.

HomeMapAdmissionsApply now

- To find out which are your local Harrow schools, you can use the online [distance tool](#).
- Remember to list the school you like the most as first preference, the school you like the second-most as second preference and so on, regardless of its popularity or historical oversubscription.
- Remember to fill out and submit a [Supplementary Information Form \(SIF\)](#) if you are applying to school which has criteria which require a SIF.

Reasons for preference

When you complete the application, there is a space for each preference where you can note why you have selected a school. This information will be passed to the school. The box is optional and will only have an effect on your application if it relates directly to the school's admissions criteria.

Waiting lists

After the admissions process is complete, we strongly advise that you accept the place your child has been offered. If you have not been allocated a place at your first preference school, your child's name will be placed on a waiting list for all the schools which you ranked as a higher preference than the school where you received an offer. Your child will remain on these waiting lists even after you accept your offered place.

Waiting lists are not a 'first come, first served' list and so time on the list does NOT give any priority.

Waiting lists remain in the priority order as determined during the admissions process. This means that your child may move down the waiting list if another

child, with a higher priority under the admission arrangements, is added (for instance, through a late application).

Places are offered from the waiting list throughout the year. If a place is offered from the waiting list, this new offer will supersede any previous offer, which will then be withdrawn. Waiting lists can be [viewed online via MyHarrow](#). Children's names will remain on the waiting lists for Harrow Schools until the end of the 24/25 academic year.

Why do some children get places at schools they haven't applied for?

If, at the end of the application process, your child cannot be offered a place at any of the schools on their application, your child will be allocated a place at the closest Harrow school to their home which still has a vacancy.

It is always a good idea to contact the school where you have been offered a place. This gives you a chance to see the school, rather than rely on what you might have heard about it, and you are also able to discuss any worries that you might have with the school staff. However, if you are still unhappy about the school offered you may decide to use the appeals process.

Accepting a place

Every parent who has applied online for a Secondary place for their child will receive an email on 1 March 2024 to offer their child a place. You will need to log back into the [e-admissions website](#) and accept the offered place.

Hints and tips on choosing a school

Home

Map

Admissions

Apply now

- Familiarise yourself with the admissions criteria for schools.
 - Look at the information on how places were allocated in previous year.
 - Look at the school Ofsted report / school website – schools do change over time so it is important to get your information from a variety of sources and remember that not everything you hear about a school may still be true.
 - During your research, you will need to read the admissions criteria for the school(s) you want to apply to.
- To give you some examples of what to check for:
- Church / Faith schools will give priority to applicants that can demonstrate practice of their faith.
 - Not all schools give priority to siblings, or there may be restrictions for siblings in Sixth Form.
 - Distance from home to school is often used as tie breaker. Distance is usually measured in a straight line from your house to the centre point of the school (but it can be different in some cases).
 - Some schools use random allocation (lottery).
 - Some schools will have medical and social criteria but only if you meet certain conditions – [see page 18](#).
 - Some schools will give priority to staff who work for the school for a certain number of years or in hard to recruit subjects.
 - Some schools outside of Harrow may have additional criteria's that are to do with streaming, testing, banding, musical or sporting ability, catchment or priority areas.
 - Make sure you submit your application on time – if you miss the deadline your application won't be considered until after the National Offer Day.

Late applications

If you do not submit your application to Harrow Council by 31 October 2023 then your child will not take part in the normal admissions process. Instead, they will need to go through a late application process.

You will still need to complete an application form online as normal. However, your preferences will not be assessed or considered until the normal admissions process is complete and offers are made on 1 March 2024. Late applications will then be allocated places out of the pool of places that are remaining.

There are a small number of exceptions to this rule. The following are examples of exceptions that will allow late applications to be considered in the normal admissions process:

1 If your family moved house after the closing date, but before 12 December 2023.

You will be asked to provide a letter from your solicitor confirming the completion date and confirming you have taken up residency. If you are renting, you will be asked for a formal tenancy agreement from a letting agent or estate agent.

2 If your family returned home from abroad after the closing date, but before 12 December.

You will be asked to provide a council tax bill confirming re-occupation of your property and cease of any tenancy on the property; you will also be asked for confirmation for your move from your employer.

3 If a single parent has been ill for some time, or there has been a recent death of an immediate family member.

You will be asked to provide evidence of the above.

Late changes to your application

You must tell us straight away if any of your details change after you have submitted your application.

If you move house and change your address; if your child changes primary school; or if any other factual details regarding your application change, please contact us immediately at schooladmissions@harrow.gov.uk.

Failure to let us know about changes could invalidate your application or even lead to an offer being withdrawn.

Please note if you move after the 31 October your application will be considered from the address that you were living at prior to moving. We will only be able to update the address after the 1 March 2024.

Travel
map

Avanti House is a free school for boys and girls aged 11-18, set up in response to parental demand.

The school has moved to its new £25-million-pound building located in Stanmore, Wemborough Road, HA7 2EQ. There are a full range of facilities including; state of the art sports grounds and hall, performing arts suite and fantastic teaching rooms.

Ethos

Avanti House is founded on three pillars – Educational Excellence, Character Formation and Spiritual Insight.

We ensure that Avanti House is a truly inclusive school where the values, enshrined in our vision statement are evident not just in our policies but also in our daily practice; that they can be witnessed in the curriculum we offer and in the relationships which we develop with one another.

The 2018 Ofsted report stated that “Through working as a team and developing a shared culture of high expectations, you and your leadership team have created a learning community that pupils say ‘feels like a family’”.

Curriculum

Avanti House School offers a broad, balanced and challenging curriculum

centred on the academic rigour of the English Baccalaureate with specialisms in mathematics and performing arts. Targets are set for the very highest achievement across the curriculum and current students are already on target to exceed them.

In Year Seven, pupils have the chance to study French and Spanish and Sanskrit. Yoga and meditation are taught within drama lessons. The school, via its bespoke philosophy, religion and ethics programme (PRE), encourages students to understand and appreciate the value of self, of others, of family and community and of the environment.

The PRE programme also looks to nurture critical thinking and reflection around meaning in life, their own understanding of and relationship with God and how they might live an ethically and morally sound life.

The curriculum as a whole is designed to nurture highly aspirational, confident, independent, expert learners who both realise fully their academic potential whilst also developing the attributes of social responsibility and enterprise alongside other skills. This all ensures that our students will go on to thrive as young adults with all the challenges that they will face in a fast-changing 21st century global economy and community. The entire curriculum is also underpinned by the development of six key values:

Home

Map

Schools

Apply now

Respect, Courage, Empathy, Integrity, Self-discipline and Gratitude. Behaviour at Avanti House School is outstanding; our existing students are fiercely proud of their school.

The school currently operates a six period day (each of one hour) with an hour after school most evenings for enrichment clubs.

Our early start at 8 a.m. (Breakfast Club from 7.30am) and vegetarian cuisine ensures we get the best out of our pupils while still leaving time at the end of the day for our varied extra-curricular programme.

Staffing

Avanti House benefits from a highly dedicated and professional staff who are entirely committed to the academic, spiritual and emotional needs of the children. Their approach to teaching is characterised by:

- High expectations which encourage achievement
- An understanding of the individual needs of each child be they gifted and talented or having a special educational need.
- An appreciation of the benefits of collaborative learning, supported by high quality ICT and bespoke resources, and of learning beyond the classroom – including trips and visits.

Quality Assurance, Student Support and Student Voice

Every parent wants to know that their child is well-known and well-looked after at school and at Avanti House our OFSTED-endorsed systems ensure just that. Each child is allocated a tutor and is placed in one of our four Houses. While taught in year groups, each student belongs to a House which contains pupils of mixed age groups so that the younger can learn from the older and vice-versa. This also provides a structure for inter-

house competitions and leadership opportunities where pupils can take on additional responsibilities, regardless of their age. The school has a well-staffed and experienced inclusion department to cater for the needs of all and also a very active Student Council which feeds back regularly to staff and actively influences school-policy on such matters as behaviour, homework and catering.

Beyond the formal Curriculum

Avanti House offers a wide variety of after-school clubs on mid-week evenings, including:

chess, choir, dance, art, drama, netball, cricket, football, ultimate frisbee, gifted and talented, magazine, and science clubs to name a few.

Music tuition is available across a range of instruments and amongst the many extra-curricular events this year have been the following: • All You Need is Love performance on the Southbank, Arts Week, museum trip, “Stomp” visit, “Winter’s Tale”, “Phantom”, Gothic Tales, mask-making, tap dancing, Lord’s Cricket, drumming workshop, “Avanti’s Got Talent” and an in-house production of “Oliver!”.

In conclusion

Avanti House offers a well-rounded education to all its pupils, identifying strengths and talents and developing that potential to the full, with academic achievement and character development side-by-side. Young people will leave Avanti House well qualified, confident, creative and characterful.

More details are available on [our website](#) and parents are encouraged to visit the school in session to meet our very happy community, sample the unique family atmosphere and witness for themselves the excellent teaching and strong work ethic.

Avanti House Secondary School

Oversubscription Criteria

Where the School is oversubscribed, the available places will be allocated to children in the following order of priority:

1. Children Looked After¹, previously looked after children and children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

2. Children with a sibling² attending Avanti House Secondary School or Avanti House Sixth Form at the time of application.

Details of sibling to be included in the Common Application Form submitted to the Local Authority.

3. Children who attend Avanti House Primary School or Krishna Avanti Primary School (Harrow) at the time of application.

4. Children of a member of the School's staff who:

a. Has been employed at the School for two or more years at the time of application; and/or
b. Was recruited to fill a vacant post for which there was a demonstrable skill shortage.

For the avoidance of doubt, "a" and "b" above do not denote an order of priority – all children falling within this category will be treated equally.

5. Up to 15 places to Hindu children with a practising Hindu³ parent who worships at

an ISKCON temple in the following order of priority:

5.1 Hindu children with a practising Hindu parent who has taken initiation (diksha)⁴ and
5.2 Hindu children with a practising Hindu parent who attends Sanga⁵;

To be included in this category, a completed supplementary information form ("SIF") certified by a representative of the ISKCON temple must be submitted to the School by the closing date for applications, in addition to the Common Application Form submitted to the Local Authority. Children for whom a certified SIF is not received by the closing date for applications, and children falling into this category who do not achieve a place, will be included in the next category that applies.

6. Up to 15 Hindu children with a practising Hindu parent who do not worship at an ISKCON temple. To be included in this category, a completed SIF certified by a representative of the parent's temple must be submitted to the school by the closing date for applications, in addition to the CAF submitted to the Local Authority. Children for whom a SIF is not received by the closing date for applications, and children falling into this category who do not achieve a place, will be included in the category below.

7. All other children.

[Visit the website for a full copy of the Admissions Arrangements](#)

1 A "looked after child" means any child who is in the care of a local authority or is being accommodated by a local authority in the exercise of their social services functions as defined in section 22(1) of the Children Act 1989. A child who was "a previously looked after child" means a child who was looked after but ceased to be so because they were adopted, became subject to a child arrangements order (defined by Section 8 of the Children Act 1989 as amended), or became subject to a special guardianship order (defined by section 14A of the Children Act 1989). A child who appears to have been in state care outside of England means a child who was in the care of or was accommodated by a public authority, religious organisation, or other care provider whose sole or main purpose is to benefit society. Relevant evidence may be required to be submitted (as per Section 2.5 of the 2021 Admissions Code).

2 A "sibling" will include full or half brother or sister, an adopted brother or sister, a step-brother or sister or a foster brother or sister, provided that in all cases the sibling and the applicant child live permanently at the same home address (as defined by this policy) and are being brought up as siblings. For the avoidance of doubt, a child of a friend or extended family member (for example, a cousin) living at the same address will not be a sibling for the purpose of this policy. Parents must ensure that they have included full details of the sibling in the Admissions Application Form to be included in this category. Failure to do so will result in the child being placed into the next category that applies.

3 For the purpose of this policy, "practising Hindu" means worship at a Hindu temple at least monthly for at least one year at the closing date for applications. An adjustment to this requirement may be made by the temple's representative to take into account difficulties caused by disability or other unavoidable cause which has prevented this level of worship.

4 "Initiation" is acceptance of the shelter of a bona fide ISKCON guru and commitment to follow the principles laid down by the authorities within ISKCON attends Sanga⁵

5 "Sanga" is a registered congregational programme which involves regular congregational spiritual development meetings (usually held at least once every month) led by an experienced practising devotee recognised by the temple.

Our Ethos

“The school’s motto, ‘learning today: leading tomorrow’ permeates through students’ attitudes and the commitment of staff: all are united in working together. The school has successfully created an inclusive atmosphere where mutual respect exists.”

– Ofsted

We are very proud of Bentley Wood. It is a truly outstanding, inclusive academy girls’ school which values each of the students equally and recognises their individual gifts and talents. Our CARE values, communication, achievement, respect and empathy, underpin the vision for all members of our diverse and vibrant community. The school has an outstanding record of academic excellence. This is achieved through the highest expectations, together with inspirational teaching and learning experiences. There is a strong sense of pride with the girls and staff showing great commitment to the school.

Our teaching and support staff are of the highest calibre. We all share the vision of achieving our personal best and are committed to working hard.

The school’s excellent GCSE examination success has been recognised by Ofsted and in the Government’s Performance Tables with both sources confirming that the school adds exceptional value to students’ achievement.

Our Curriculum

At Bentley Wood we provide a rich and relevant personalised curriculum that engages, motivates and challenges girls to achieve their best. All students in Year 7 and 8 follow an enhanced model of the National Curriculum. The full range of GCSE courses are offered for students to study. The vast majority of our students follow the English Baccalaureate, which is enhanced by other GCSE options. Homework is an important part of studying and is set daily from Year 7 through to Year 13.

Our curriculum is underpinned by:

- outstanding teaching and support staff;
- the highest expectations of students;
- extensive use of IT in our learning and teaching in school and at home;
- a coherent approach to personal development where we care about every child;
- excellent provision for the most able students.

Pastoral Curriculum and Student Support

Pastoral care commences before girls join Bentley Wood. Parents/carers have individual meetings to establish our close family partnership. During the summer all students attend an induction day. On induction day girls meet their tutors who care for them on a daily basis and stay with them as they progress up the school. The pastoral team ensures that each student’s

Home

Map

Schools

Apply now

academic progress, attendance, punctuality and overall development are monitored very closely.

Integral to our pastoral and academic support is:

- our close liaison with primary schools;
- regular consultation with parents/family members;
- detailed assessments and reports;
- parents' information evenings;
- support for students with additional learning needs;
- active student voice through school council and their committees and our student leader groups.

Wider Interests

“Students’ contributions to the school and community are truly exceptional.” – Ofsted

At Bentley Wood, students extend their learning and personal development through a wide and exciting range of extra-curricular activities including:

- Duke of Edinburgh programme;
- visits abroad to Spain, France and Italy
- an extensive range of sporting activities including; tennis, football, cricket, athletics, netball, and dance;
- annual drama productions and showcases;
- Activity Week which includes rock climbing, water sports, murder mystery challenges and learning new skills;
- concerts of music and dance;
- visits to art galleries, museums and theatres;
- an extensive range of lunchtime and after school clubs and activities including Anthropology, Ancient Greek, Science & Maths clubs;
- Breakfast Club daily from 7.45am - 8.40am offering a free healthy breakfast.

Our Facilities

Bentley Wood is set in a unique environment in Harrow, and its facilities, indoors and outdoors, are acknowledged as superb:

- A brand new state-of-the-art school building with 13 additional classrooms
- 27 acres of woodland, tennis courts, hockey fields and athletics track;
- A brand new sports hall with outstanding facilities
- 8 science laboratories
- Excellent library facilities
- 7 IT suites plus Apple Mac facilities in music, art, technology, health and social care as well as iPads for students
- A modern Sixth Form building
- Purpose-built drama and dance studio
- Fully refurbished technology suites.

“My daughter has had an amazing first year in high school, I have seen her grow in confidence as well as academically. This is thanks to the high aspirations and dedication of the staff here at Bentley Wood, giving her opportunities and experiences she has not had before.”

– Year 7 parent

Conclusion

“Students’ behaviour around the school and their attitudes to learning in lessons are exemplary.” – Ofsted

Bentley Wood is a flourishing and successful school in which staff, students, parents and the school's Governing Body all work together in partnership to ensure that every student is able to fulfil her potential in all aspects of school life by achieving her best.

Bentley Wood High School

Oversubscription Criteria

If there are fewer applicants than there are places available for Year 7 entry in September 2024, everyone who applies will be offered a place.

Girls who have an Education, Health and Care Plan or statement of special educational needs which names the Academy will be allocated a place at the Academy in accordance with their statutory entitlement.

If there are more applicants than there are places available after the admission of girls with an Education, Health and Care Plan or statement of special educational needs naming the academy, the following criteria will be considered, in order, to determine who will be offered a place:

1. Girls who are looked after or were previously looked after A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted;

2. Medical or social needs of the child Girls for whom it is essential to be admitted to a specific school because of special circumstances to do with significant medical needs and or social needs. (See below for definition of medical or social needs of the child);

3. Medical reasons relevant to parent(s) Parent(s) where there are special medical reasons for seeking a place for their daughter at the school. (See below for definition of medical reasons relevant to

parent(s) and parent);

4. Siblings Girls with a sister attending the academy in years 7 to 11 at the time of application. The sibling link does not apply to students who are attending the sixth form in September 2024. (see below for definition of sibling);

5. Children of staff of the school Girls where their parent(s) has been employed by the academy trust at the academy for at least two years at the date of admission or where the member of staff has been recruited to a vacant post where there is a demonstrable skills shortage (see below for definition of parent); and

6. Children transferring from primary schools within the Academy Trust Up to 20 places will be allocated to children from Aylward Primary School allocated to the girls who live closest to the school.

7. Random computer selection All except 60 places will be allocated on the basis of random selection made by computer after girls have been allocated places under criteria 1 to 6 above;

8. Distance from home to school 60 places will be allocated to the girls who live closest to the school. This must be the address where parent and girl normally live and they must be living there on the closing date for receipt of applications (see below for definition of distance).

Girls of multiple births: In cases where there is only one place available at the school and the next girl on the waiting list is one of a twin, triplet or other multiple birth group, both twins (or all the siblings in the case of other multiple births) would be admitted, even if this meant that the school would admit in excess of the admission number.

Travel map

Canons is a vibrant and successful school. Our vision statement is “an inclusive community of excellence for hearts, minds and futures”, which reflects our commitment to nurture your children towards adulthood, to educate them to the highest standards, and to ensure their progression to higher education and valuable employment. Our vision statement also demonstrates our commitment to community, and especially to working effectively with the families of our students.

Great Learning

At Canons, students follow a three-year key stage three programme during which they study the national curriculum in computer science, technology, food, history, geography, religious studies, PE, drama, art, music and media studies, as well as English, maths and science. Students are able to sample Italian, French and Spanish before choosing which language to study for the rest of Years 7, 8 and 9.

With these strong foundations, students at Canons begin GCSE studies in Year 10. They choose four options subjects which they study for two years, taking exams by the end of Year 11. After Year 11, students can join our oversubscribed sixth form to continue their studies in a wide range of subjects, including all the traditional academic subjects as well as new subjects such as psychology, sociology and law. For those who are interested in a more vocational curriculum, there are a wide range of post-16 BTECs to study, including Sport and Health and Social Care. Students take two more options in Year 10 and in Year

11. Since September 2020 we have changed our curriculum model so that students in all year groups gain time in school, increasing our weekly offer from 25 hours to over 28 hours of learning time. This has allowed us to increase the October half term from one to two weeks, ensuring that staff and students can refresh themselves to ensure teaching and learning are always effective.

“The school’s innovative curriculum makes a strong contribution to pupils’ learning across a wide range of subjects.” – Ofsted, 2019

Of course, not all student learning is academic in nature. At Canons, students can choose from a wide range of extra-curricular clubs and activities, including sports clubs such as football, netball, basketball, cricket, gymnastics, karate and dance. Other activities include astronomy club, film club, student masterchef, eco-warriors and digital leaders. All clubs, curriculum trips and course materials, are free of charge because we believe that a good education is a right not a privilege.

“Pupils benefit from rich and varied extra-curricular provision. This makes a strong contribution to their personal development.” – Ofsted, 2019

Canons’ students also follow a personal, social, health and citizenship programme. We have a strong Learning Development team to support students with SEND and those with English as an additional language, seven learning mentors who support students at risk of underachievement, and a school counsellor

and BTEC examinations stretching back to 2010. This was recognised in our recent Ofsted inspection:

“In 2017...pupils’ progress in their best eight subjects combined placed the school in the top 10% of all schools nationally.” – Ofsted, 2019

Following disappointing outcomes in 2019, the school has improved GCSE, A-Level and BTEC outcomes year on year. We have achieved this because, since September 2020, we have significantly increased the curriculum time students have in all subjects and introduced a new teaching, learning and assessment policy based on the latest educational research. We are confident that results will continue to improve in the years ahead as a result of these changes.

“Inspectors found compelling evidence... that pupils make consistently good progress across many curriculum areas, including the humanities, the arts and modern foreign languages.” – Ofsted, 2019

Our students’ success is also the result of focused support for students with the greatest needs, both in and out of the classroom. Canons has a record of helping students with low prior attainment, special educational needs and English as an additional language to ‘close the gap’ with their peers. We are absolutely dedicated to being an inclusive community.

“Staff are well informed about how to meet the pupils’ individual needs.” – Ofsted, 2019

Above all else, at Canons we recognise that school is important as a place where children become young adults ready to venture out into the world. The high levels of exam success, and our inclusive sixth form curriculum, ensure that a much higher percentage of Canons students go on to higher education or degree-level apprenticeships than is the case in schools nationwide.

Great Partnership

Students at Canons benefit from the incredibly strong partnerships we have with families, local employers, social services, the police, and a wide range of other educational providers. We regularly hold parent partnership events to help keep you informed about your child’s education and to offer the opportunity for you to hear from experts on things that may affect your family as your child grows through adolescence, such as

the potential risks of social media.

“Leaders use their strong understanding of local risks to ensure that pupils who may be vulnerable to harm are kept safe and protected and receive the early support they need.” – Ofsted, 2019

Our partnerships also ensure that the children have access to opportunities to learn beyond the curriculum, and to show their leadership skills in the wider world. Sports leaders have worked with primary school students, digital leaders have taken part in conferences across Europe and our student government have liaised with local and national employers in recent years. We have also established an excellent and very successful relationship with Barnet FC and the London Bees to allow aspiring professional footballers to combine training as a sports’ professional with academic qualifications.

Great Professionalism

The community focus of Canons High School means that relationships between staff and students, and between students, is of paramount importance. It is a wonderful place to work and study, which explains why staff recruitment and retention are so strong. This allows your children to develop long-term and productive relationships with their teachers. It also ensures that staff at the school have enhanced skills in meeting the needs of all students so that they learn well and achieve highly.

“The headteacher has developed a very strong culture of professional development at the school. He is highly valued, respected and supported by staff.” – Ofsted, 2019

This is a very good time to be joining Canons High School. After two ‘outstanding’ Ofsted judgments in 2010 and 2013, we lost this status in 2019 and have made significant changes to achieve it again at our next inspection. In the past three years, we have addressed all of the issues raised by the inspection team whilst, at the same time, holding on to what makes us a wonderful school community. The quality of education we provide, and the professionalism of our students, has been transformed. The impact of this on student achievement and progress can already be seen and will only strengthen in the future. We welcome all families who want to know more and look forward to seeing you to show this improvement at our Open Day on Saturday 1st October 2023 and Open Mornings on 3rd and 4th October.

Achievement

Harrow High School is an exciting and dynamic school. We have a track record of excellent examination outcomes at both GCSE and post-16 level (A-level and BTEC) where, year on year, learners make excellent progress. We know that when young people join us their parents expect them to be successful and to enjoy school, and we work hard as a community to meet and exceed these expectations. Our staff expect to learn too and are all involved in research and pedagogical study to ensure that their practise is constantly evolving, allowing us to deliver even greater rates of progress for our learners.

Our strong academic success is a testament to the dedication of our teaching staff, together with the outstanding pastoral support provided by experienced senior staff. As a result, learners from Harrow High regularly secure places at some of the best universities in the country. We have the highest expectations of each other and this is reflected in the excellent behaviour and attitudes to learning of our young people. Our core beliefs are based around the expectation of excellence and are the characteristics we want our learners to leave with after a long and happy education.

School Beliefs

We believe in Excellence for All. This means:

- Excellent learning and progress
- Challenge and engagement, meeting and exceeding targets

- Excellent aspirations
- Quality progression, passion for learning
- Excellent behaviour, safety and care for each other
- Respectful challenge, showing empathy
- Excellent communication
- Understanding each other, clarity of purpose

Teaching and Learning

“Students are keen to learn and there is a good atmosphere in classrooms. Teaching in English and maths is outstanding” – Ofsted

Our dedicated and skilled staff ensures excellent teaching and learning for all. Classes are energetic, vibrant and tailor-made to meet the needs of individuals, whatever their level of ability. At Harrow High School we truly believe in excellence for all. We are proud of our learners. The school’s strategy to raise achievement is reflected in our continued upward trend in GCSE and A level results and the excellent rates of transition to university. Exam results are only one facet of school life.

The school has the highest aspirations for all of our learners. If learners believe they will be successful, they will be. We work hard to embed within them confidence and a desire for success in all that they do. Our aspirations programmes involves cultural and philosophical activities which help young people develop this. Education outside of the school premises is key to this.

Home

Admissions

Apply now

Every learner is involved in at least three cultural trips every year, designed to expand their horizons and all learners will have the opportunity to experience foreign travel. In addition, a wide range of excursions take place across all faculties in the school which support learning across the curriculum.

“It has been a great experience for my daughters to attend Harrow High School for the past few years, as the school has helped them since their very first day... The positive experience of my daughters in the Sixth Form, achieving A A* A C in Year 13 and achieving AAAA grades in Year 12 encouraged me to enrol my youngest daughter in Harrow High School too”*

– Parent

“I am very grateful to all the staff at Harrow High School, for supporting my daughter so much over her time in the school. Her successes (achieving Triple Distinction in BTEC Science) would not be possible without the hard work and encouragement of her teachers”*

– Parent

Behaviour and Safety

We expect good behaviour in school at all times and learners to be polite, co-operative and respectful of their teachers and each other. Excellent attendance, punctuality and being prepared for classes is essential.

“The teachers were always there for us when things got hard, offering support and advice. The friendly environment and people at Harrow High School are amazing”. – Learner

Pastoral System

All year groups are supported by a Head of Year, an Assistant Head of Year, a member of the senior leadership team and form tutors who all ensure that students are well cared for and provides the link between home and school. On the rare occasion when children need extra support they are able to speak

to their form tutors or specially trained peer mentors. Students are recognised through the praise and reward system.

“Students say they feel very safe in the school and are extremely well cared for”

– Ofsted

As a parent/carer you have a vital role in supporting your child in school. Parents are invited in for regular parents' evenings to discuss academic progress, or to discuss option choices and students receive three reports a year. The school website, SIMS parent app and the school website are also good sources of information.

Sixth Form

Our learners are happy studying in Key Stage 5 knowing they have made the right choice, working in a familiar environment with teachers who are always there to help, encourage, support and teach outstanding lessons. The majority of our Year 11 stay on to join our expanding Sixth Form, with excellent progress rates to university, apprenticeships or employment.

“I put my English results down to two things – hard work and... the best teacher in the world!”

– Year 11 Learner, A**(9) x 2 in English language and English literature, plus AAAABB)

“Quite simply Teachers! Teachers! Teachers!”

– Year 11 Learner, A**(9) in English literature, plus A*AAAABB)

Students are clearly proud of their school and value the great efforts staff are prepared to go to in order to help them. Parents and carers echo this view very strongly. Visitors comment on the warmth of our children's welcome and this is instrumental in building learners' confidence and ambition.

We want to ensure your child is happy at school. Do come and visit us to find out more about Harrow High School.

Consistently in the top performing schools nationally for student progress at GCSE and A Level, Department for Education

Our Mission

“The school has a welcoming and inclusive ethos. Pupils say they feel part of a harmonious community. The diversity of cultures and experiences pupils bring to the school is celebrated and valued. Pupils respect different lifestyles and cultures.”

– Ofsted 2018

At Hatch End High School, we care about and are totally committed to each and every student’s academic success and personal well-being. Our core purpose is to enable all young people to make exceptional progress and achieve outstanding outcomes so they are able to live fulfilling and successful lives. We are proud of being a high performing, inclusive community school which welcomes all cultures, faiths and beliefs. Our core values of co-operation, ambition, respect and empathy underpin everything we do.

An Outstanding Curriculum

“The curriculum motivates students and promotes their skills and knowledge development effectively. Students say that the promotion of independent learning skills helps them prepare well for future learning and work.”

– Ofsted 2018

We offer a broad, ambitious and personalised curriculum which provides for all abilities, challenging the most able and developing skills and talents for all groups of students. The Parliamentary Review has recognised our outstanding curriculum on a national level. We believe STEAM subjects (Science, Technology, Engineering, Arts and Mathematics) are major contributors to the prosperity of the UK and our curriculum reflects a creative and inspirational approach to teaching and learning in all subjects, including English, Languages and the Humanities.

After an enhanced foundation in Key Stage 3, Years 7 – 9 students commence GCSE studies at the beginning of Year 10. These GCSE pathways are carefully constructed to allow choice and flexibility in a wide range of academic and applied subjects. In Years 12 and 13, our flexible and student-centred curriculum enables students to choose from an exceptionally wide range of courses, after which over 90% of students move successfully on to University, many of them Russell Group.

Our students consistently make outstanding progress and we are regularly in the top 20% of all schools nationally for both GCSE and A Level performance. However, this academic excellence is paralleled by our equal commitment to develop the personality, talents and

abilities of all our students.
We care about our young people as individuals which means always ensuring a careful balance between challenge and support.

“Published examination results confirm that learning has remained strong across the school, particularly in the Sixth Form.” – Ofsted 2018

We are a lead school for teacher training and part of the nationally renowned “Teach First” programme which attracts the highest calibre of teachers to the profession.

A Tailored Learning Experience

“One of the central reasons for pupils’ success is the clear and effective promotion of their well-being.” – Ofsted 2018

We recognise that everyone needs to be challenged throughout their school life and we place great emphasis on monitoring individual academic progress with regular and robust assessments.

Our most able students are given numerous opportunities to excel, including the opportunity to acquire membership of the nationally renowned Brilliant Club and Inspire Programme. Our Aspirations Programme provides high quality academic enrichment activities for all students, including strong links with Oxbridge and the Russell Group Universities.

When a student is identified as having a particular learning need, our large and very experienced Special Educational Needs team provides an extensive variety of interventions to support the individual and allow them to have equal access to the curriculum, enabling them to consistently make outstanding progress. The school also provides the Local Authority Hearing Impaired Provision, which is a beacon of best practice.

“I have had so many fantastic opportunities over my seven years at Hatch End High School and am now looking forward to being successful at university.” (Year 13 student)

Awards and Achievements include:

- Regularly in the top 20% of schools nationally for student progress at GCSE and A Level
- Careers Quality Mark, 2023
- Partner School with Oxford and Cambridge Universities
- High Performing Schools Award - The Schools, Students and Teachers Network
- Inclusion Quality Mark, 2018
- Cultural Diversity Quality Standard GOLD – The Schools, Students and Teachers Network
- Parental Engagement Standard GOLD - The Schools, Students and Teachers Network
- Arts Mark GOLD – The Schools, Students and Teachers Network
- TeachFirst Partner School

Beyond the classroom

Inspirational teaching and learning in the classroom ensures our students’ academic success. Hatch End High School also believes that an outstanding education offers all students an extensive range of extra experiences, which will enable them to develop and be truly successful in life. We ensure our young people have full access to the same kinds of opportunities in the private sector.

In Years 7 and 8, all students have a timetabled hour where they are able to choose from an enrichment offer which will provide them with new skills and broaden their horizons. Students in all year groups are also actively encouraged to become involved in a wide range of supplementary activities provided before and after school, at breaktime and out of school hours. These will include sport and the arts as well as character forming programmes such as Duke of Edinburgh: Brilliant Club; Debate Mate; Young Enterprise; Maths Challenge; and the National Citizen Service.

Home

Map

Admissions

Apply now

Our Science, Technology, Engineering and Mathematics enrichment programme is second to none, and students compete in regular challenges as well as making frequent visits to the Russell Group Universities to participate in a wide range of Masterclasses and an annual visit to CERN in Geneva.

The Arts are woven into the very “fabric of the building” at Hatch End High School and brought alive in the main curriculum areas as well as our extensive enrichment provision. The Music Department offers a huge arrange of opportunities – from individual instrumental lessons (heavily subsidised) to bands, choirs and many, many public concerts. Our whole school productions are now legendary across Harrow and London.

Learning outdoors is essential to develop resilience. The challenges and experiences students face are invaluable markers for future life – building self-confidence, a spirit of adventure and teamwork. An exciting variety of trips, both locally and internationally, take place throughout the whole year, from the Battlefields in France and Belgium to the Art Galleries of New York and the many wonderful free museums in London.

“Pupil satisfaction and pride are echoed by parents and carers in the feedback they provide to the school. Parents highlight the individual attention and additional help pupils receive to help them succeed.”
– Ofsted 2018

We regularly welcome politicians, civil servants and the media interested in our curriculum developments and the achievements of our students. Each year students also actively raise tens of thousands of pounds for national and local charities.

Prime Location

Hatch End High School is conveniently situated in the North West of the borough with easy access to Central Harrow as well as Hertfordshire, Brent, Hillingdon and Barnet.

We are well serviced by the local bus routes: the H12, H14, H18 and 182 – the H12 and H14 stopping directly outside the school. The journey to Central Harrow is only 10 minutes by bus and Headstone Lane Overground train station, which services the Euston - Watford Overground line, is a 5-minute walk away.

Whilst the majority of our students live in Harrow, we welcome each year, students from Hertfordshire, Brent, Hillingdon, Ealing and Barnet.

Brand New School

Hatch End High School has undergone a multi-million pound regeneration programme which now delivers some of the very best bespoke facilities to support our student’s learning and development including:

- Brand new school building opened in September 2019 providing 23 classrooms, including specialist ICT rooms, plus a showcase state of the art library.
- Newly refurbished Great Hall, the largest theatre space in Harrow.
- Fully refurbished science laboratories and state-of-the-art technology suite.
- Modern Sixth Form Centre with designated private study room and bright relaxation area.
- Exceptionally spacious site with new grassed football pitch, an all-weather floodlit games area and two gyms.
- Beautifully designed performance studio to complement our performing arts and drama curriculum.
- Specialist art classrooms, including a photography darkroom and pottery kiln.
- Professional recording and radio station.

We place great emphasis on harnessing new technologies to deliver transformational teaching and learning across all areas of the curriculum. With over 1,200 devices including desktops, Chromebooks and iPads plus specialist multimedia suites for video and music editing, students have access to the very best equipment.

Admissions

Apply now

Hatch End High School

If there are fewer applicants than there are places available for Year 7 entry in September 2024, everyone who applies will be offered a place.

Children who have an Education, Health and Care Plan or statement of special educational needs which names the Academy will be allocated a place at the Academy in accordance with their statutory entitlement.

Oversubscription criteria

If there are more applicants than there are places available after the admission of students with an Education, Health and Care Plan or statement of special educational needs naming the academy, the following criteria will be considered, in order, to determine who will be offered a place:

1. Children who are looked after or were previously looked after A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted.

2. Medical or social needs of the child Children for whom it is essential to be admitted to a specific school because of special circumstances to do with significant medical needs and or social needs.

3. Medical reasons relevant to parent(s) Parent(s) where there are special medical reasons for seeking a place for their child at the school.

4. Siblings Children with a brother or sister attending the academy in years 7 to 11 at the time of application. The sibling link does not apply to students who are attending the sixth form in September 2024.

5. Children of staff of the school Children where their parent(s) has been employed by the academy trust at the academy for at least two years at the date of admission or where the member of staff has been recruited to a vacant post where there is a demonstrable skills shortage; and

6. Distance from home to school Places are allocated to applicants who live closest to the school. This must be the address where parent and child normally live and they must be living there on the closing date for receipt of applications.

Our Vision

Nower Hill High School exists to enhance the future life chances and opportunities of all our students, whatever their starting point, by providing a centre of educational excellence at the heart of our community in which all our students can fulfil their potential. We aspire to be a world class school developing world class students.

Our Aim

Our aim is to realise our vision by a relentless focus on the development of highly literate, articulate, numerate, resilient and confident students who are equipped with the ambition, qualities and qualifications necessary to compete in the 21st century global economy.

Our ethos is based on the following values:-

LEARNING: an enjoyment of learning, knowledge, literacy, articulacy and numeracy, creativity, hard work, teamwork, a can do attitude to overcome adversity.

SELF: self-discipline, excellent behaviour, smartness of appearance, high self-esteem and self-respect, resilience, personal pride, a healthy lifestyle.

OTHERS: integrity, respect, impeccable manners, kindness, honesty, empathy, the appreciation of diversity.

Academic Standards

Nower Hill is well known for its very high academic standards; this is a priority for us and our track record is one of success and improvement. In 2019, the last year that externally assessed and verified results were available, 80% of our students achieved a GCSE Grade 4 or higher (A* to C) in both English and Mathematics, 36% of all GCSE grades were 9-7 (A*/A), 79% of all grades were 9 to 4 (A* to C). Our progress at GCSE places us in the top 14% of schools

nationally. Nower Hill also performs well above the national average in the 6th Form. In our large Year 13 A level cohort of around 200 students, 64% of all grades achieved were at A* to B and 22% of all A level grades were at A* and A. This year's Value Added analysis places our A level performance comfortably inside the top 10% of schools, with over 90% of students moving on to their university of choice.

“Students are extremely keen to achieve. They engage quickly in lessons, maintain high levels of concentration and acquire knowledge rapidly. This, together with teachers’ exceptional planning, high expectations, positive relationships and examination focus, contributes significantly to students’ outstanding academic progress over time.”

– Ofsted

Key Stage 3 (Years 7 and 8)

The full range of core and foundation subjects are taught at KS3. Students study English, Mathematics, Science, PRE, Citizenship, Computing, PE, Art, Classical Studies, Design Technology, Drama, Geography, History, Music and a discrete period focusing on Oracy skills. Students will study two languages from French, German, Latin and Spanish. Ancient Greek is an additional option for some.

Key Stage 4 (Years 9, 10 and 11)

From Year 9, students study the core subjects of English, Mathematics, Science, Citizenship, PE, PRE, and are able to choose up to 4 more subjects which provides a personalised KS4 course in anything from 6 up to 10 GCSEs. This means that within a broad and balanced programme, we

can meet the needs of every student. We offer over 25 subjects to GCSE. A number of students may take up the option of an early entry GCSE in Ancient History, Ancient Greek or Astronomy.

6th Form

“The Sixth Form is outstanding.”

– Ofsted

- Nower Hill has a large and successful 6th Form of some 400 students studying 3 or 4 A levels in Year 12 and 13 from a range of more than 40 subjects
- The ALPS (A Level Performance System) identifies our overall 3 year A Level performance trend as excellent
- The purpose built Howard Freed 6th Form Centre offers excellent teaching accommodation, social and study facilities and has a complement of over 100 computers
- 6th Form private study periods are supervised and supported in one of two study centres
- The vast majority of our students progress to Universities including Oxford and Cambridge with others moving on to Apprenticeships and Art Schools.

Student Support

“Behaviour and safety are outstanding. Students overwhelmingly agree that the school is a safe place to be”

– Ofsted

- Outstanding support is evident throughout the school. We have strong systems to provide appropriate support in meeting the needs of individuals and to ensure all students feel secure
- One Deputy Headteacher,

- Inclusion Centre

Before and after Nower Hill

We work very closely with Primary Schools to ensure good academic progression and effective pastoral care. We are also proud of our 6th Form destinations. Since the inception of the 6th Form students have gained university places at a range

of universities including Oxford and Cambridge, in a range of courses including medicine and dentistry in addition to moving on to high quality apprenticeships with firms such as Google and PWC.

"They are exceptionally well prepared for the next stages of their education and over 90% of all Year 13 students have progressed to Higher Education since the 6th Form opened"
– Ofsted

Extra-Curricular Activities

"The curriculum provides a rich and highly relevant range of opportunities, both in and out of the classroom. Enrichment opportunities are extensive"
– Ofsted

Activities include: music, drama, a whole host of sports teams and clubs, Duke of Edinburgh Award, a variety of school journeys, numerous educational visits and trips abroad. Our Library and Learning Resource Centre and our ICT rooms are open out of school hours; homework and study clubs are also available.

Excellent Facilities

We are both proud of our facilities and constantly striving to improve them. They include:

- Suites of rooms for every subject, enabling specialist teachers to each have their own classroom within a faculty suite
- Every faculty has access to sets of Chromebooks situated in their curriculum area; with subject specific software and broadband access to a filtered Internet. There are 36 PCs in the Learning Resources Centre and over 100 in

the 6th Form Centre

- Digital projection and interactive whiteboard technology is available in every classroom
- 16 modern Science laboratories
- Recently constructed teaching blocks for the English and Science faculties
- A high quality Arts building housing Music, Dance, Drama and Sports Hall for PE
- Newly refurbished Sports Hall with state of the art sports changing facilities
- Superb suite of Visual Arts studios representing an outstanding and unique learning environment, incorporating multimedia and

photography

- An extensive Design and Technology centre incorporating Food, Textiles, Graphics and Design in wood, metal and plastics
- A large and extensive Library and Learning Resources Centre equipped with ICT facilities and a silent 6th Form study room
- Specialist 6th Form areas and rooms
- A fully resourced Careers Room
- A Dining Centre and 6th Form Refectory (we are currently in the process of expanding our Dining Centre)
- All-weather pitch
- A fully equipped medical centre

Open Week: Monday 26th September - Friday 30th September 2023

Nower Hill High School will offer a week of open mornings to welcome prospective parents/carers and children to see the school in action.

Parents/carers and children will have the opportunity to hear

presentations from the Headteacher, senior staff and students followed by a tour of the school. Further information about our Open Week can be found on the Nower Hill High School website from the start of September.

Nower Hill High School

Travel map

Park High is a truly comprehensive school for young people aged 11-18. The school has a rich history that combines the best of traditional values whilst seeking exciting opportunities to develop our school community.

Vision, Ethos and Character

The aim of the school is to fully realise our ambitious vision- To inspire young people to be confident and successful learners who contribute positively to society as responsible citizens. This is supported by our ethos- Investing in each other to be the very best that we can be. Our ethos is the lived experience in our corridors and our classrooms, permeating through the everyday lives of students in the classroom and beyond.

All staff believe in helping everyone to reach their full potential- whether this is academic or personal. We do this by teaching our students about developing positive aspects of their Character through our Virtues: Teamwork, Compassion, Resilience, Integrity and Curiosity. The Virtues are part of our daily language and teachers recognise and reward when these characteristics are demonstrated by students.

“My first impression of Park High School was that it is a very welcoming environment, and I couldn’t wait to learn!” (Year 7 student)

Academic Success

We are very proud of the excellent academic standards our students achieve. This reflects the work we do to develop aspirational, self-motivated and ambitious students. Through the hard work of dedicated staff, high expectations and inspirational learning experiences students have achieved the following in 2022:

- 77% of students achieved a GCSE grade of 4 or higher in both English and maths
- The academic progress of students at GCSE was significantly above the national average and place Park High in the top 20% of schools
- An overall Progress 8 score of +0.46, which is well above the national average
- 36% of all grades in English were 9-7, as were 30% of grades in maths
- 100% of students achieved a grade 9-4 in biology, physics, chemistry, dance and engineering
- 81% of all grades awarded were 9-4
- 34% of all grades awarded were 9-7

- The average grade at A Level was a B
- 53% of students achieved an A*-B at A Level

Curriculum

Our aim is to provide an excellent education for all our students; an education which brings out the best in all of them and prepares them for success in life and the world of work.

The curriculum is designed to be ambitious, balanced and rigorous, in order to maximise students' knowledge, as well as their cognitive and personal development. We continually work to provide coherence within and across subjects, while also mapping the curriculum vertically from Key Stage 2 to Key Stage 5. High quality teaching inspires students to be enthusiastic about their own learning and positive about the challenges of the future.

In Years 7, 8 and 9 students follow a broad and balanced curriculum in both the core and foundation subjects. They will study English, mathematics, science, geography, history, dance, drama, art, physical education, philosophy and ethics, PSHCEe, computer science, music and design and technology. Students also will be taught a language- French, Spanish or German.

From Year 10, students continue to study the core subjects of English, mathematics and science, alongside non-examined subjects of physical education, philosophy and ethics and PSHCEe. Students will then select a further 4 subject choices that will include a Humanity (geography or history) and a language (French, German or Spanish). Selected students will also be offered the opportunity to study further mathematics at GCSE.

Pastoral Support and Personal Development

Our school recognises and values the importance of the pastoral support and wellbeing of all our students. Our pastoral programme includes:

- A structured and supportive pastoral system that includes: Form tutors; Pastoral Support Assistants; Head of Year and Deputies; Allocated Assistant Headteacher to each Key Stage
- Regular rewards and celebrations of achievement and contributions to the school
- Supportive review and follow-up of any wellbeing, academic or behaviour concerns
- Opportunities for parents to meet staff on at least three occasions across the year
- Electronic monitoring of attendance, punctuality, Character points and behaviour
- Student Leadership opportunities, such as Student Council, Buddies, Reading Mentors, Form Captains, Character Ambassadors and Prefects (Upper school)
- Attendance officer to support excellent attendance of our students (well above national average)
- Therapeutic services such as School Counsellor, access to a Mental Health Practitioner, Equine Therapy and Forest School
- Proactive student led groups, such as the Anti-bullying Team
- Regular opportunities for student voice.

“The teachers were friendly and supportive and gave us tips to make high school easier.” (Year 7 student)

Extra-Curricular

We are delighted to offer a broad range of activities outside of the classroom, often leading to further achievements. In particular, our sporting success

Home

Map

Map

Admissions

Apply now

continues to grow (Borough Champions in netball, girls' and boys' football, cricket and table tennis), as well as a nationally recognised Robotics Team, Bronze Award winners at the UK Chemistry Olympiad and many more. Our Performing Arts Faculty ensures there are regular opportunities for our creative musicians, dancers and dramatists, including 'Pippin', 'Chicago' and the upcoming 'Little Shop of Horrors' planned for December 2023.

Other clubs and activities available to all students include: Dance, Media, Chess, Art, Debate, Creative Writing, Textiles, Science, Duke of Edinburgh Bronze and Silver Award and Cheerleading. In addition, staff arrange and facilitate a number of exciting curriculum related trips in each year group, alongside visits abroad such as Belgium. Our offer continues to grow in response to our students and we look forward to more exciting and creative opportunities to engage our students.

"I was really excited to join the different clubs they had at school and to meet new people and make new friends." (Year 7 student)

Supporting Transition

We work closely in partnership with our primary schools to ensure all new students have a smooth transition to secondary school. The Year 7 Team gain an understanding of our students' achievements and how we can ensure

they have the best possible start to their education at Park High. We offer all incoming students and their parents/carers an opportunity to meet with staff at the school in advance so that we can work together and learn more about each other.

Our work with transition continues throughout the school with an outstanding Careers Education and Employment offer, supporting students to make the right choices for their GCSEs and other Level 2 qualifications and beyond Year 11 into our Sixth Form. Students have further opportunities such as 'Employability' workshops and mock interviews, as well as experiencing a 'Day in the Life' of a Sixth Form student in Year 11. We are proud of the academic destinations that our young people move onto, which have included both a range of the Russell Group and universities ranked in the top 50 nationally.

Investing in each other
We recognise that parents want the very best education for their children. The investment in our staff ensures that we constantly challenge ourselves to be the best practitioners for all students. Teachers have regular access to professional development opportunities, including a number of staff undertaking an 'Outstanding Teacher' programme- going onto share their expertise within the school. Our programme for developing new teachers to the profession has regularly been recognised as excellent.

Park High School

If there are fewer applicants than there are places available for Year 7 entry in September 2024, everyone who applies will be offered a place.

Children who have an Education, Health and Care Plan or statement of special educational needs which names the Academy will be allocated a place at the Academy in accordance with their statutory entitlement.

Our Background

Pinner High School was one of just eight schools in the country shortlisted for the 2020 TES Secondary School of the Year Award, out of over 4000 eligible schools nationally. We were rated 'Outstanding' in all categories by students, staff and parents in June 2017, and 'Outstanding' in all categories by Ofsted in May 2019. We are an inclusive school for the local community. Pinner High School was set up by the existing successful Harrow high schools, and their expertise and support ensured Pinner High School launched very successfully.

Our Ethos

Pinner High School is a learning based community with high aspirations for all. We provide a first rate personal, inclusive education, through a tried and tested curriculum carefully supported by individual pastoral care. Students have the opportunity to excel in and out of the classroom, on the sports field, on the stage, in the community, enjoying a wealth of enrichment opportunities.

We bring life to the motto 'Inspiring Learning'. A great deal of this comes

with the exceptional every day experiences students expect with our first class staff. It also demonstrates the responsibility our young people will have as Pinner High School students to make a commitment to inspire others. We will equip our students with an understanding of themselves, an appreciation of the world around them and a desire to innovate and solve problems as active contributors to society.

The ethos is based around the Pinner High School Values:

Myself

kindness, compassion, integrity, balance, respect, trust.

My School

creativity, enthusiasm, resilience, flexibility, dedication, perseverance.

My community

responsibility, collaboration, open-mindedness, confidence, adaptability, courage

"There is a consistently caring culture at the school"

– Ofsted 'Outstanding' 2019

Our Curriculum

“The formal and wider curriculum ensures that pupils flourish academically while developing outstanding personal and social skills” – Ofsted ‘Outstanding’ 2019

Years 7 and 8 students follow a Key Stage 3 curriculum that prepares them with the skills and knowledge to succeed in their subsequent GCSE studies.

The broad and balanced curriculum includes English, Maths and Science, History, Geography, Art, Design technology, PE, Drama, Music, Computer Science, and PRE (philosophy, religion and ethics). All students study Mandarin and Spanish.

All students should come to Pinner High School ready to be challenged, and confident that the staff will enthuse and stretch them. The Key Stage 4 curriculum has a core GCSE curriculum in English, Maths, Science, PE, and PRE, including banding to ensure appropriate stretch and challenge.

Students will then select options depending upon their interests and abilities. Staff will support students in their choices, including consideration of implications for progression at 18 into higher education or employment.

Our Enrichment programme

“The school’s work to promote pupils’ personal development and welfare is outstanding. Parents, staff and pupils share this view.” – Ofsted ‘Outstanding’ 2019

Happy students are busy students, in and out of the classroom. Students at Pinner High enjoy a range of academic, sporting, performance and cultural opportunities to enrich their learning and to stretch and challenge themselves.

This forms a compulsory part of our school day, where all students take part in a range of Clubs, cross-curricular projects and House Events. This programme is known as the Headteachers Challenge.

The Headteachers Challenge Club leaders were recognised with a Certificate of Excellence in the ‘Outstanding School Team of the Year’ category of the Pearson Teaching Awards in 2017. Our Mandarin team repeated this success in the 2020 Awards.

Sharing our success

For more information find us on Facebook, Twitter, Instagram and LinkedIn, and watch our latest film on our Youtube channel.

“Pupils make very strong progress across a range of subjects because of the excellent teaching and high expectations they receive. No ground is lost as pupils get off to a flying start as soon as they enter the school.”

– Ofsted ‘Outstanding’ 2019

Travel map

“Pupils from all backgrounds are welcomed and treated equally well. Pupils’ personal development and welfare are outstanding”. Ofsted 2019

Vision and mission

At Rooks Heath School, we aim to provide a safe, nurturing and stimulating environment for every child to learn and fulfil their potential. Our students are developed to have a spirit of curiosity through an enriched curriculum. Students come to Rooks Heath from a variety of backgrounds and are quickly part of the Rooks Heath family gaining a sense of pride and belonging. Through our KS2 Transition right through to the end of KS5, we believe that every second of learning counts and we engage the whole school community in activities that allow every individual to strive to be their best. From various starting points, our students go on to become successful adults because Rooks Heath is a truly inclusive school. Our Careers provision means that all students see the purpose of school and education for life beyond Rooks Heath.

Ethos

“Leaders and managers have created a welcoming and inclusive school community.” – Ofsted 2019

Rooks Heath provides a caring atmosphere where children feel secure and confident to be stretched and challenged as they settle down to focus

on learning. There is an equal focus on the development of the whole child alongside ensuring they fulfil their academic goals to ease their transition to the next stage towards their ambitions.

“Pupils’ behaviour around the school is orderly; they are polite, showing respect for staff and visitors.”

– Ofsted 2019

The focus for students at Rooks Heath is learning and progress. Rooks Heath School’s Behaviour for Learning Policy is used to effectively maintain a clear system of rewards and consequences which is built on our On TRACK Values: T – Teamwork, R – Resilience, A – Achievement, C – Creativity and K – Kindness. Students are able to receive a number of awards for any activities that represent these values. We have the highest expectations for behaviour and respect for others in and out of school. Student punctuality is good and attendance is above average. Students are expected to be exemplary members of the community and all students wear their uniforms with pride. Heads of Year support with students to help maintain good attendance and standards of behaviour on a daily basis. Additional support can be found in our Support Hub which caters to a select group of students with various

- Home

emotional needs with the aim to get all students back 'on TRACK' for learning.

Achievement and Rewards

“Leaders and managers... ensure that teaching is good and that pupils make progress. Expectations are high.”
– Ofsted 2019

Students' academic achievements take place within a stimulating and caring environment, which enables them to develop their individual talents and skills to the full. We have strengths in a variety of subject areas including Modern Foreign Languages, Business and Maths. The progress 8 score for Rooks Heath School has been consistently at or above the national average. There are three academic monitoring periods each year and three grade assessment sheets are produced to monitor progress. Student reports are produced and shared with parents at key intervals throughout the year. Heads of Year monitor the progress of each student in their Year 6 group. Together with subject leads, Heads of Year ensure that a variety of intervention takes place to stretch students when they are exceeding expectations or provide additional support if they are not meeting their targets.

At Key Stages 4 and 5, students make good progress and the School consistently performs well achieving excellence in attainment and progress. Recent School leavers' destinations include top universities such as Oxford, Cambridge, Imperial, The University of the Arts, Warwick, Surrey and other Russell Group Universities.

High Quality Teaching and Learning

“Teaching is good, leading to pupils achieving good outcomes in their work and examinations. A clear assessment policy recognises the needs of different pupils and requirements of different subjects.”
– Ofsted 2019

Rooks Heath is a comprehensive secondary school that is committed to promoting equality of opportunity for all. Everyone has the chance to excel. Our teachers engage in regular professional development, keeping up with the latest research into what effective practice helps children learn which makes them expert in their fields. We are honoured to have a teacher receive the Oxford University Inspirational Teachers Award amongst our staff.

Our teaching and learning programmes enable teachers to develop their individual strengths and talents and bring this to every classroom. Our staff are encouraged to plan together, developing schemes of learning that keep students engaged both in school and from home. We have a well-developed online learning platform which allows students and teachers to communicate effectively remotely, which means no child is ever unable to access teacher expertise. Leaders across the school understand the importance of teaching and learning and Ofsted noted that 'They ensure that teaching is good and that pupils make good progress'.

Curriculum

Rooks Heath has a diverse curriculum which enables students to undertake a broad spectrum of learning pathways to meet their individual needs and abilities. In Years 7 and 8 students study a wide range of subjects which provides the basic skills to move into Year 9 where appropriate pathways are chosen. In Year 9 students study a common core and a mixture of booster and bridging course providing them with the necessary skills for the demand of the Key Stage 4 courses. A broad range of subjects are offered at Key stage 4 including both GCSEs and BTECs. We are very proud of our rich curriculum where we are able to offer a wide range of subjects including Latin and Ancient Greek. Rooks Heath School also has an excellent Post 16 provision for students who are both from within and outside Rooks Heath. Demand is very high for the comprehensive range of AS, A Level and BTEC Level 3 courses on offer. Throughout their secondary journey, students are well guided in making

Home

Map

Admissions

Apply now

choices to pursue subjects for which they have a strong interest and aptitude and also to broaden their learning experience. Students' spiritual, moral, cultural and social development is promoted through a well-organised and effective programme of theme based assemblies, courses in personal development, religious studies and PSHE. Students readily participate in these activities and have good opportunities to reflect on, and discuss, moral and topical issues. Creativity and imaginative approaches adopted in many areas of the curriculum provide students with opportunities for collaborative learning and reflection. British values are also strongly promoted throughout the School through numerous planned off site activities and in the daily life of the School.

Outstanding Pastoral Care

Ofsted: 'The school's work to promote pupils' personal development and welfare is outstanding'.

Personal Tutors look after the day to day needs of students in tutor groups. Students remain with their tutor groups throughout the five years wherever possible. Tutor time activities allow staff and students to build up trusting and mutually respectful relationships between their Personal Tutors and amongst their peers. Key messages which reinforce the expected ethos, broaden perspectives and educate about the world around them are delivered in weekly assemblies. Students have plenty of opportunities to take part in Inter-form competitions. Safeguarding is always a priority to ensure students are happy and safe to learn. Everything we do to care for our students pastorally aims to support their development of good character.

Individualised provision

Student progress is carefully monitored to ensure each one reaches their full potential. Where students show promise in any area, their learning is extended, with many students being identified as More Able. These students are provided with a rich and varied programme of events aimed at developing and enhancing their

knowledge, skills and all-round educational experience. Rooks Heath actively promotes and offers an inclusive education for students with a variety of different needs. We have built strong relationships and links with local primary schools. Part of the transition process is working with primary schools throughout the year to maintain good communication and offer excellent support for all rising Year 7 students. We also offer bespoke transition support for SEND students. We have a dedicated SENCO coordinating a team of highly skilled Learning Assistants and specialist providers who work with students in a variety of environments to ensure that they receive the support they need to progress. Students arriving at Rooks Heath with little or no English attend daily Additional English classes whilst following a normal timetable with their peers. Their language skills are quickly improved and we are proud of the achievement that these children make at GCSE and A Level, where their results are in line with, or above the national average.

Communication with Parents

Communication with parents is vital and we recognise the importance of close, supportive links. Regular contact between teachers and parents is made possible through a variety of parent-contact events, our website and electronic communication. Every student has a Link Book and parents can log into 'SIMS in Touch' to monitor attendance, reporting and homework online by using a secure login. We expect all our parents to keep in touch with the information we share and to contact us with queries or concerns and good news. For more information find us on Facebook, Twitter and LinkedIn.

Extra-curricular

Our extra-curricular provision is a real strength as we believe this apportions balance in our students' lives. Students at Rooks Heath School benefit from several opportunities throughout the year to participate in a host of off-site activities. These range from field trips to visiting museums and travelling to do musical

performances for various audiences. There are a variety out-of-hours learning clubs which take place outside of timetabled lessons including:

- Book Club
- Debating Society
- Music Groups including: Stage Band, String Ensemble and Steel Pans.
- Competitive team-games which are arranged between tutor groups, against other schools in Harrow and nationally.
- A variety of curriculum-linked off-site activities in subject areas including

Maths, English, Science, Drama, Geography and many more.

There is a Breakfast Club which is held at 7.30 am – 8.30 am daily and offers a healthy breakfast, the use of ICT, library facilities and teacher support. Fundraising plays an integral part of Rooks Heath School. It brings students together and teaches the value of philanthropy and generosity.

Parents may use the following email address for any queries:

contactus@rooksheath.harrow.sch.uk

Admissions

Apply now

Rooks Heath School

If there are fewer applicants than there are places available for Year 7 entry in September 2024, everyone who applies will be offered a place.

Children who have an Education, Health and Care Plan or statement of special educational needs which names the Academy will be allocated a place at the Academy in accordance with their statutory entitlement.

Oversubscription criteria

If there are more applicants than there are places available after the admission of students with an Education, Health and Care Plan or statement of special educational needs naming the academy, the following criteria will be considered, in order, to determine who will be offered a place:

1. Children who are looked after or were previously looked after A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted.

2. Medical or social needs of the child Children for whom it is essential to be admitted to a specific school because of special circumstances to do with significant medical needs and or social needs.

3. Medical reasons relevant to parent(s) Parent(s) where there are special medical reasons for seeking a place for their child at the school.

4. Siblings Children with a brother or sister attending the academy in years 7 to 11 at the time of application. The sibling link does not apply to students who are attending the sixth form in September 2024.

5. Children of staff of the school Children where their parent(s) has been employed by the academy trust at the academy for at least two years at the date of admission or where the member of staff has been recruited to a vacant post where there is a demonstrable skills shortage; and

6. Distance from home to school Places are allocated to applicants who live closest to the school. This must be the address where parent and child normally live and they must be living there on the closing date for receipt of applications.

PLACES 150 AGES 11-16 GENDER Girls TYPE Academy

Travel map

The Sacred Heart Language College has a long tradition of excellence in education and has been part of Wealdstone since 1907.

As part of the Blessed Holy Family Catholic Academy Trust we work in partnership with the Catholic Community to provide a route of excellence for the transition of girls to secondary school.

As a single-sex Catholic school, we provide the opportunity for girls to acquire confidence, qualities of leadership and a love of learning and high expectations. The school has been a specialist Language College since September 2003 and in 2009 became a Leading Edge School. In 2008 and 2019 the school was graded Outstanding by Ofsted and the Diocese of Westminster.

Aims

The aims of our College are very clear: to enable our pupils to come to a deeper knowledge of Christ; to discover and use their individual gifts and skills; and to be aware of the importance of integrity, honesty and justice. We develop their knowledge,

skills and abilities so as to provide an excellent foundation for high achievements. We proclaim the Gospel of Christ so that the girls live by these values now and in the years to come.

Opportunities for a Catholic Education

Our faith underpins all aspects of our school life. Pupils are empowered to respond to God's call to service. Girls are encouraged to make a real contribution to the wider community. As such charity work is an important part of our school life.

We warmly welcome contact between home and school and we work in close co-operation with parents to ensure high standards of behaviour and work, so that every girl can make full use of her God-given talents. Our values and beliefs enable us to develop as a strong community where all are enabled to achieve.

Opportunities for Academic Success

The Sacred Heart Language College offers a broad and balanced

Home

Map

Schools

Apply now

curriculum which inspires every girl to explore her individual talents and skills.

Our last OFSTED inspection judged the school to be outstanding for the second time. It praised the school, stating:

“It is a place that engenders a sense of wonder and enthusiasm for learning in a safe and secure environment where all are known, valued and respected.”

We are a comprehensive community responding to the needs of our students. Teaching provides challenge and support. Every girl is also encouraged to become a self-motivated independent learner. Homework is an important part of our work ethos. The Study Centre and IT Suite, with their excellent facilities, provide scope for quality research and study.

“The school has given my daughter confidence. We are very happy with the quality of the teaching – because they are expected to do well, they do.”
– Parent

Opportunities to Shine

Music is a real strength in The Sacred Heart Language College. With the help of a team of professional musicians, girls have the opportunity to learn to play a wide range of musical instruments which cater for almost every taste. Pupils’ talents and skills are also celebrated throughout the year in dance and drama productions. The school’s high quality PE and sports see our teams regularly Borough Champions in trampolining and a wide

range of sporting activities.

The College currently works with key partners to provide opportunities for gifted and talented pupils and to raise the aspirations of all our girls.

There are opportunities for everyone to shine, to gain confidence and to develop personal and social skills.

“I’m glad I came here. I came on my own, but I soon made friends. The minute you come in, it feels like home.”

– Year 8 Pupil

Opportunities for the future

All girls in Year 10 take part in a work related learning programme. The College is proud of its links with industry and consultants from business and commerce are invited into the school.

Supported by careers advisers every pupil is helped to explore the possibilities suitable for her interests and aptitudes. All pupils progress on to further education or training with most progressing to our partner Sixth Form at St. Dominic’s Sixth Form College.

We at The Sacred Heart Language College look to educate the citizens of tomorrow and to prepare them to face the challenges of their future.

“Children are encouraged to make full use of their natural talents.”

Admission to Year 7

The published admission number (PAN) for the school is 150 girls. The Governing Body has sole responsibility for admissions to this school and intends to admit 150 girls to Year 7 in September 2024. Priority will always be given to Catholic applicants.

Where there are more applications for places than the total published admission number (PAN) of 150 places available, places will be offered according to the following order of priority:

Criterion 1: Catholic “looked-after” girls and Catholic girls who have been adopted (or made subject to child arrangements orders or special guardianship orders) immediately following having been looked after, including those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.

Criterion 2: Baptised Catholic girls with a Certificate of Catholic Practice who are currently attending Catholic primary schools within the London Borough of Harrow, namely St Anselm’s, St Bernadette’s, St George’s, St John Fisher,

St Joseph’s and St Teresa’s.

Criterion 3: Baptised Catholic girls with a Certificate of Catholic Practice.

Criterion 4: Other baptised Catholic girls.

Criterion 5: Other “looked after” girls and girls who have been adopted (or made subject to child arrangements orders or special guardianship orders) immediately following having been looked after.

Criterion 6: Other girls who are currently attending Catholic primary schools within the London Borough of Harrow (i.e. St Anselm’s, St Bernadette’s, St George’s, St John Fisher, St Joseph’s and St Teresa’s) who do not fulfil criterion 2.

Criterion 7: Christian girls from Christian families, whose application is supported by either a certificate of baptism or a letter from a minister of religion confirming membership of the faith community.

Criterion 8: Girls from other faiths whose application is supported by a letter from their faith leader confirming membership of the faith community.

Criterion 9: Any other girl.

Our vision: To be the School of First Choice.

Our mission: We will embrace the teachings of Christ and, in our pursuit of excellence, we will foster a greater knowledge and love of the Divine Saviour. We will develop, in our pupils, exemplary manners and a commitment to their studies so that they make outstanding progress. We will nurture our pupils so that they become effective leaders of good influence.

A Tradition of Learning: Embracing the Future

“Pupils are proud to belong to Salvatorian College. The school is a strong, caring community that nurtures pupils’ talents and abilities. Leaders have high expectations of all pupils. They want every pupil to succeed at school and in life. Pupils meet these expectations and strive to achieve excellence.”

– Ofsted February 2022

“Pupils work hard and show commitment to their learning. In lessons, low-level disruption is very rare”

– Ofsted February 2022

Salvatorian College is a thriving and successful academy for boys aged 11-16. The school recently moved into a new £28-million-pound campus located in Harrow Weald. The new facilities include: seven fully equipped science laboratories, four-court sports hall and

fitness studio, performing arts suite, library, brand new computer suites, and bright, spacious teaching rooms.

Salvatorian College is in a partnership arrangement with the Cardinal Hume Academies Trust which is the third highest performing multi-academy trust in England according to the latest published data.

Ethos

Salvatorian College is a Catholic school and the majority of pupils are from a Catholic faith background; however, it is not just a school for Catholics, and we welcome a diverse range of pupils attracted by our values-led approach.

School life is characterised by outstanding relationships between pupils and staff. The learning environment is disciplined, calm and respectful. Emphasis is placed on virtue and character formation such that pupils join as boys but leave as well-mannered, successful and ambitious young men.

Home

Map

Schools

Apply now

High expectations for all pupils stem from our commitment to excellence. Pupils make outstanding progress, regardless of their starting points. We believe passionately in the importance of recognising every pupil as a unique individual, with their own gifts and talents, who can make a contribution and positive difference to our school community.

You are cordially invited to visit us at our Open Evening, and at any time during the school day, by contacting the school office.

Outstanding GCSE results

Salvatorian College pupils achieve outstanding GCSE results. In the last set of published exam results (2019), the Progress measure, the progress was +0.5. Salvatorian College is the second highest performing school in Harrow for boys' progress. Salvatorian College is the highest performing school in Harrow for disadvantaged pupils.

- 30% of all grades awarded at grade 7 or above (A*-A)
- 75% of all grades awarded at grade 4 or above (A*-C)
- 81% of pupils achieved grade 4 or above in English and Maths (A*-C)
- 57% of pupils achieved grade 5 or above in English and Maths (A*-B)
- Progress 8 of +0.5
- Attainment 8 above 54

These excellent results were sustained throughout the two years of disruption to normal exams caused by the Covid-19 pandemic. The Mayor of London has recognised the success of Salvatorian College, inviting us to join his "Schools for Success" programme. This is because, for the last two years, pupils with low starting points made progress in the top 6% of schools in London.

We offer a progression pathway at the end of Key Stage 4 to our sister sixth

form college, St Dominic's, Harrow on the Hill, and to other leading providers. 90% of Salvatorian College pupils go on to higher education at a university.

A passion for Teaching and Learning

"Leaders are committed to providing pupils with a broad and balanced academic education. Teachers have good subject knowledge. They use it well to present new information to pupils and to revisit what pupils have learned before."

– Ofsted February 2022

Pedagogy at Salvatorian College is of the highest quality. As a partner in the Cardinal Hume Academies Trust, collaborative approaches are taken to planning and developing teaching and resources.

Standards are monitored rigorously and staff undergo continuous training to ensure they remain at the cutting edge of educational practice. Pace, challenge and skilful questioning are consistent features in encouraging our students to think critically and develop their numeracy and literacy.

Pupils are taught in sensibly sized classes – grouped as appropriate, according to ability, aptitude or interest – to ensure that the individual's learning needs are met. Homework is integral to fostering progress and is both differentiated and supplemented by 'challenge' tasks, so pupils consolidate their knowledge and advance their learning.

The progress of pupils is kept under regular review and progress grades are sent home half-termly. Teachers recognise that children learn in a variety of ways and so we tailor approaches, techniques and technologies to maximise opportunity for all.

An extensive programme of after-school and weekend tutoring is provided free of charge for all. Pupils in Year 11 are prepared for exam success through a free Saturday school programme delivered throughout the year.

An inspiring curriculum

“Leaders have developed a curriculum that is ambitious for all pupils.”

“Leaders prepare pupils well for life during their school years and beyond.”
– Ofsted February 2022

Our curriculum is broad and balanced with the academic rigour of the English Baccalaureate at its heart. We meet and exceed the ‘gold standard’ of the National Curriculum. Learning is logical and sequential, with detailed tasks building towards a broader understanding of the bigger picture, enabling pupils to see the links within, and between, different subjects. Understanding is continually tested to ensure effective long-term recall of knowledge.

By building on the “best that’s been thought and said”, we engender an appreciation of human creativity and achievement and give pupils the chance to become a part of this legacy.

Pupils in Years 7, 8 and 9 study a board range of subjects including a core of English, Maths, Science, Religious Education, Humanities and Foreign Languages, supplemented by a range of other subjects including Art, Music, Drama, Computer Studies, Physical Education, Food Technology, and Design Technology.

Pupils in Years 10 and 11 study core subjects and options including Modern Foreign Languages, Art, Physical Education, Business, Computer Studies, Sociology, Psychology and Drama.

The timetable consists of 5 x 1 hour lessons each day (8:45am – 3:10pm). A homework club, staffed by teachers, runs after school until 5pm.

A wealth of enriching opportunities: Educating Beyond the Classroom

“Pupils enjoy attending the school.”

“Teachers educate pupils about different cultures and viewpoints. They encourage pupils to discuss and debate important moral issues.”

“Leaders provide them with a range of clubs and activities to enrich their education and promote healthy lifestyles. These include kung-fu, science and drama clubs, ‘body pump’ fitness and many sports.”

–Ofsted February 2022

Our comprehensive programme of extra-curricular activities provides something for everyone: team sports, individual sports and fitness, Duke of Edinburgh, debating, drama, music, art, science and many other clubs and societies. ‘Wider Horizons Week’ takes place in the week before half-term every October when we drop the academic timetable in favour of an extensive range of trips, international travel and other enriching opportunities.

Our personal, social, health, and economic education programme ensures that pupils develop skills and knowledge they need to live a fulfilling life.

Relationship and sex education is taught in a faith-sensitive manner, with a strong emphasis on respect for human dignity. Pupils are encouraged to consider the meaning of life and their own understanding of, and relationship with, God. Issues of philosophy and ethics are discussed and debated to nurture critical thinking.

The school operates a charity giving calendar and our responsibility to help others less fortunate is important to our

Home

Map

Schools

Apply now

ethos. Pupils organise and run a range of community events including our annual Senior Citizens' party at Christmas in addition to fundraising for nominated charities.

Caring and professional approaches to Pastoral Care, Guidance and Support

"Pupils enjoy attending the school. They are safe here and know who to go to should they have any concerns."

"Leaders know pupils well and establish positive relationships with parents and carers."

"From Year 7 onwards, pupils receive careers education, information and guidance. This allows them to make well-informed choices about GCSE options and post-16 education and training."

*"Pupils behave in a courteous and respectful manner. Leaders have established a calm and orderly environment. They do not allow poor behaviour to affect pupils' learning."
– Ofsted February 2022*

We pride ourselves on looking after our pupils as if they were our own and value each individual as unique and created in the image and likeness of God. Pastoral care is led by dedicated Heads of Year supported by teams of form tutors. They

ensure that pupils are safe, happy and exceeding their academic targets, and communicate frequently with parents and carers. We have a strong sense of community and instil pupils with pride in their Salvatorian College heritage.

Our Additional Needs department supports pupils with special educational needs and disabilities (SEND). Pupils with SEND access the full curriculum and receive effective help in lessons from learning support assistants. Teachers have a strong understanding of pupils' needs and they adapt resources accordingly. This means that pupils with SEND complete the same work as other pupils and achieve highly.

Safeguarding has consistently been judged to be outstanding and exemplary by external reviews. Experienced staff work closely with pupils and their families to provide support when required.

We work closely alongside our feeder primary schools to ensure a smooth and successful transition to Year 7. We visit pupils and their teachers in their primary schools and run an induction day. All transition pupils are invited to attend a week-long summer school programme free of charge.

Further information on all aspects of school life can be found on the Salvatorian College website: www.salvatoriancollege.com

Admissions

Apply now

Salvatorian College

The published admission number (PAN) for the school is 150 children. The Governing Body has sole responsibility for admissions and will admit a maximum of 150 boys to Year 7 in September 2024. When there are more than 150 applications, places will be offered according to the following order of priority:

General guidance

The Governors will give top priority within a category to any applicant whose son has an exceptional educational, social or medical need which can only be met at this school and for which compelling professional evidence is supplied at the time of application.

Applications from boys of multiple births, e.g. twins, triplets, etc. In cases where only one place is available and twins/triplets tie for the last available place, then all will be offered a place even if this exceeds the planned admission number.

Separate application procedures apply to boys with an Education, Health and Care Plan.

Criteria

1. Baptised Catholic (see Note A), looked after boys (see Note B), and Baptised Catholic boys who have been adopted (see Note C) (or subject to child arrangements orders or special guardianship orders (see Note D) immediately following having been looked after).
2. Practising baptised Catholic boys with an older brother (see Note E) who will be attending the school simultaneously.
3. Other practising baptised Catholic boys.
4. Other baptised Catholic boys.
5. Other looked after boys and other boys who have been adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after.
6. Boys of other Christian denominations (see Note F) .
7. Boys of other faiths (see Note G)
8. Any other applicants

Ethos

'Pupils' attitudes towards learning are exceptional' (OFSTED)

Whitefriars School is a fully integrated 3 to 18 all-through school. Our pupils make rapid progress and achieve academic excellence in an environment of love and care. Our school is a strong family where expectations are high, values are positive and children are treasured. Our goal is to equip our pupils with the knowledge, skills and character to achieve top grades at GCSE and A level and to lead successful lives.

We believe that anyone can learn anything and the growth mind-set underpins everything we do. We do not believe that some pupils are bright and that others are not. We believe in the limitless capacity for everyone to achieve great things. We believe that what we become and what we achieve comes from great teaching, hard work and fantastic support.

Our teachers get to know the pupils as individuals and build meaningful relationships that last. We ensure that all of our pupils feel they belong. We value and celebrate the rich diversity and inclusivity within our school community, promoting equality for all.

In May 2018 OFSTED graded our school as outstanding. In September 2021 we opened our brand new sixth form.

Our students make rapid progress and achieve academic excellence in an environment of love and care. Our school is a strong family where expectations are high, values are positive and children are treasured. We believe that anyone can learn anything and the growth mind-set underpins everything we do.

Values

'The behaviour of pupils is outstanding. The school is a calm, orderly place' – OFSTED

We explicitly teach our pupils to live by positive shared values and to hold these deep in their hearts. Our pupils learn to be respectful, determined and resilient. Our pupils learn to be appreciative, loving and honest. This creates a positive school environment and excellent behaviour. We are a Rights Respecting Gold accredited school. The rights of everyone to learn, be safe and feel safe underpins all we do. We have very high expectations; our pupils hold the door for each other and say thank you to pupils and staff for helping them.

Teaching and Learning

'High quality teaching ensures that pupils continue to make exceptional progress' – OFSTED

Our pedagogical approach is rooted in the science of how children learn. We ask lots of questions, we explain in small steps, we link to prior learning and we guide first practice. Our pupils think hard about their learning.

We focus on next steps. This means our pupils are learning exactly what they need to learn at the right time. This is real differentiation. Our home learning system is very well organised.

Curriculum

'Pupils love learning' – OFSTED

We provide pupils with a curriculum of the highest quality. Its broad, balanced diverse design reflects our high aspirations where representation is key for every pupil. We provide the knowledge required for pupils to educated citizens and we provide access to the best that has been thought and said.

We promote the spiritual, moral, social and cultural development of all students and our curriculum allows our pupils to appreciate human creativity and achievement. We place a real focus on the spoken language, reading, writing and vocabulary integral to all aspects of the curriculum and we use every relevant subject to develop mathematical fluency. We fully cater for the needs of students for which English is not their first language.

Subjects are linked in order to provide the integrated experience necessary for high levels of learning. For example, we learn about volcanoes in Geography, explode them in Science, make a presentation about them in Computing

and write about them in a piece of flash fiction in English.

Our curriculum is fully enriched with an programme of visits and visiting speakers.

We take our pupils on fabulous trip around the UK and abroad. At key Stage 3, pupils develop mastery of skills in English, Maths, Science, Spanish and Humanities. Our pupils learn a variety of programming languages in Computing. We provide exciting learning opportunities in Art, Design technology, Physical Education, Drama and Music. Our pupils follow a meaningful programme of Personal, Social and Health Education. All of our KS3 pupils study Latin and Classical Civilisation.

In Years 10 and 11 all of our pupils study GCSEs in English, English Literature and Maths. Most of our pupils will study Biology, Chemistry and Physics and the rest will complete Additional Science (a combination of Biology, Chemistry and Physics). The majority of our pupils will study for the English Baccalaureate which means they will study Spanish and either History or Geography. These pupils will then select two more subjects from Art, Business, Classical Civilisation, Computer Science, Drama, Design Technology, Food Preparation, Music, Physical Education and Religious Studies. The rest of our pupils will study for the majority of the English Baccalaureate. Pupils will also have the opportunity to complete a GCSE qualification in any other languages which they speak. All of our Key Stage 4 pupils will study a programme of Computing, Religion, Physical Education and PSHE.

Reading

We read a lot. Our teachers and form tutors regularly read books and stories to our pupils. Our pupils regularly read their

Home

Map

Admissions

Apply now

own books. We do this because reading has a profound impact on educational outcomes.

Facilities

We have new state-of-the-art buildings with a wide range of extensive facilities. These include high specification Computing facilities, a dedicated Dance and Drama studio, modern and well-equipped Science labs, specialist facilities for catering, a large music centre, specialist Art and Design Technology studios, a large and well-equipped Sports Hall, attractive dining area and school forest.

Lunch

We have our very own resident chef who cooks fresh food on site every day. The chef is brilliant and the food is first class. Sometimes he even uses fruit and vegetables that we have grown in the Whitefriars garden.

Beyond the curriculum

'All pupils are seen as individuals. Staff go out of their way to ensure all pupils are fully included in school' – OFSTED

We offer a wide variety of clubs so that pupils can discover new interests. These include art, textiles, photography, gardening, cooking, media, gadget and origami. Our clubs regularly change and are very innovative. Our pupils chose what clubs they would like us to provide.

We run every extra-curricular club you can think of. Our sports clubs include football, netball, cricket, badminton, rugby, basketball, gymnastics, athletics and dance. We enter our sports teams into every local and national competition we can find.

There is a thriving choir and rock band and pupils learn to play musical

instruments in music lessons. Our pupils sing in assembly because it binds the community together.

We have a hugely successful house system where form groups take part in friendly competition in a range of activities. These include sports, cooking and photography.

Our pupils learn outside in our very own forest area.

Pupil support

'Pupils from a diverse range of backgrounds are welcomed into the school. They receive the support and encouragement they need to excel'
– OFSTED

Our teachers get to know the pupils as individuals and build meaningful relationships that last. This makes the school a happy place. We motivate the pupils through praise and recognition. Pupils with learning or social needs are supported through a range of interventions and individualised programmes.

All our pupils have Record of Achievement pages in their planners to record their merits. Merits are awarded for pupils who go above and beyond and embrace the growth mindset. These merits allow them to work towards a Bronze, Silver or Gold Award each year. Upon achievement of these awards pupils receive certificates, special mentions in assemblies, recognition in newsletters and an invitation to the Gold Award trips.

Engaging with parents and carers

We have a highly visible and responsive leadership team and teaching staff who

Home

Map

Admissions

Apply now

will always find time to talk to parents and carers about the pupils' needs. Our school is built on strong partnerships with families and the local community.

We formally report on KS3 pupil progress three times a year. We formally report on

GCSE and A-level progress six times a year.

These reports detail pupil achievements and their next steps. These are discussed at parents' evenings.

Whitefriars School

If there are fewer applicants than there are places available for Year 7 entry in September 2024, everyone who applies will be offered a place.

Children who have an Education, Health and Care Plan or statement of special educational needs which names the Academy will be allocated a place at the Academy in accordance with their statutory entitlement.

Oversubscription criteria

If there are more applicants than there are places available after the admission of students with an Education, Health and Care Plan or statement of special educational needs naming the academy, the following criteria will be considered, in order, to determine who will be offered a place:

1. Children who are looked after or were previously looked after A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted.

2. Medical or social needs of the child Children for whom it is essential to be admitted to a specific school because of special circumstances to do with significant medical needs and or social needs.

3. Medical reasons relevant to parent(s) Parent(s) where there are special medical reasons for seeking a place for their child at the school.

4. Siblings Children with a brother or sister attending the academy in years 7 to 11 at the time of application. The sibling link does not apply to students who are attending the sixth form in September 2024.

5. Children of staff of the school Children where their parent(s) has been employed by the academy trust at the academy for at least two years at the date of admission or where the member of staff has been recruited to a vacant post where there is a demonstrable skills shortage; and

6. Distance from home to school Places are allocated to applicants who live closest to the school. This must be the address where parent and child normally live and they must be living there on the closing date for receipt of applications.

Student Success

“Students make excellent progress from their starting points. The achievement of pupils is outstanding.” – Ofsted

At Whitmore High School we believe passionately that every child has unique gifts and talents and deserves the best possible education. We have an excellent record of academic achievement and regularly obtain the highest rating from the government for our examination results. We value all our students and expect them to reach the highest standards of work and behaviour in our positive, friendly but disciplined atmosphere.

Curriculum

“The quality of teaching is outstanding. The school provides a wide range of subjects which match the needs and interests of all students extremely well.” – Ofsted

At Whitmore, every child follows a rich, broad and balanced curriculum. High quality teaching inspires and supports students to develop the confidence, motivation and self-discipline to succeed. Teachers provide engaging, well-resourced lessons with

challenge for the most able. In Year 7 and 8 students follow an enhanced programme of study, which includes the national curriculum and much more. Our curriculum includes dual languages (French and Spanish), Music, Drama, Ceramics, Sculpture and Computing. A large number of students also take advantage of the extra music tuition available.

Students in Years 9, 10 and 11 study a range of GCSE subjects that follow the English Baccalaureate. Excellent exam results are a priority and the majority of our students work towards 10 or 11 GCSEs. All students study six core GCSEs (English Language and Literature, Double Science, Mathematics and RE). Optional GCSE subject choices include Art (Ceramics, Painting & Drawing, Sculpture); Business Studies; Computer Science; Design & Technology; Drama; Food & Nutrition; French; Geography; Spanish; History; Media Studies; Music; PE; Sociology and Triple Science. All students complete a Work Experience placement in Year 10. Homework is a vital part of education which helps develop independent learning and is set throughout the school. A homework timetable is issued to students and parents and our library runs a daily homework club, available for all students.

Science College

“Teachers have excellent subject knowledge and high expectations of what students can achieve.” – Ofsted

The school is a Specialist Science College. Resources coming into the school have led to exciting developments in Science and Mathematics, including innovative courses at GCSE and A Level, well-equipped laboratories for inspiring practical lessons, extensive use of computer technology, competitions and special events for our partner schools and the wider community.

Pastoral Care

“Students say they feel happy and safe in the school. They value the support that they receive from all staff.” – Ofsted

“There are excellent arrangements to support students new to the school. The year team and a range of mentors and support staff liaise with local primary schools prior to transfer ensuring a smooth transition and successful start.” – Ofsted

We pride ourselves on the quality of our pastoral care, which commences before students join Whitmore High School. We have an experienced team, which works very closely with primary schools to ease the transfer. Our induction programme includes visits to primary schools, individual interviews for tutors to meet each student and their parents, and a day of special activities that takes place at Whitmore High School. Pastoral care is organised through form tutors and Heads of Year, who move up the school with the students and get to know them very well as individuals. Academic progress, attendance and punctuality are all monitored closely. Parents are welcomed regularly for consultations and Year 8 students have an individual interview to discuss their choice of upper

school courses. In Year 11, each student has a personalised guidance interview to discuss the range of Sixth Form courses available.

Our rewards system recognises hard work and positive contributions to school life and certificates and prizes for these achievements are presented in assemblies and at our annual Achievement Evening. A clear Code of Conduct ensures all students are fully aware of our high standards of behaviour. Emphasis is placed on students developing self-discipline which results from the desire to learn and a respect and awareness of the rights and needs of others. Progress is assessed regularly in all subjects and parents receive three reports a year and attend a Parents' Evening. We regard the partnership with parents as vital to each student's development and progress and parents are encouraged to contact the school with any concerns. They are also welcome to raise any issues with the Headteacher at her surgery each Monday after school. The school's newsletter and website keeps parents up to date with school successes and events.

Sixth Form

“The Sixth Form provision is outstanding. Students achieve very well... and are very positive about the education and care they receive.” – Ofsted

Whitmore has a very popular and successful Sixth Form. We offer a full range of A Levels and specialist BTEC courses and our Sixth Form programme includes trips and visits, extra-curricular activities, volunteering and leadership opportunities and advice on careers and progression to university, apprenticeships and employment. Standards are high and the majority of our students progress to highly regarded university courses. A separate Sixth Form prospectus is available on the school website.

Facilities

Whitmore provides state-of-the-art facilities for all our students. Our landmark building provides extensive specialist accommodation and equipment which includes:

- Modern ICT suites and class sets of laptop computers
- A well-resourced modern library and computer centre which is also open out of school hours for homework
- 13 well equipped laboratories with prep rooms to support teaching and learning of Chemistry, Biology and Physics
- An impressive drama and dance studio used for rehearsals and performances
- Separate studios for Ceramics, Sculpture and Painting & Drawing
- Impressive Media and Music studios with recording facilities
- A large study area and seminar rooms for our Sixth Form
- A large, well-equipped sports hall with spectator seating and a superb fitness suite
- An all-weather sports pitch and courts for tennis and netball, all floodlit
- A spacious and attractive dining area
- A courtyard where students can relax at break and lunchtimes

regularly in concerts both within the school, nationally and internationally. Our Drama productions and showcases are extremely popular and play to capacity audiences. Each spring there is an Art and Design Exhibition, which is open to the public. Our Debating and Maths Challenge Teams continue to achieve success at local and national level. A wide range of sporting activities is open to all and includes competitive teams – particular successes in recent years include football, trampolining, netball, athletics, tennis, swimming, cricket, basketball, badminton and the Panathlon.

Departments organise many curriculum trips and visits. Journeys in recent years include adventure activities in Wales, the Lake District and Dorset; Language trips to France and Germany; Music tours to Spain and Italy; History trips to the WW1 graves; Art trips to various exhibitions and centre court tickets for Wimbledon. We regularly welcome politicians, civil servants and the media interested in our curriculum developments and the achievements of our students. Each year students also actively raise tens of thousands of pounds for national and local charities.

Extra-Curricular Activities

“Students have many opportunities to take part in a wide range of clubs, extra lessons and educational visits.”

– Ofsted

A key strength of the school is the extensive variety and range of enrichment opportunities, which entice a high proportion of students to participate. These are very strong in the areas of the creative arts, sports, Duke of Edinburgh awards and study support. Flourishing music groups include brass, wind and string ensembles; a samba band, jazz band, steel pans and choir. They perform

Awards

The school’s many awards include:

- OFSTED Outstanding 2015 and 2008
- Department for Education Top 30 Schools Award
- High Performing Specialist Science College
- National Training and Leadership Development School

Applying for schools in other boroughs

Home

Map

Admissions

Apply now

Parents of children who live in Harrow may apply to schools in neighbouring boroughs. Similarly, parents of children who live outside Harrow may apply to schools inside Harrow. It may be true that the nearest school or schools to your home are located in other boroughs.

You can apply to schools in other boroughs by simply naming them on your application form in the usual way. You should only fill out one application

form, and that should be the form from the borough where you live. So if your child is a Harrow resident, fill out a Harrow form – even if you are not applying to any Harrow schools. You can only apply to a maximum of four schools in Hertfordshire.

Please find contact details below for admissions departments in neighbouring Councils where you can get advice on school open days, admissions arrangements and other details.

Children with Special Educational Needs

Home

Map

Admissions

Apply now

Harrow aims to allow children with Special Educational Needs (SEN) to attend their local secondary school wherever possible, and the vast majority of children with SEN do so. Only a small number of children, who have the most complex needs, receive places at a special school or at a mainstream school with special provision. To talk about the most appropriate placement for your child, parents should contact the Special Educational Needs Assessment and Review Service (SENARS) on 020 8501 8383.

Children WITHOUT an EHC Plan or a Statement of SEN

These children go through the normal admission procedure. Parents should fill out an application form in the usual way and children will be offered a place based on the school's published admissions criteria. All schools in Harrow receive additional funding to provide extra help for children with SEN.

Children WITH an EHC Plan or a Statement of SEN

These children do not go through the normal admission procedure. SENARS will consult schools for places on their behalf. We encourage parents to complete school application forms but this is optional. Parents are welcome to visit schools and attend open days.

Before the end of year 5, there will be a review of your child's EHC Plan or Statement of SEN, where parents, school staff and other professionals will

discuss the arrangements for secondary school transfer. SENARS will receive a report of that review, and will write to parents at the beginning of September, asking for confirmation of their school preference. SENARS will then consult with the secondary school of preference (if appropriate) and, if required, contact parents again to discuss other options. SENARS will write to parents in the third week in January to offer their child a place at a secondary school and to propose support arrangements. An amended Final EHC Plan or Statement of SEN which names a secondary school will then be issued by 15 February on the year of transfer.

Right to appeal

Parents who are dissatisfied with the school that is being offered should contact SENARS. If concerns cannot be resolved, parents have the right of appeal to the First-Tier Tribunal of the Health, Education and Social Care Chamber (HESC).

The Special Educational Needs and Disability Code of Practice January 2015 states that a school may only object to the admission of a child with an EHC Plan or Statement of SEN on the following grounds:

That the placement of the child would be incompatible with the efficient education of the pupils with whom they would be educated and that there are no reasonable steps that can be taken to enable the inclusion of the child.

If you believe this process applies to you or your child please contact SENARS on 020 8051 8383.

University technical colleges and studio schools

Home

Map

Admissions

Apply now

University Technical Colleges and Studio Schools accept 14- to 19-year-olds for courses of study that are technically oriented or based around work skills.

Students born between 1 September 2009 and 31 August 2010 who live in Harrow and wish to apply to University Technical Colleges and Studio Schools in other boroughs

should fill out an application form at www.harrow.gov.uk/schooladmissions. Currently there are no University Technical Colleges or Studio Schools in Harrow.

For information on University Technical Colleges visit www.utcolleges.org. For information on Studio Schools visit www.studioschoolstrust.org.

The full timetable for applications is:

1 September 2023	Website opens, and you can apply online at http://www.eadmissions.org.uk
20 October 2023	Last Friday before the half-term holiday. We strongly recommend that you submit your application by this date to avoid any delay.
31 October 2023	Closing date for applications
1 March 2024	Emails sent to parents with the outcome of their application. Please wait until you have received the email before logging on to the e-Admissions website . In some cases, letters will be sent through the post
15 March 2024	Deadline for acceptance or decline of offer.

Information on the appeals process for University Technical Colleges and Studio Schools is available direct from the schools.

Appeals

You can appeal any decision made about the school place you have been offered. Bear in mind that appeals will be heard on the basis of the admissions criteria listed in this guide. Please be sure you have strong grounds before you make an appeal. Last year only 4 appeals were successful.

Home

Map

Admissions

Apply now

Name of school	Number of appeals heard in 2023	Number of successful appeals in 2023
Avanti House Secondary School	13	2
Bentley Wood High School	8	0
Nower Hill High School	26	1
Pinner High School	8	0
Whitmore High School	17	1

Appealing to Salvatorian & Sacred Heart

Appeals about decisions at the above schools are dealt with by the schools directly. Please contact the school and ask for their appeal form to be sent to you.

Appealing to all other Harrow Secondary Schools

Appeal forms are available on our website at www.harrow.gov.uk/schooladmissions. For guidance and information, contact us at schooladmissions@harrow.gov.uk.

An appeal has to be made in writing, setting out the grounds on which it is made, in full. You must include a full description of your case. Additional information and evidence supporting your appeal and its grounds should be submitted as soon as possible and before the appeal hearing. Please note that any evidence or information submitted on the date of the appeal may not be considered.

Appeals will be heard early in the summer term 2024. To be considered in this first round of grouped appeals, your appeal

form must be received by 31 March 2024. Subsequently, appeals hearings are held periodically through the academic year.

How the appeals process works

Appeals are organised by Harrow Democratic Services, independently of the Admissions Service. Democratic Services will notify you of the date of your appeal hearing and you will be requested to attend. At the appeal, the Admissions Service will explain the reasons why your child could not be offered a place. You will have the chance to ask questions and members of the appeal panel will ask you questions. The appeal panel will then make its decision and you will be notified of the result in writing. Any child admitted to a school as a result of an appeal will take precedence over others on the waiting list.

Appealing to a school outside Harrow

Please contact the Local Authority where the school is located for information of how to appeal.

Sixth form education

Home

Map

Admissions

If you wish to apply for a sixth form place in Harrow, do not fill out a secondary school application form.

Applications for sixth form places are made directly to the school or college.

All of Harrow's secondary schools and colleges work together in a partnership called the Harrow Sixth Form Collegiate.

The Harrow Sixth Form Collegiate is a partnership of the following:

Bentley Wood Sixth Form
Canons Sixth Form
Harrow Sixth Form
Harrow College Sixth Form Centre*
Hatch End Sixth Form
Nower Hill Sixth Form
Park Sixth Form
Pinner High School
Rooks Heath School
Stanmore Sixth Form College*
Whitmore Sixth Form
Whitefriars Sixth Form

Other sixth form provision

St Dominic's Sixth Form College*

How to apply

You should apply to your first choice of school or college.

Forms are available directly from high schools and colleges. The form contains full details of how to fill in the application and where to send it.

You will be offered a guidance interview. The school or college will consider your predicted grades and reference when deciding whether to offer a place.

What happens next

Your application will be acknowledged.

The offer of a place is conditional on you achieving the appropriate entrance qualifications. Details of these are indicated in prospectuses or information leaflets from each school or college. You will be given further details during your guidance interview.

An appropriate programme will be negotiated.

Where a school or college does not offer a place, your application will be passed to your second choice.

The offer of a place will be confirmed.

If you do not meet the entrance conditions of your original offer, every effort will be made to place you on a different course in September.

Admissions

Apply now

Our vision is to ensure that this is a proud, fair and cohesive Harrow, a great place to live, work and visit and the same applies to places of study.

Lesbian, gay, bisexual and transgender pupils may face additional challenges and several of our secondary schools have signed up as Stonewall's Diversity Champions. These include Hatch End High School, Park High School, Pinner High School, Nower Hill High School and The Helix Education Centre.

The Equality Act 2010 provides protection from discrimination because of gender reassignment in schools. This means that it is unlawful for schools to treat pupils less favourable because of gender reassignment and that schools will have to fact in gender reassignment when considering their obligations. Gender reassignment is defined in the Equality Act as someone who is undergoing has undergone or is proposing to under a process (or part of a process) of reassigning their sex by changing physiological or other attributes. This definition means that in order to be protected under the act, a pupil will not necessarily have to be undertaking a medical procedure to change their sex. Pupils who are undergoing a social transition for example going by a preferred name or pronoun are protected by the Equality Act.

A change in school at a key transition point e.g. from primary to secondary

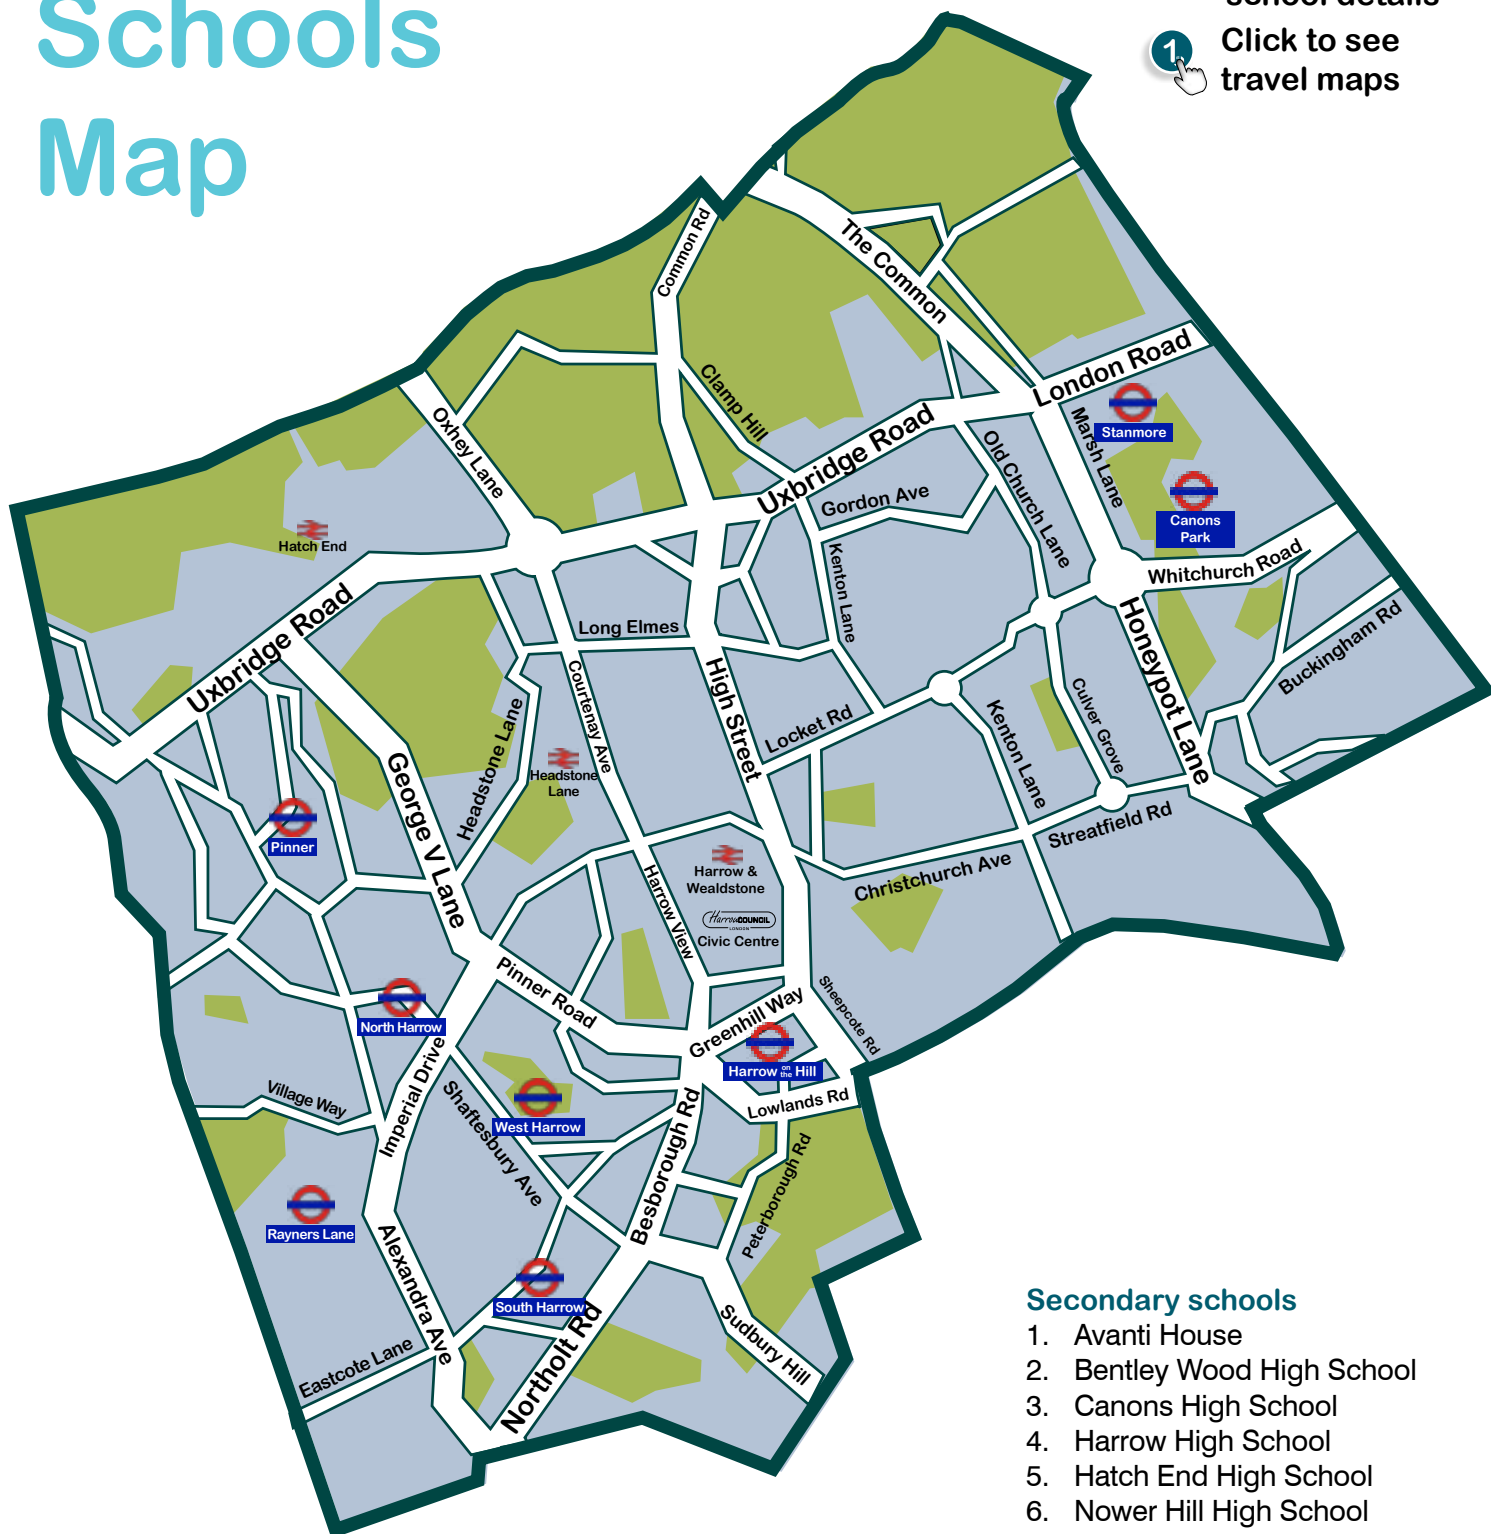

may be a good time for transition for some but it should not be the only opportunity. The right time to transition from one gender to another is when the child or young person feels they are ready.

We acknowledge that this may be a challenge for school and families but we feel that every school in Harrow can work to support every child in the borough including those transitioning. We would encourage families to contact us early so we can offer advice and support and also to discuss our admission criteria for children for whom it is essential to be admitted to a specific school because of special circumstances to do with significant medical needs and or social needs. For children who are new to the borough and without a school place we can also consider our Fair Access Panel.

Harrow Admissions Service wishes to work with families to ensure that a change of school is made as smooth as possible and ensuring that the child or young person accesses any support they may need.
