

NOTICE UNDER SECTIONS 16 AND 17 OF THE LONDON LOCAL AUTHORITIES AND TRANSPORT FOR LONDON ACT 2013

The London Borough of Harrow, under Sections 16 and 17 of the London Local Authorities and Transport for London Act 2013, hereby gives notice of its intention to undertake the installation of Electric Vehicle (EV) Charging Points in the roads stated in the Schedule, below. This work is scheduled to take place over an eight-week period with notice being given to residents when works are due to commence.

Furthermore, the council intends to install Lamp Column charge points across the borough in 55 streets, installed along the street according to the table shown below; this will provide future proofed infrastructure which will support residents in making the transition to more sustainable modes of transport, such as electric and hybrid vehicles.

Following the installation, charge point locations will **not** be designated as 'EV Only' bays; we therefore do not envisage any adverse impacts on your current parking arrangements.

For roads that are within a Controlled Parking Zone (CPZ), all parking restrictions will remain the same and only residents with valid permits will have access to the charge points, as well as visitors that display a valid visitor voucher.

If you wish to make a representation in respect of the proposal, please respond by **23rd October 2025**. Any representations must be made in writing to the council via email: Transportation@harrow.gov.uk or sent to our offices at: Transportation, London Borough of Harrow, Forward Drive, Harrow, HA3 8FL quoting ref: 25-35 AF.

Dated this 25th September 2025
