

**Harrow Local Plan 2021–2041: Main Modifications Consultation
Representation Form**

**Please return your representation to the Planning Policy Team by:
12:01pm on Tuesday 23 December 2025**

About this consultation

The London Borough of Harrow is consulting on the proposed Main Modifications to the Harrow Local Plan 2021–2041. These are changes the independent Planning Inspector examining the draft plan has identified as being necessary to make the Plan sound and legally compliant. This consultation is not a repeat of earlier consultations, and it is not an opportunity to comment on parts of the Plan that are not proposed to be modified.

Comments are therefore only invited on:

- the published Schedule of Main Modifications,
- any related changes to the updated Policies Map / Atlas of Change, which are limited to those needed to give effect to the Main Modifications, and
- the updated Integrated Impact Assessment (including Sustainability Appraisal and Habitats Regulations Assessment) and Non-Technical Summary.

All representations made on these documents will be sent to the Inspector for consideration.

What to consider when making a representation

When you comment at this stage, please focus on whether the specific modification you are commenting on would make the Plan:

1. Legally compliant

Has the modification and any related material been prepared and consulted on in line with the legal requirements?

2. Sound

If you think the modification would leave the Plan unsound tell us which test it fails:

- (a) positively prepared,
- (b) justified,
- (c) effective,
- (d) consistent with national policy.

3. What appropriate change is needed

If you think the wording should be different set out the precise change you want the Inspector to recommend.

Please do not use this form to raise new site proposals or to revisit objections to parts of the submitted Plan that are not proposed for modification.

Alongside the Main Modifications the Council is also publishing a schedule of Additional Modifications. These are changes that taken together the Council considers do not materially affect the Plan and which it can therefore make when the Plan is adopted. These Additional Modifications are not required to make the Plan sound, and they do not form part of the formal examination. Should you wish to make any comments on the Additional Modifications, these will be considered by the Council rather than the Inspector.
