1. Introduction

Purpose of the investment profile

This guide has been produced by The London Borough of Harrow to support businesses looking to locate and invest within Harrow's town centres. It contains intelligence and data relevant for doing business locally together with information on other resources available for support and guidance.

The Council is committed to working with businesses and to collaborate closely with our business community. The Council offers wide-ranging business focused initiatives and has adopted an ambitious regeneration and investment strategy. The Harrow Economic Strategy 2023- 2026¹ further outlines the key priorities and programmes to develop a thriving and sustainable local economy.

London Borough of Harrow

We believe Harrow is a unique and great place to live and work and we know attracting businesses to invest in the area is key to a thriving local economy. It is ideally located in London and one of the top 10% most densely populated local authority areas in England. Harrow has a population of 261,203 (c.3% of London population) residing in c. 89,642 households, and a population density of 5,175.4 persons per sq.km (London 5,597.6 persons per sq.km).

Harrow is one of the safest boroughs in London, one of the most diverse in the country and with eight Green Flag awards, our parks are among the best green and open spaces. The borough is within easy access and well connected by public transport to Heathrow airport hub and the City of London.

In addition to the Harrow Town Centre, the London Borough of Harrow has fourteen town centres of which nine are classified as District Centres. Together, they provide significant business opportunities, jobs for local residents and serve social and community needs.

11. Belmont Circle Trader's Association

The **Belmont Circle Trader's Association** is a long-established and highly active group representing the diverse range of businesses in the Belmont Circle area. With a strong presence in the local community, the association plays a key role in promoting the high street and supporting its traders.

Over the years, the association has successfully delivered a number of popular community initiatives, including **festive light switch-on celebrations**, **seasonal events**, and **cultural festivals featuring food vendors and live entertainment**. These events have helped to foster a strong sense of community, increase footfall to local businesses, and enhance the vibrancy of Belmont Circle as a local shopping and social destination.

The association is committed to **fostering community spirit** and ensuring Belmont Circle remains a **clean, safe, and welcoming place** for all. By encouraging collaboration between traders, residents, and local authorities, the association believes that stronger community connections can lead to a more vibrant, resilient, and inclusive high street. Their efforts not only support economic growth but also contribute to a greater sense of belonging and pride in the local area.

For more information about their activities and initiatives, or to join the association, please contact the Chair, **Manji Kara**, at **mkara@btinternet.com**.
