### 1. Introduction

### **Purpose of District Centre Profiles**

This guide has been produced by The London Borough of Harrow to support businesses looking to locate and invest within Harrow's town centres. It contains intelligence and data relevant for doing business locally together with information on other resources available for support and guidance.

The Council is committed to working with businesses and to collaborate closely with our business community. The Council offers wide-ranging business focused initiatives and has adopted an ambitious regeneration and investment strategy. The Harrow Economic Strategy 2023- 2026<sup>1</sup> further outlines the key priorities and programmes to develop a thriving and sustainable local economy.

#### **London Borough of Harrow**

We believe Harrow is a unique and great place to live and work and we know attracting businesses to invest in the area is key to a thriving local economy. It is ideally located in London and one of the top 10% most densely populated local authority areas in England. Harrow has a population of 261,203 (c.3% of London population) residing in c. 89,642 households, and a population density of 5,175.4 persons per sq.km (London 5,597.6 persons per sq.km).

Harrow is one of the safest boroughs in London, one of the most diverse in the country and with eight Green Flag awards, our parks are among the best green and open spaces. The borough is within easy access and well connected by public transport to Heathrow airport hub and the City of London.

In addition to the Harrow Town Centre, the London Borough of Harrow has fourteen town centres of which nine are classified as District Centres. Together, they provide significant business opportunities, jobs for local residents and serve social and community needs.

### 11. North Harrow Traders Association

The North Harrow Traders Association represents views and interests of North Harrow businesses and are always keen for new members to get involved. The association plays a vital role in supporting the local business community and works collaboratively to enhance the commercial environment and trading prospects in the area.

The Trader's Association serves as the main interface between local businesses and officers of the London Borough of Harrow on important issues such as safety and security, beautification, and cleanliness of the high street. Through their ongoing efforts, they help ensure North Harrow remains an attractive and thriving destination for both residents and visitors.

The association is committed to fostering strong relationships between businesses and working together to address common challenges and opportunities. They understand the importance of joint working with the council and other stakeholders to deliver positive outcomes for the local area.

For membership of the North Harrow Traders Association, businesses can contact the chairperson or attend one of the regular group meetings to learn more about how they can get involved in supporting the local business community.

The current chairperson is Moses Kazibwe from Mayfords Estate Agents. He can be contacted on <a href="moses@mayfords.com">moses@mayfords.com</a>.
