1. Introduction

Purpose of District Centre Profiles

This guide has been produced by The London Borough of Harrow to support businesses looking to locate and invest within Harrow's town centres. It contains intelligence and data relevant for doing business locally together with information on other resources available for support and guidance.

The Council is committed to working with businesses and to collaborate closely with our business community. The Council offers wide-ranging business focused initiatives and has adopted an ambitious regeneration and investment strategy. The Harrow Economic Strategy 2023- 2026¹ further outlines the key priorities and programmes to develop a thriving and sustainable local economy.

London Borough of Harrow

We believe Harrow is a unique and great place to live and work and we know attracting businesses to invest in the area is key to a thriving local economy. It is ideally located in London and one of the top 10% most densely populated local authority areas in England. Harrow has a population of 261,203 (c.3% of London population) residing in c. 89,642 households, and a population density of 5,175.4 persons per sq.km (London 5,597.6 persons per sq.km).

Harrow is one of the safest boroughs in London, one of the most diverse in the country and with eight Green Flag awards, our parks are among the best green and open spaces. The borough is within easy access and well connected by public transport to Heathrow airport hub and the City of London.

In addition to the Harrow Town Centre, the London Borough of Harrow has fourteen town centres of which nine are classified as District Centres. Together, they provide significant business opportunities, jobs for local residents and serve social and community needs.

Hatch End District Centre

The Hatch End town centre is classified as a **Local Centre** and is located within Hatch End Ward. The main shopping parade is located along the Uxbridge Road, and it has c.81 shopfronts occupying approximately 9,783 sq.m. floor space.

It is served by two bus routes and the Lioness Line (overground). Hatch End Station is located 280m East of the shopping parade.

Figure 2: Hatch End Ward and District Centre

2. Demographic Characteristics

Hatch End Ward has a total population of 9,822 (Census 2021). The key demographic characteristics of the ward are described in this section. The average population density in of the ward is 3,399.4 *persons per sq.km*. The London Borough of Harrow has an average population density of 5,175.4 *persons per sq.km*.

Table 1: Total population

	Hatch End		Harrow	
	Population	%	Population	%
All persons	9,822	100.0	261,203	100.0
Male	4,649	47.3%	128,797	49.3
Female	5,173	52.7%	132,406	50.7

Table 3: Distance to Harrow and Nearest Town Centres

Closest Centres	Distance in miles (Kilometres)
Harrow	2.87 mi (4.61 km)
Pinner	1.8 mi (2.13 km)
Harrow Weald	1.11 mi (1.79 km)
Wealdstone	2.17 mi (3.49 km)

3. Hatch End Local Centre Catchment Insights

We have used Acorn segmentation to analyse the customer information for c. 4,935 households which are located within a 20-minute walking distance (approximately 1.0 mile) from the district centre.

The Top 5 customer segments represented in this catchment area are described below.

For more information about what these categories mean please use this link to access the [Acorn User Guide](#).

Acorn Category	% Households in the catchment	Acorn Definition	Acorn Category as UK percentage
Affluent Achievers	74.4%	These are some of the most financially successful people in the UK. They live in affluent, high-status areas of the country. They are healthy, wealthy, and confident consumers.	22.5 %
Rising Prosperity	14.5%	These are generally younger, well educated, professionals moving up the career ladder, living in our major towns and cities. Singles or couples, some are yet to start a family, others will have younger children.	9.3%
Comfortable Communities	5.2%	This category contains much of middle-of-the-road Britain, whether in the suburbs, smaller towns or the countryside. They are stable families and empty nesters in suburban or semirural areas.	27.0%
Financial Stretched	3.5%	This category contains a mix of traditional areas of Britain, including social housing developments specifically for the elderly. It also includes student term-time areas.	23.2%
Urban Adversity	2.4%	This category contains the most deprived areas of towns and cities across the UK. Household incomes are low, nearly always below the national average.	17.0%

5. Retail and Office Rents

Hatch End Town Centre and areas in the vicinity offer a variety of sizes for retail use and small office premises along Uxbridge Road.

- Estimated current rent for retail shops vary **from £ 28- £40 per sq.ft. per year**, excluding VAT and deposits. Retail units range in sizes from c. 500 sq.ft. to c. 3,000 sq.ft.
- Rent for unfurnished offices vary between **£ 24 - £30 per sq.ft. per year**, excluding VAT and deposit costs. Offices units vary in size from c.200 sq.ft. to c. 1500 sq.ft., subject to availability.

Please note that rents would vary based on the location, size, access, property condition and lease tenor amongst other factors.

Please note that rents would vary based on the location, size, access, property condition and lease tenor amongst other factors. These estimates are based on the properties listed on the following online property portals:

<https://propertylink.estatesgazette.com/>

<https://www.loopnet.co.uk/>

<https://completelyretail.co.uk/>

<https://www.onthemarket.com/>

<https://www.rightmove.co.uk/commercial-property-to-let/>

<https://www.zoopla.co.uk/>

For more information about availability of office properties, you can also refer to information available at Available business and industrial estate premises – London Borough of Harrow

6. Business Rates

Business rates can be calculated from the Valuation Office Agency web site (www.voa.gov.uk or telephone 020 8276 2800) or by contacting the Council's Business Rates department on 020 8901 2610 or visiting www.harrow.gov.uk/businessrates.

Information on relief and exemptions on business rates is also available on the website.

7. Transport Links and Passenger Footfall Data

Figure 4: Main transport links

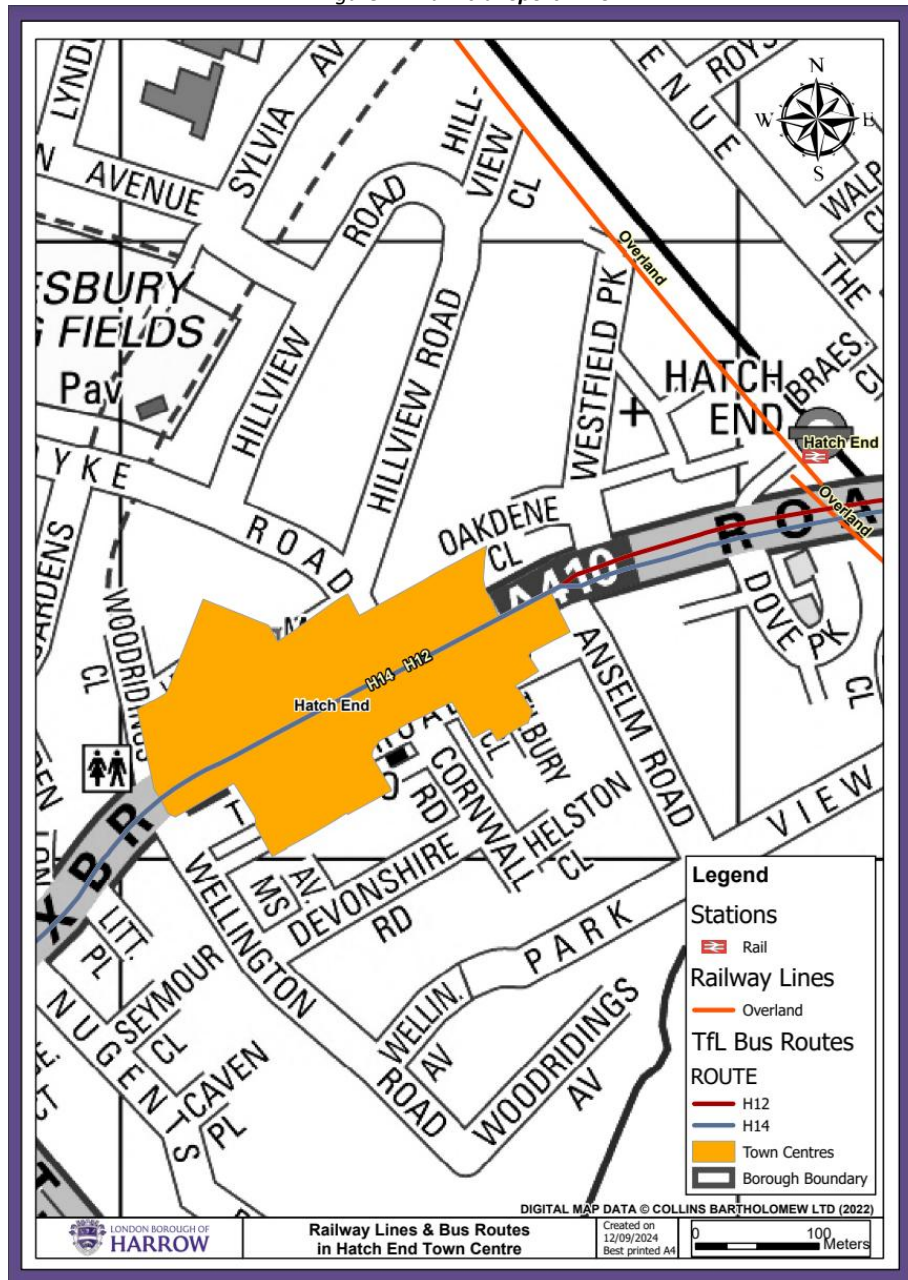

Table 6: Buses & train connectivity

Bus number	Route
H12	From: South Harrow Bus Station To: Stanmore Station
H14	From: St Thomas' Drive To: Northwick Park Hospital
Overground	Lioness (Hatch End station; 0.15miles)

Source: [TfL](https://tfl.gov.uk/)

Hatch End Station is located on the overground Lioness Line which provides easy access to central London – Euston. The estimated travel time from Hatch End Station to Euston is approximately 40min.

Passenger footfall data at Hatch End Station²

The Graphs below illustrate the variation in entry taps on weekends at Hatch End Station from 1 Jan 2019 to 1 Jan 2024. It is evident from the data that footfalls are yet to recover to pre-pandemic levels in March 2022 but continue to improve.

Figure 5: Entry Taps during weekends (monthly total)

Figure 6: Exit Taps during weekends (monthly total)

² Source: TFL – [Journey Counts By Travel Mode](#)

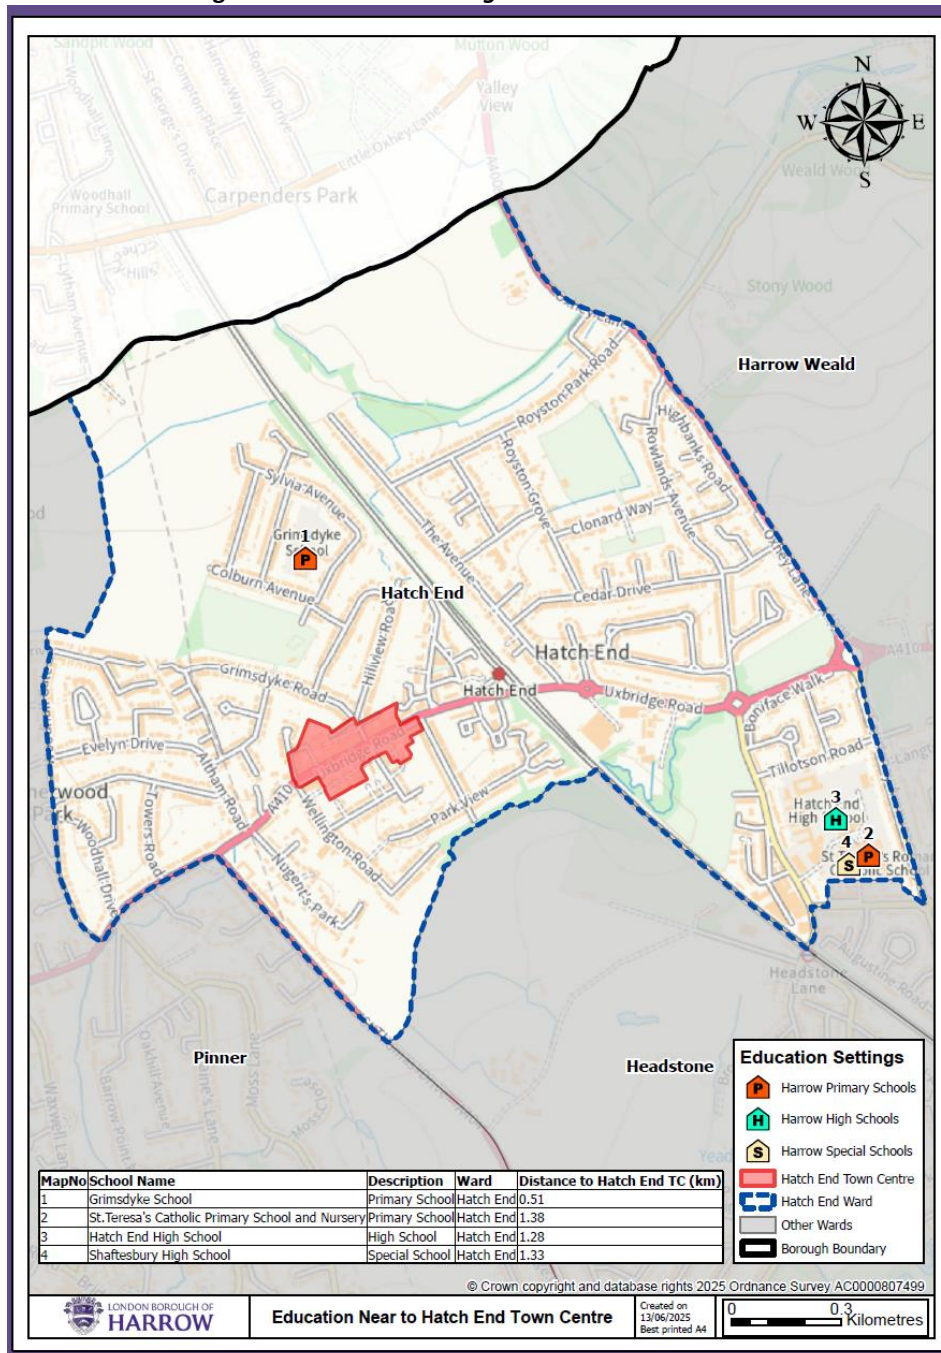

The dataset below represents the travel demand on typical autumn weekdays - Monday, Tuesday to Thursday, Friday, Saturday and Sunday. Data covers every 15-minute period throughout the traffic day and assumes a perfect train schedule being operated.

11. Hatch End Trader's Association

Hatch End Traders Association (HETA) represents businesses along Uxbridge Road and the immediate side streets, working with the council and community groups to keep the centre welcoming and vibrant. Local posts and community updates show the traders taking a lead on seasonal activity: in recent years the business community has funded festive street lighting and supported switch-on events on the Broadway, complemented by the Hatch End Association's community Christmas tree.

For more information, or to join as a local trader, contact EDO@harrow.gov.uk.

12. Appendix: Description of Relevant Planning Use Classes

Table 7: Summary of how use reclassification after 1 September 2020⁴

Use	Use class until 31 August 2020	Use class from 1 September 2020
Shops	A1	E
Financial & Professional Services	A2	E
Food & Drink (mainly on the premises)	A3	E
Business (office, research and development and light industrial process)	B1	E
Non-residential institutions (medical or health services, crèches, day nurseries and centres)	D1	E
Assembly and Leisure (indoor sport, recreation or fitness, gyms)	D2	E
Non-residential institutions (education, art gallery, museum, public library, public exhibition hall, places of worship, law courts)	D1	F.1
Shop no larger than 280sqm (selling mostly essential goods and at least 1km from another similar shop); community hall, outdoor sport/recreation area, indoor or outdoor swimming pool, skating rink	A1	F.2
Public House, wine bar, drinking establishment	A4	Sui Generis
Hot Food Takeaway	A5	Sui Generis
Cinema, Concert Hall, Bingo Hall, Dance Hall, Live music venue	D2	Sui Generis

*Sui Generis: 'Sui Generis' is a Latin term which means 'in a class of its own', in reference to Planning regulations. Uses become Sui Generis when they are specifically defined and excluded from the definition of any other use class.
