Dear Planning Policy Team,

Thank you for your email and for consulting us on the Addendum to Integrated Impact Assessment (IIA) report for your emerging local plan.

We have no further comments to make on the addendum in terms of our planning remit.

We previously commented on the Main Modifications consultation and noted that the concerns we had raised during the Regulation 18 and 19 consultations were adequately addressed.

We wish you all the best for the next stages of your local plan examination and adoption. Please let us know once the plan has gone through examination and adopted by the council so that we update our records accordingly.

Many thanks,

Dear Environment Agency colleagues,

I refer to the above and our email sent on 28 January 2026.

Consultation on the Addendum to the Integrated Impact Assessment (IIA) report closes tomorrow (Wednesday 11 February 2026 at 5 pm).

It would be appreciated that any response is received before the deadline. If you do not intend to provide any comments, it would also be appreciated if you could confirm this by return email.

Please let us know any queries.

Kind regards,
The Planning Policy Team

Subject: Harrow Local Plan - Examination in Public - Addendum to Integrated Impact Assessment (IIA) report

Dear consultee,

London Borough of Harrow is inviting comments on an addendum (dated 27 January 2026) to the Integrated Impact Assessment (IIA) (dated 7 November 2025) that accompanied the Proposed Main Modifications to the draft Harrow Local Plan. The Proposed Main Modifications were previously published and were open for comment between Monday 10 November and Tuesday 23 December 2025.

The addendum and appendix B (separate Excel spreadsheet) are available here:

- LBH/ED31aa - <https://www.harrow.gov.uk/downloads/file/33561/lbh-ed31aa-ii-main-mods-addendum-report-3>
- LBH/ED31ab - <https://www.harrow.gov.uk/downloads/file/33562/lbh-ed31ab-ii-main-mods-ii-addendum-appendix-b-1b>

Comments are invited on the addendum only. The addendum solely addresses superseded references to the amount of housing proposed to be delivered within the Harrow & Wealdstone Opportunity Area and also superseded references to the small site windfall allowance. It does not change the main modifications which were consulted upon between November and December last year.

Any comments must be received by 5pm on Wednesday 11 February 2026. There is no prescribed format for comments, but they should relate only to the addendum.

Comments may be submitted by email to localplan@harrow.gov.uk or by post to New Local Plan, Planning Policy Team, London Borough of Harrow, Forward Drive, Harrow, HA3 8FL.

All comments received will be forwarded to the Planning Inspector for consideration prior to the finalisation of the report.

If there are any queries regarding access to the addendum or the process for submitting comments, please contact the Planning Policy Team at localplan@harrow.gov.uk.

Thank you for your continued interest in the Harrow Local Plan.

Kind regards,
The Planning Policy Team
